*C. V. Daniels*

*Principal of Baldwin County High School*

The faculty of this school hopes our students will take the best things learned here and use them to enable each of you to better find your place in our ever changing society. Our country needs great men and women - people who are not satisfied unless they have done their best. Further education is almost a must, so continue your education. Best of luck, Seniors!

Principal

## *Senior Class President's Message*

*Tommy Strickland*

The years at Baldwin County High School are soon to be yesterdays, yesterdays filled with work, happiness, and never to be forgotten friendships of classmates and teachers, who have developed in us a keener interest in learning. We are grateful for their kindness and their concern over our future years.

To the seniors of the coming years, we offer you our experiences, good and bad, that you may profit by them and continue to keep the "Spirit of Baldwin County High School" alive.

## OUR SENIOR MEMORIES

We really started to feel like Seniors the day our rings arrived, which was a week after school started. This was one of the most exciting days of our lives.

Then came football season! We had a nine-one record. Oh well - you can't win them all! But the "SPIRIT" was especially good this year - thanks not only to our football team, but to the band, cheerleaders, and most of all, to the student body.

Our magazine sale started with a bang. The goal this year was the highest ever - \$4,400. Of course we made it, but only by a lot of hard work and determination. Dolores Bryars was top salesman followed by Ercel Friel, Jerry Davidson, Claire Jackson, Philip Williams, and Carolyn Culver. These students had their choice of a watch, radio, or record player for their hard work.

We want to thank the Juniors for giving us such a great Prom this year. The theme of it was "Hawaiian Cruise," which suggested a beautiful tropical scene. Music was furnished by Jelly Powell and his orchestra from Selma. As each couple was presented, the boy placed a lovely lei around his date's neck. The big occasion ended at midnight, at which time tired couples were seen leaving with a smile on their faces.

We Seniors have many more memories than these. They are too numerous to mention here, but we will have them in our hearts forever.

Tonya Vines leaves her voice to those who are quiet.

June Slaughter leaves her pretzel tree to those who like pretzels.

Randy Preasley leaves his truck which is completely torn up.

FRANK FERRELL SMITH, JR.

On March 16 of this year, the students of our school were saddened with the loss of Frank Smith, our beloved friend and classmate. A junior this year, Frank first came to our school in 1957 from Fayette, Alabama. In the three years he was with us he earned a high place in all of our hearts with his winning personality, friendly smile, his faith in others, himself, and in God.

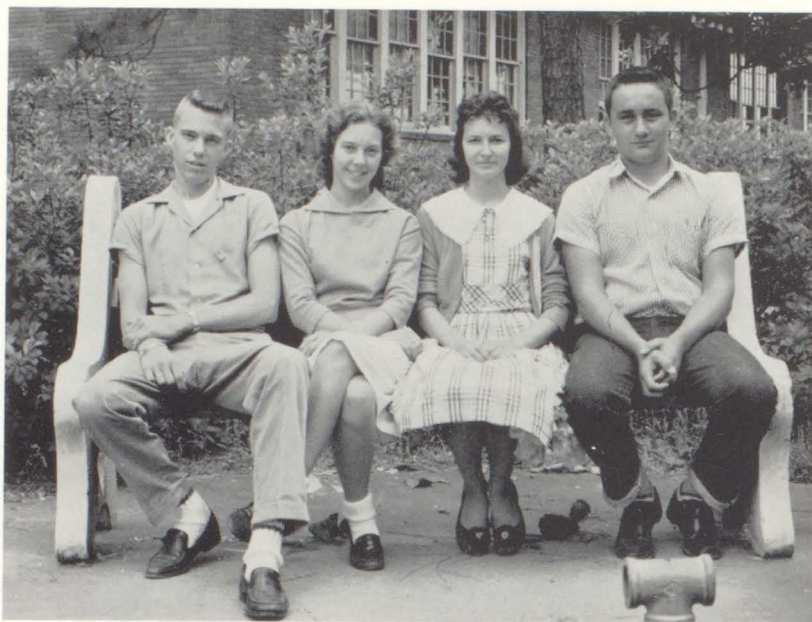

Frank was president of the Sophomore Class in 1958-59. He was a member of the Key Club for two years and this year served as vice-president of the Pre-Engineering Club. A letterman in football, Frank had played for the past three years at end and tackle positions.

