*In*

*Our*

*Country*

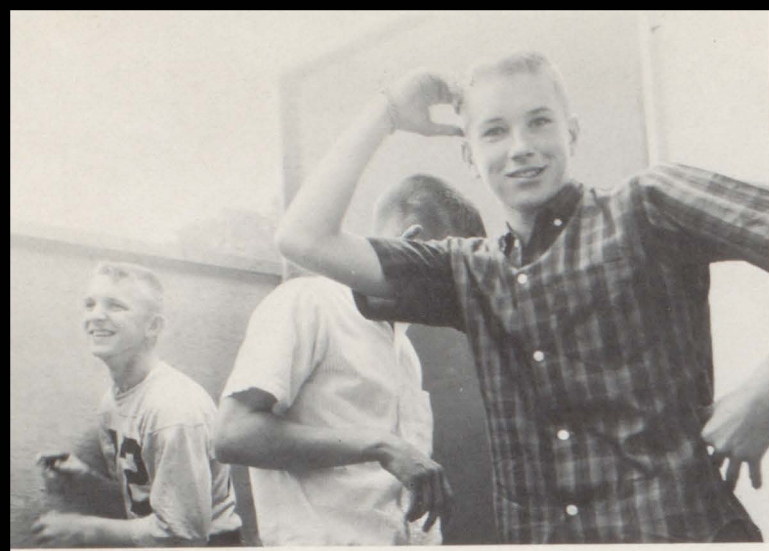

THIS IS OUR COUNTRY, LAND OF OUR BIRTH  
THIS IS OUR COUNTRY, GRANDEST ON EARTH  
WE PLEDGE THEE OUR ALLEGIANCE, AMERICA THE BOLD  
FOR THIS OUR COUNTRY, TO HAVE AND TO HOLD.

WHAT DIFFERENCE IF WE HAIL FROM NORTH OR SOUTH OR FROM THE EAST OR WEST  
OUR HEARTS ARE FILLED WITH LOVE FOR ALL OF THESE,  
WE ONLY KNOW THAT DEEP WITHIN OUR BREASTS  
WE THRILL TO SEE "OLD GLORY" PAINT THE BREEZE!

WITH HANDS UPON OUR HEARTS WE THANK THE LORD FOR THIS, OUR NATIVE LAND!  
FOR ALL WE LOVE IS HERE WITHIN HER GATES.  
OUR FEET ARE ROOTED DEEPLY IN THE SOIL ON WHICH WE STAND  
FOR THESE ARE OURS, OUR OWN UNITED STATES\*

*W. R. "Pinkie" Williams*

Mr. W. R. Williams has for many years been principal of the grammar school. Most of us spent a good bit of our childhood studying and learning in those classrooms. As we have grown older we have realized what a tremendous task it is to be in charge of a thousand little people, and now is our chance to thank Mr. Williams for the guidance and care we received from him. We would like to dedicate this 1965 Balcoala to you.....

Mr. "Pinkie" Williams

*In Memory  
of Our  
Friend and Classmate*

*James Casey*

At the beginning of the school year we lost James Casey in a car accident. For those who knew him best, Casey brightened their hearts by his friendliness and good nature. Casey excelled in basketball, and we are picturing him as everybody will remember him. . . . in his uniform.

*In Memory  
of Our  
Beloved Librarian*

*Mrs. George Stough*

At some time or other in our lives we are faced with the tragic loss of a dear person. We all grieved at the passing away of our Mrs. Stough who did so much for the school library in the many years that she was in charge of it. Mrs. Stough was not only a librarian but a friend to all her students. She enjoyed the relationship with her students and we all gained something by knowing her.

