## *Dedication*

To friends whose enthusiastic interest in the students of Baldwin County High School has developed a new phase of student life. No organization has ever worked more unselfishly and the fruits of their labors are to be found in an aroused and active group of parents, faculty and students. In recognition of their services to our Alma Mater this, the 1946 Bal-coala is gratefully dedicated, and the Bay Minette Chamber of Commerce is herewith respectfully accorded the dedication of this volume.

*Coach Clifford Pugh*

Coach Pugh, who came here from Mobile, Alabama, proved worthy to all by turning out a winning team in both football and basketball—even if he did have to chew up a referee or two

No two managers were ever worth more to a school than these. When hot water was needed they built the fire. When adhesive tape was wanted, they fetched the first aid kit. When free tickets were to be had, they got 'em. When cheer leaders wanted to flirt—our managers obliged. Hurrah for our managers!

The McCollough eleven was never in the game as the Tigers romped to an easy victory over a much heavier but slower opponent. Coach Pugh's version of the "T" produced numerous thrills for the spectators and innumerable headaches for the Purple Hurricanes. All the members of the Tiger squad saw action in the afternoon affray.

As in the past when a Tiger and Blue Devil tangle on the gridiron, one can expect plenty of action, and this was no exception.

Atmore was off to a quick start by scoring early in the first quarter, but the Tigers quickly took over. Cabiness scored on a 30-yard "Q-Back Sneak" smack over the big Blue Devil line.

The much publicized Atmore backfield could find no openings in the small forward wall of the Tigers, and the speedy backfield of the orange and black stole the show.

*Cap'tain Herbert Waters*

After many grueling practice sessions, the Tiger quintett, under tutorship of Coach "Curly" Pugh, amassed an almost unbelievably record of wins. Starting in season with only two experienced men, Coach Pugh combined a very fast, smooth working team which surprised everyone, and was labeled as "the team to beat" in Baldwin County.