As a Boy Scout, Frank earned the rank of Eagle Scout, was a member of the Scout Fraternal order, "The Order of the Arrow." He was vice-president of the Explorer Post of Stapleton.

A member of the Stapleton Methodist Church, Frank was president of the Methodist Youth Foundation of his church and was president of the Sub-District for Baldwin County.

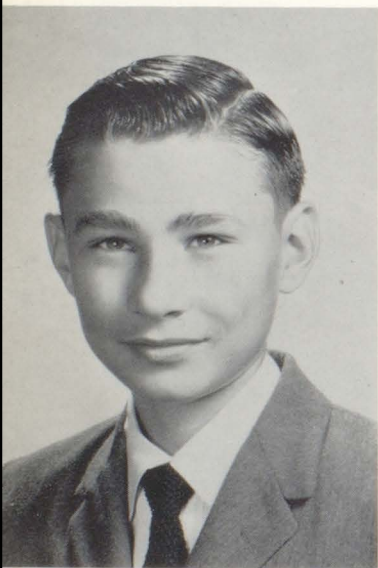

Words cannot express what Frank meant to each of us but he will always live in our memories and we thank God for allowing us to know him.

# *The 1960 Sophomore Hop*

EDITH VAN DYKE crowns the new Sophomore Queen,  
ELIZABETH HOLMES

The Sophomore Class of Baldwin County High School held its annual Sophomore Hop at the City Hall auditorium in February.

The theme, "Come to the Mardi Gras," was carried out beautifully with the decorations of balloons, masks, serpentine, and confetti.

The Sophomore Class elected Elizabeth Holmes as their "Mardi Gras Queen." She was crowned by last year's queen, Edith Van Dyke. Lynn Crosby and Margaret Alice Bryant were Ladies-in-Waiting to the Queen. Also in the court were Carolyn Bryars, Debroah Bryars, Marilyn Gauze, Charlotte Lyles, Dottie Simmons, Dorothy Mixon, and Tomella Tucker.

Lynn Crosby, President of the class, welcomed everyone, acknowledging teachers and parents who had helped to make the Hop so successful.

The master of ceremonies, Billy Walker, did a splendid job announcing the couples and with the floor show.

Everyone enjoyed the exciting evening and would like to thank the parents and teachers who made it possible.

QUEEN OF THE FROLIC  
DIANE WHITE escorted by SAM RUPLE

One of the most beautiful and outstanding Freshman Class parties ever was held for the 1959-60 BCHS Freshman Class Friday night, February 5, at the City Auditorium. The traditional valentine colors of red and white were used to make a dazzling and spectacular setting for the 71 couples of young people who participated.

An enormous red heart in the center of the stage was flanked on each side by hand painted red cupids depicted on a white background lacily trimmed with greenery. The base of the stage was covered with white on which shiny red hearts were scattered.

The master of ceremonies, Billy Walker, introduced the Cupid, who met each girl as she stepped through the heart and led her to the head of the stairs where her escort awaited. They were introduced to the audience of parents and guests. As the couples filed out, they formed a huge heart in the center of the auditorium to await the coronation. The maids of the Court made a beautiful picture as they stood on each side of the heart. First came the maid of honor, Juliet Quinley, then the court - Linda Easley, Joan D'Olive, Sandra Hall, Dorothy Hand, Delores Rider and Frances Taylor.

Last of all came the "Queen of Hearts," the Freshman Frolic Sweetheart, Diane White. Cupid brought out her dainty crown which was placed on her head by her escort, Sam Ruple. All types of dancing followed the grand march which was led by the sweetheart and her escort.

The tables were beautifully decorated with red hearts and flowers. Nut cups, program booklets, and red satin heart-shaped candy boxes were at each place.

The couples were entertained through the evening with dances, refreshments, and a varied floor show.

# The Balcoala Staff

## FROM THE EDITOR

This year I have made every effort to induce originality, expression and spirit into your 1960 BALCOALA. In each section I have tried to picture the qualities of the BCHS student. We have worked hard to produce a book that would meet the standards of our student body. In producing this book, we were brought into a closer realization of the unity of the BCHS student body and were given a more accurate concept of the "SPIRIT" of which we are a part.