## *Principal's Message*

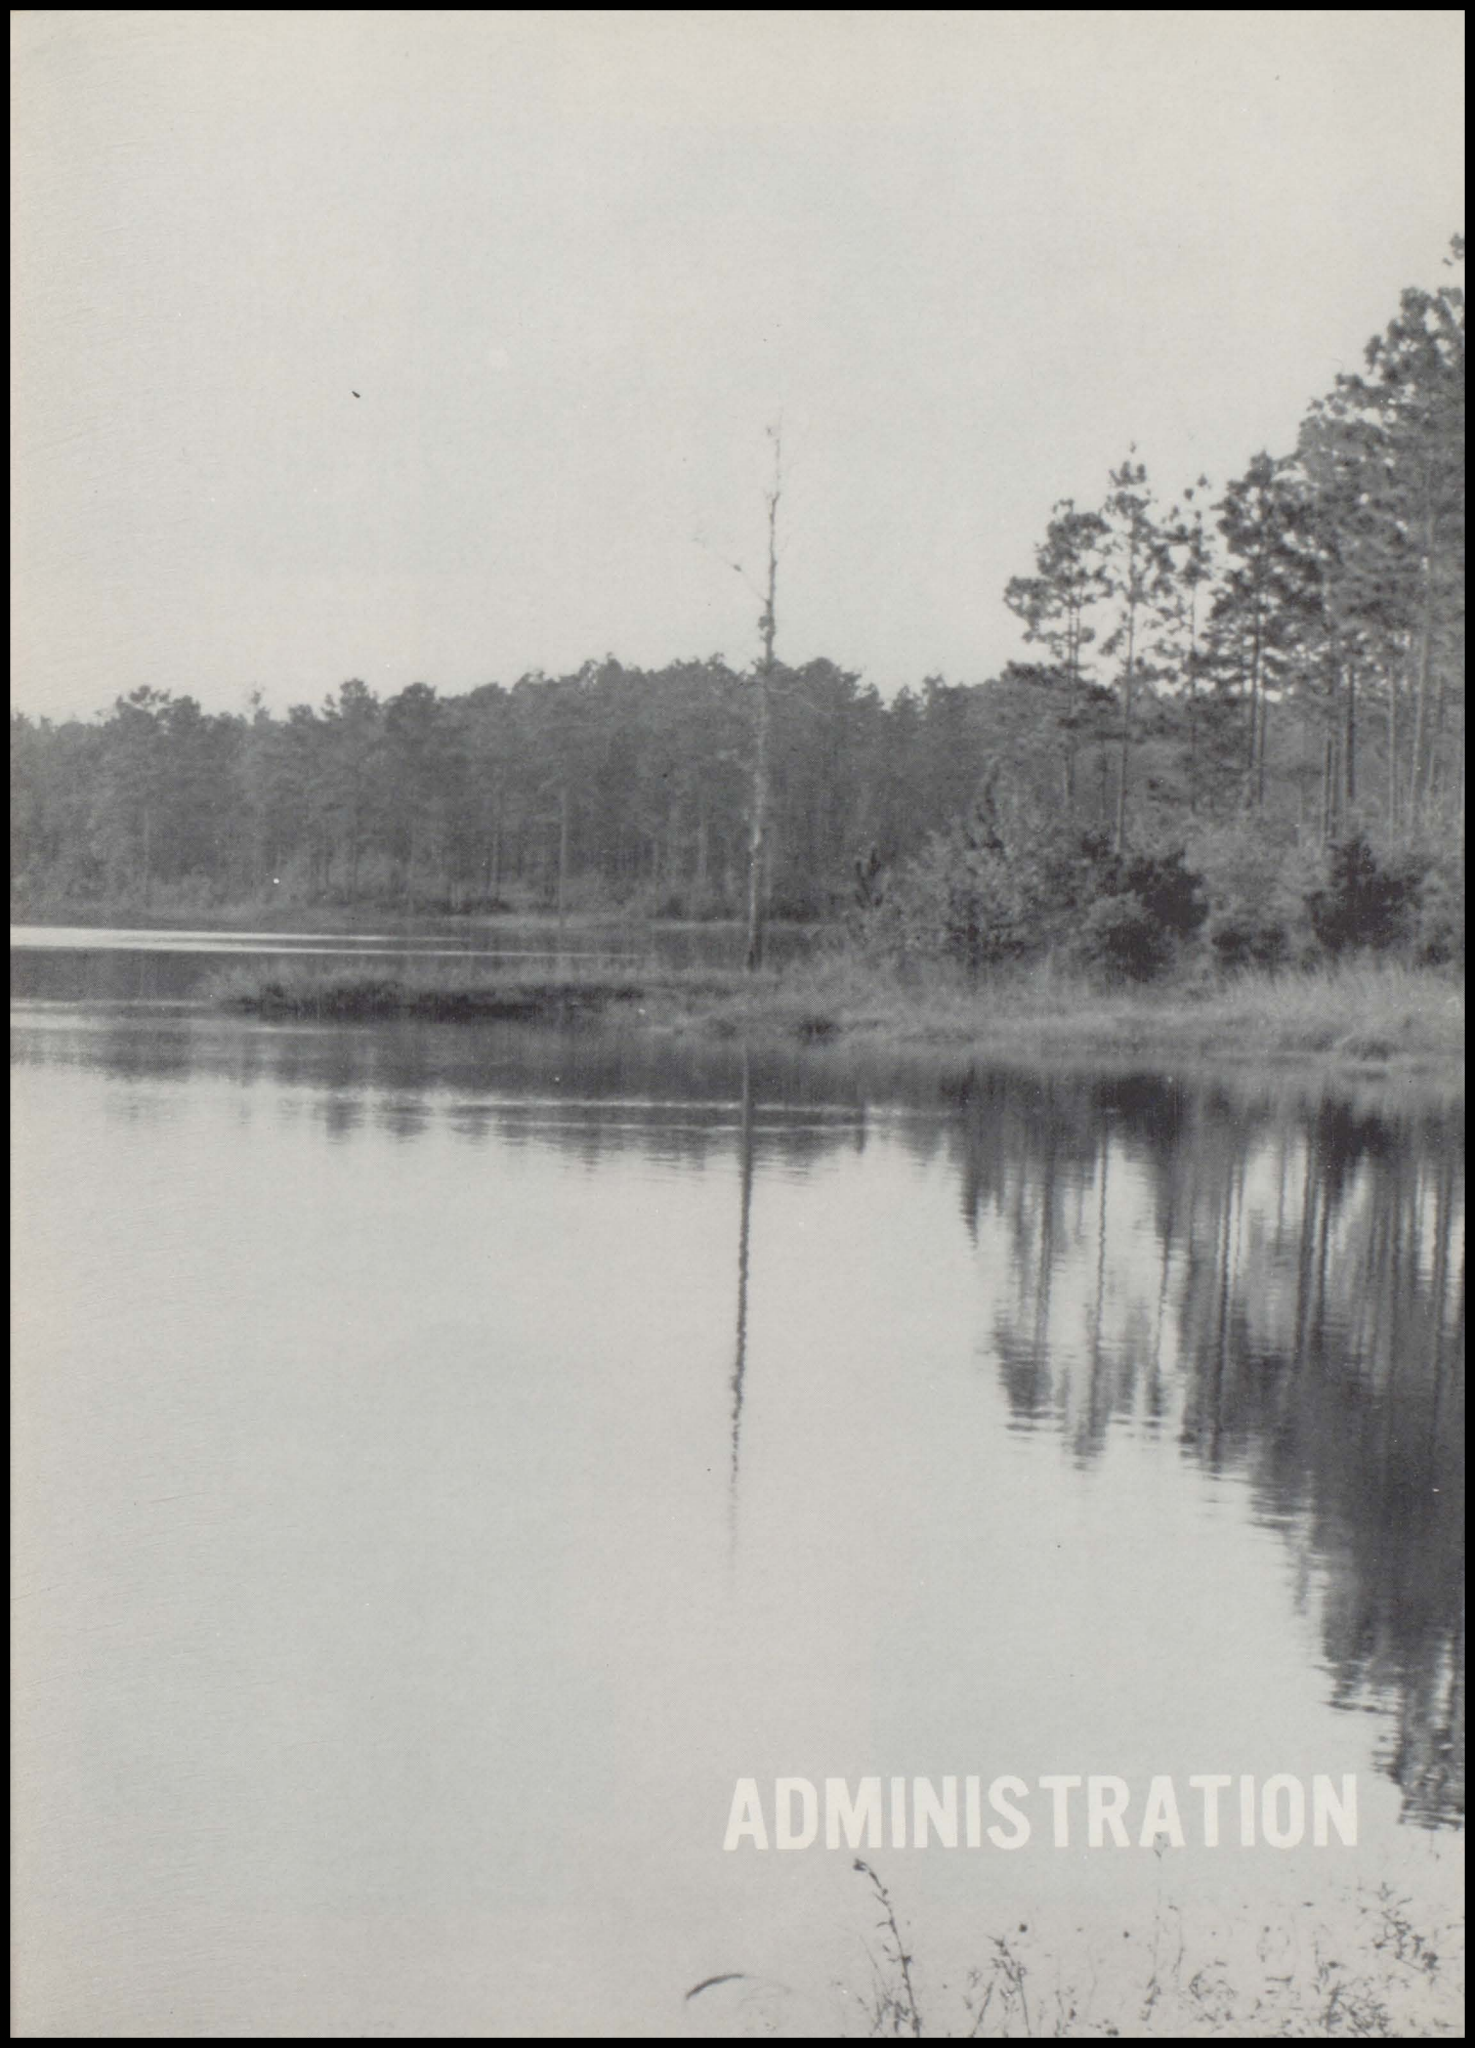

January 13, 1965

Our Balcoala is a record of the year 1964-65. From the first page to the last it is a record of activities, the accomplishments and this year some tragedies.

In our school community graduation from high school is not only desirable but a must. With the location of new colleges and universities in our area, further study will be possible for many more students.

Congratulations to the staff and senior class for presenting the B.C.H.S. story. We thank you for the many hours of work that have gone into this fine publication.

C. V. Daniels

ALTON JOHNSON

Education does not mean teaching people what they do not know.

It means teaching them to behave as they do not behave.

It is not teaching youth the shapes of the letters and the tricks of numbers, and then leaving them to turn their arithmetic to roguery, and their literature to lust.

It means, on the contrary, training them into the perfect exercise and kingly continence of their bodies and souls.

