"... the true discovery of America is before us... the true fulfillment of our spirit of our people, of our mighty and immortal land is yet to come."

--Thomas Wolfe

The American tradition is the future as well as the past. With great courage and dedication, our Founding Fathers established the mighty pillars of the American heritage; it is for each generation to reconfirm this heritage and to enlarge upon it.

It is our country's schools that develop searching and questioning minds fired with the love of freedom and democracy within the American youth. It is these schools which provide the tools and skills necessary for the fulfillment of our sacred charge.

Our school--Baldwin County High School--in the classroom and through student participation in extracurricular activities, strives to instill in every student integrity, character, and an uncompromising loyalty, qualities which build our future and guide the destiny of a great nation.

The Baldwin County High School Class of 1966 proudly dedicates its Balcoala to Mr. O'Neal Messick, in thoughtful appreciation for his resourceful leadership in scholastic and athletic activities.

*In Memory
of our
Classmate*

Gary Wise

During the Thanksgiving holidays, Baldwin County High School lost one of its Junior High students, in a hunting accident. Gary Wise was fond of the out-of-doors, good at sports, and had a cheerful personality. He was liked by all his school mates. Gary, the memory of your friendly ways will always remain here at Baldwin County High School.

Principal's Message

C. V. Daniels

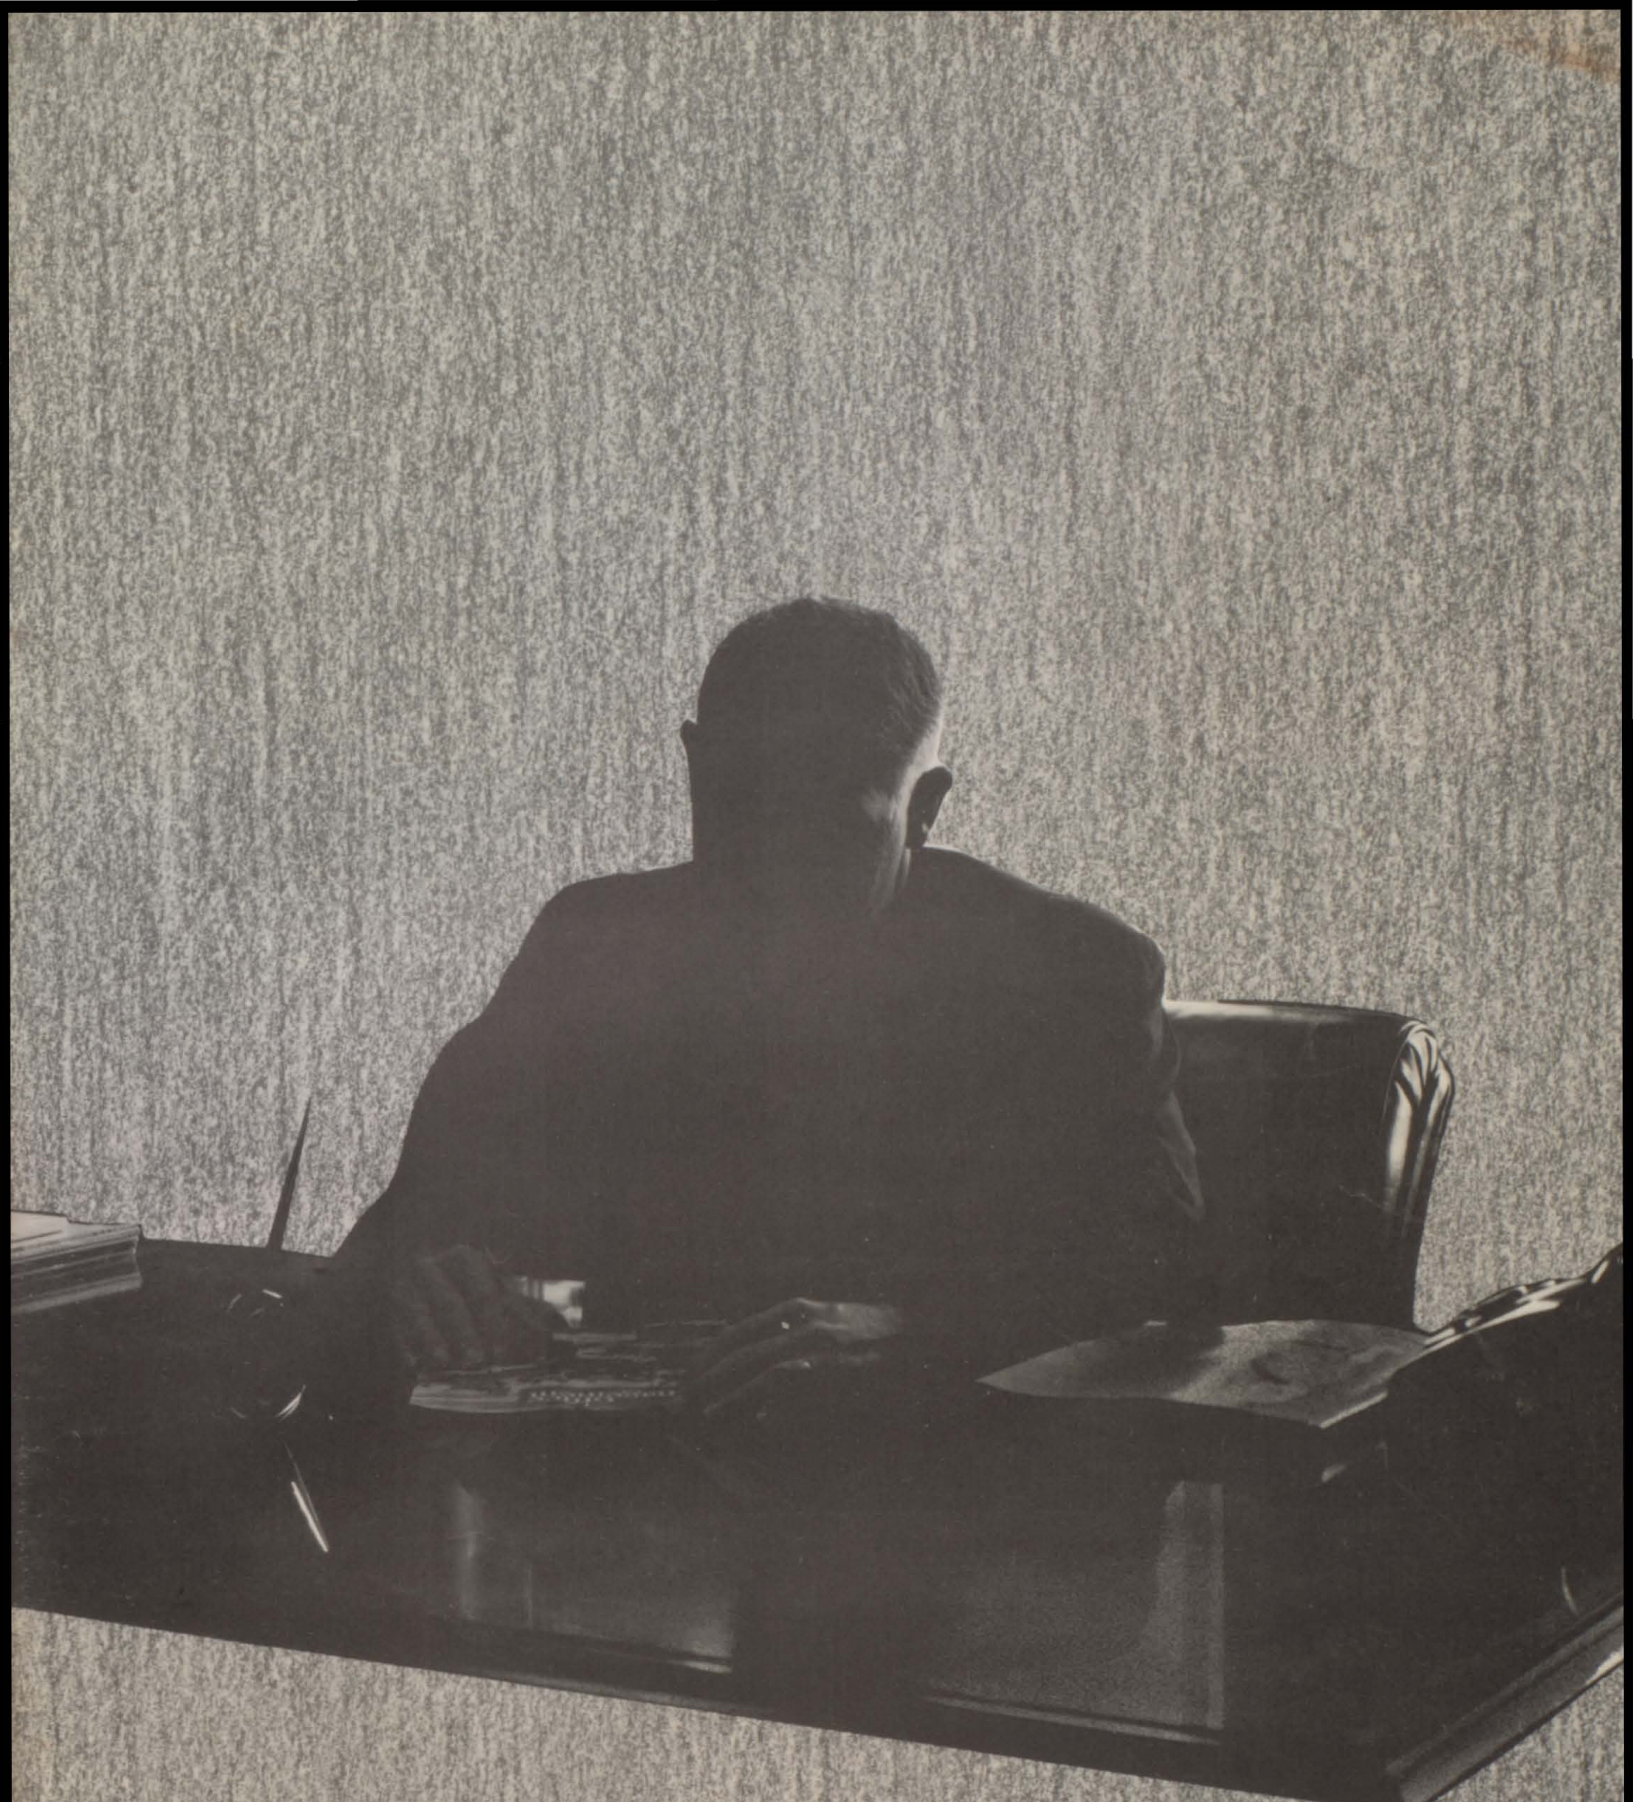

Our Balcoala is a record of many of the activities of our school. The Annual Staff and Senior Class are to be commended for the excellent annual being published this year.

It is hoped that students will take the best things learned here at Baldwin County High School and use them to make a better county, state, and nation.

To remain great, our country needs well trained men and women who strive to uphold its ideals and to utilize their talents for the benefit of mankind.

Best of luck, students.

Senior Class

of 1966

This year was a year of many changes for the students and faculty of Baldwin County High School. To begin with, our new gymnasium, which had long been a dream of all at B.C.H.S., was completed and ready for us to use. There were many new faces of students as well as teachers to get to know.

In the spring of the year, our principal, Mr. C.V. Daniels was promoted to a new job; and Mr. Williams, our assistant principal moved up to fill this position.

To Mr. Daniels, we would like to say thank you for the times you have understood, helped, and consoled us. We wish you the very best in your new position.

We would like to thank Mr. Williams for his help so far. Along with our thanks we give you our best wishes; knowing that Baldwin County High School will go far under your leadership.

This year at graduation, Glenn Weekley, the senior class president gave the graduation address. The following are excerpts from his speech.

We are together for our last time. At last we have arrived at the goal which four years ago seemed so very far away. We have labored together with common interests toward a common goal. We have shared one another's joys and sorrows; successes and failures. We have learned together and even now we see the profit of an education. After all of this it is hard to say good-bye. Tonight we realize at last, a measure of the success for which we have been striving. But, alas, with this realization comes the necessity of parting. Henceforth, our paths may grow widely apart and what has been a happy, united group may become only a delightful memory. But this memory will ever remain. In triumph or failure, wealth or poverty, sickness or health, the bright recollections of the class of 1966 will never fade. In our hearts we shall never be divided.