Business Manager  
CHARLES STRONG

I would like to thank my staff for the help they have given me. Mr. McDuffie, Harry Raske, and Morgan Little should be thanked for the pictures they took. My special thanks go to Charles Strong for the hard work that he put forth in selling ads, Mr. Daniels and the faculty for their patience and cooperation, Mrs. Laurens Jones who so willingly let me use her typewriter, and my parents for their cooperation.

Editor-in-Chief  
ERCEL FRIEL

WE BELIEVE IN THE "SPIRIT OF BCHS," WE LIVE IT . . . WE LOVE IT . . . MAY IT NEVER DIE.

# *A Summary of This Year at B.C.H.S.*

We were excited as we rode to school the first day.

It looked good after a three month rest.

We even paid attention in class, sometimes!

The recess and dinner bells couldn't ring soon enough.

September brought the exciting football games . . .

Pep rallies, and the CHEERLEADERS!!!

We were too excited to sleep after the games!

The selection of Senior Beauties and favorites was something to remember . . .

as were the thrilling basketball games.

The band brought honors to themselves and our school.

Our minds became idle when spring fever hit us!!

We were even too lazy to polish our own shoes!

We always found a little energy when it was time to play.

Sometimes we felt like we were being treated like DOGS!!

But we were always recognized when we had done something special.

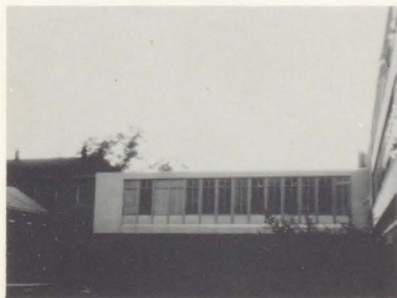

Baseball and track ended the sports at BCHS . . .

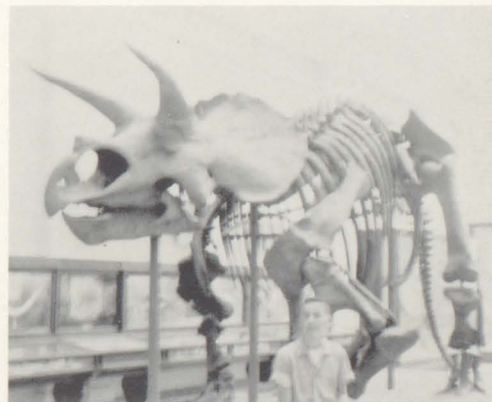

Then came the happy day of graduation . . .

and the thrilling house parties!!!

After a summer filled with parties and jobs, we will go our separate ways; some to college, and jobs, and others to the position of a husband or wife.

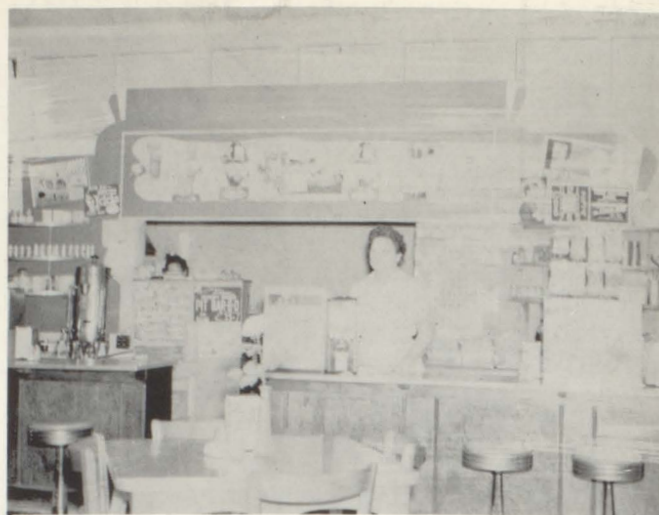

The Editor has lost a few things during these nine months, her brain and health!! But its' been great fun!

This is your BALCOALA OF 1960, I hope you enjoy it.