It is a painful, continual and difficult work to be done by kindness, by watching, by warning, by precept, and by praise, but above all---by example.

--John Ruskin

The 1965 Baldwin County High School Senior Beauties were judged by the WABB "good guys". Any senior girl was eligible and they were to turn in a senior picture to the staff. The pictures were sent by mail to Mobile and were judged. The "good guys" selected seven beauties and four runner ups. I am sure everybody will agree with me in saying that they couldn't have selected eleven more beautiful girls.

Tigers 14 Pirates 6

The undefeated Fairhope Pirates traveled to Simmons Field Sept. 25, only to be upset by the B. C. H. S. eleven. The Tigers hit hard and fast. They caught the Pirates completely by surprise.

Mike Wise and Ronnie Rieben did the scoring for the Tigers with a touchdown each. Wise also added two extra points. The final score was, Tigers 14, Pirates 6.

Tigers 34 Bears 19

After beating the Fairhope Pirates the B. C. H. S. weren't about to break the string to the Robertsdale Bears. The Tigers poured it on and stomped the Bears 34-19.

The scoring was shared by many, as Coach Messick let all of his 52 Tigers see action. With real team spirit, the Tigers were about to score again as the clock ran out.

The Tigers traveled to Ladd Stadium Oct. 17 to meet the state's number two rated team, the U.M.S. Cadets. In the closing seconds of the first half, Tiger Quarterback Mike Wise scored from the 3 and added the extra point. He tied it up 7-7. After an inspiring pep talk at the half, the Tigers came back strong the third quarter, and went ahead on a 9 yard plunge by Bill Bozone. The Tigers went ahead 13-7 but the Cadets came back in the 4th quarter and scored on such breaks as fumbles and penalties. They went ahead 14-13. The Tigers didn't give up. They took the ball and powered it to the Cadet 2 yard line when a penalty was called. The clock kept running. Lacking time to run another play in the last few seconds, they were defeated.