Now that we have reached a great milestone in our lives, will this be the end of our accomplishments? Are we going to limit our potential ability? I urge you to let this not be the end of your accomplishments. Let it only be a beginning. I challenge you to set your goals high and strive for that goal until you have reached it. Life is what you make it, happy or miserable. We have been to school twelve years. If during these years of preparation, we have learned how to work, how to concentrate on difficult problems, how to search for truth, and how to make steadfast friends, the ripper gifts will come of themselves, just as soon as we learn to apply the lessons of our high school life to the weightier problems of life.

As we step out of this gymnasium tonight we step into a land of opportunity. We live in the greatest nation in the world, The United States of America. Let us be thankful to God for this, and take advantage of every opportunity God grants us; remembering the words of the greatest man who ever lived, "Seek and ye shall find." Failure comes easy; success comes hard. But, if we want success in our lives we must "Climb every mountain, Search high and low; Follow every by way, every path you know. Climb every mountain, ford every stream; follow every rainbow 'till you find your dream."

Class Prophecy

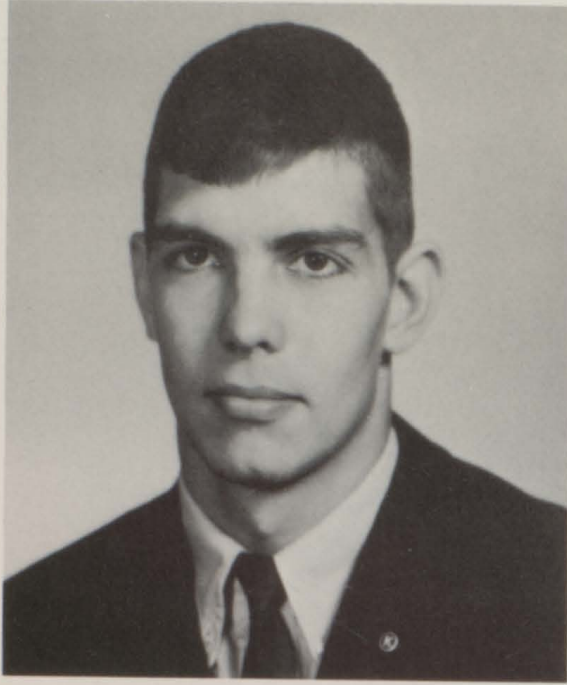

The year is 1967. Ten years have lapsed since our graduation, we find that:

- Willie McCaw is caretaker of the worlds first all-squirrel zoo.
- Eddie Page is the official French Horn blower for the Baldwin County Fox Hunter's Club.
- Peggy Owen has taken over the Coca-Cola Company and now produces only Tabs.
- Max Middleton is now sporting a garden-flowered paisley-trimmed-in-chartruse Henley styled shirt created from the remnants of cloth found on the skeleton of an Indian he discovered on an archeological dig; consequently he is now Europe's leading 'haute couturier.'
- Ann Akers is now supplying all the love and attention that thirty-nine orphans could need or want. Of course, we forgot to mention the guy in charge of the orphanage--does he require special attention?
- Raymond Wasdin has found it necessary to officially hire Dan Stuckey and Ray Wilson as his personal bodyguards
- Carol Anne Cooper has finally decided to rid her conscience of the cardinal sin she committed upon entering the forbidden area of the bathhouse.
- Jimmy Hartner has linked his name with David Livingston, trudging through the jungles, oblivious to the chaos he has left behind-RACKARD!!
- Genise Lyles just had her 19th nervous breakdown.
- Pat Langley has revolutionized the entire concept of baseball. She has made men obsolete.
- Glenn Weekley is manufacturing jig-saw puzzles.
- Johnnie Rieben has had another accident. It seems a giant German Shepherd overturned his volkswagon and the insurance company can't figure out how to make the dog pay for the damages.
- Ken Arant is now lie detector for the Federal Bureau of Investigation.
- Donnis Scruggs has now replaced Frank Fontain as Crazy Guggenheine on the Jackie Gleason Show.
- Bobby Harrelson, who has come before the Senate Investigation Committee for failing to register as an alien being, has just been reprimanded by the head of the committee for cupping his hands to his mouth, the gesture so popularized by the BCHS class of '66.
- Ginger Gandy and her gander are well up in the world after finding their 26th oil well. Their goslings are being spoiled by the richness to which they are subjected.
- Dianne Coker is playing London Bridge with all her little Bridges.
- Louise Ruple has finally decided that the only way to live down her J.Q. nose is to become a recluse.
- Walt Zehner has been expelled from the Harvard School of Physics for skipping his 178th class and going bowling.
- Bill Bozone and Lynn Hastie are to be congratulated for winning the U.S. Tennis Championship in the mixed doubles division.
- Mickey Nix has just proven that a persistent tom cat DOES catch his mouse-(if the mouse is persistent, too.)
- Linda McMillian has struck a bonanza, complete with "Little Joe."
- Reports from Mayo Clinic reveal that Deborah Mashburn has lapsed into a prolonged psycho-somatic trauma from which she is not expected to emerge.
- Carol Lindsey has been fired from her job as interpreter to the U.N. for adding a few choice adjectives of her own in the translations.
- Carol McGill, famed technologist, has discovered a cure for jungle rot.
- Harry Still has just signed a contract with MAD magazine after a scout discovered his dignified poses in the 1966 Balcoala.
- Dicky Stark has moved to the North Pole where he has changed his name to "Saint Dicky Claws".
- Pam Parker is still in hot pursuit of the BARBAR of Seville in her ROW boat.
- Diane Thomas is jealous of the women of the church because of the special counseling service provided by the minister.
- James Smith has been exiled for an attempt at overthrowing the U.S. government for a military coup.
- Bill Young has retired from his job as lifeguard at Bay Minette Youth Foundation and has dedicated the rest of his life to doing science projects.
- June Weekley has married that "movie Star" and moved to Hollywood to star with him in his latest movie since she had so much experience in acting.
- Sabra Quinley has her name in lights on Broadway as a result of her magnificent performance in the high school production of "Aunt Tillie Goes to Town".