Tigers 16 Monroeville 14

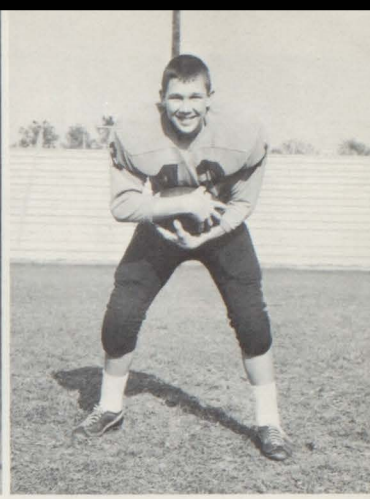

After an upset over Monroeville last year, the B. C. H. S. Tigers weren't about to break the string. They traveled with nothing but victory on their minds and won by a score of 16-14.

The Tigers first score was made by the interior linemen when they stomped Monroeville behind their own goal. Mike Wise and Ronnie Rieben plunged over for the other tallies.

## Balcoala Staff

This annual has been a pleasure to publish and we have tried very hard to make it a good one. It is far from being a masterpiece but I hope that when you pick it up, you will be holding a part of your 1965 year at B. C. H. S.

My staff did a wonderful job in all that they did. I would like to thank all of them for their unusual ideas, and their willingness to work. Also I would like to especially thank Mr. C. V. Daniels for his tremendous cooperation in all that we did and Mrs. Helen Page, the teachers, and coaches for their kind dispositions when I ask a favor of them.

And now it is my greatest honor to present to the students of  
BALDWIN COUNTY HIGH SCHOOL the 1965 BALCOALA.

I was sitting by my window watching the deluge of rain outside and a great state of melancholy hit me. It's odd how being inside and listening to the rain pounding to get in will bring back memories. They run from pleasant to unpleasant and back again.

It seems so long since the first day of school when it all started. We were so puffed up with the importance of being great seniors! "Ring Day", when we got our class rings, we couldn't contain ourselves; and many a nose was almost taken off by the rambunctious display of pride.

We hadn't had a chance to settle down when football season sprang on us. Football season---that time of school when the kindred spirits of all classes emerge as cheering, stomping fans. If we won, the fame of Lincoln, Franklin, and John Glenn was pale compared to our worship of the players. If we lost, we had enough "experts" in the stands who could always tell us exactly what went wrong. There were some very exciting games this season, of which the U.M.S. game was one. We were so close to victory that we could smell success; and most of us still hold our ground in saying, "That night, the best team on the field was B.C.H.S."

Our homecoming was wonderful, and we had the best queen and court to ever walk across Simmons Field.

We'll never forget our class meetings which almost always came near the riot level. None can say there wasn't much participation. The one that sticks in my memory is the class projects meeting. I was ready to throw my hands over my head at any minute to protect it from flying objects.

The magazine sale was a whopping success when we went over our \$5000 goal, and this tied the class tighter together as did Senior Tacky Day and the Senior Play.

The play was an all time great, and the rehearsals, unforgettable!

The Junior-Senior Prom is next to spring into my mind. The Junior Class really gave us a beautiful memory to the theme of "Apple Blossom Time". I hope I speak for the whole class in saying that the decorations come second only to last year when we were in charge.

Baccalaureate and Commencement brought us to the end of our days at B.C.H.S. As we marched into the City Hall and later out on the field, there were so many of us that the audience thought the line would never end, and in a sense it never will. The stream of graduates will continue to flow from the hallowed halls of Baldwin and none can love it more than we. We have been a class of change; if we couldn't find a way, we made one. We lived by the old adage, "Where there's a will there's a way", and not one can deny that we had plenty of will.

As I sit here and watch the sun come out I can't help but know that the sun will never set on our years in Senior High. They will glow in our memories forever.