This annual has been a pleasure to publish and we have tried to make it tell the story of Baldwin County High for the year of 1966. There are many ways for improvement, but when you read it maybe you will find your favorite part of the year recaptured for you to see again.

Everyone on my staff tried very hard to make this annual, and I would like to thank all of them for their cooperation and work. I would also like to thank the teachers who helped out in every way. Our biggest thanks go to Mr. Daniels, Mr. Williams, and Mrs. Page, whose valuable assistance made this yearbook possible.

Now it is my pleasure to present to the students of BALDWIN COUNTY HIGH SCHOOL the 1966 BALCOALA.

ACTIVITIES

Where Is

The Mayor?

Where is the mayor?

This year, the Choral Department at B.C.H.S worked many long and tiring hours to present a musical, "Where is the Mayor?" Under the direction of Mr. Bobby McCullar the department gave a most outstanding performance. All of the actors and those who helped certainly did a fine job, and everyone really did enjoy the play.

The cast and the orchestra.

Aunt Tillie Goes to Town

None of the seniors that took any part in the senior play will ever forget the wonderful fun and the hard work that went into "Aunt Tillie Goes To Town." Mrs. Marshall worked hard, sometimes feeling it was hopeless, to get the "actors" ready for the performance. Mr. McCullar gave up many hours to help the seniors and gave many vital hints. The words "thank you", for their help, can hardly express the thanks that all of the members of the cast feel.

No one will ever forget the lines:

"Somebody stole my clothes"

"Be careful. You're dropping the barrel."

"No be flaid, ladee. Mee new cookee."

"Oh, I'm simply hysterical."

"Oh, so I'm yellow and fuzzy, am I?"

"You make me feel like a two year old, Tillie."

"Who is this person? Where is my nephew, Mervin Tucker?"

"(Tearfully) I don't know anything about any other men."

"You see, I've been abroad for the past three years."

"Uh-hum, I'm delighted to see that you haven't lost any time."

"Uh, Lucinda, Uh, I've got a question, Uh-uh-uh, to ask, u-u-Ohhh, you."

Play practice.

Members of the cast were:

Tillie Trask - Carol Anne Cooper

Lucinda Talbot - Sabra Quinley

Pamela Marsh - Charlotte Emmanuel

Lizzie Parsons - Peggy Owen

Ellen Neeland - Deborah Mashburn

Ronald Howland - Danny Blackmon

Luther Lorrimer - Glenn Weekley

Mervin Tucker - Ken Arant

Charlie One Lung - Donnis Scruggs

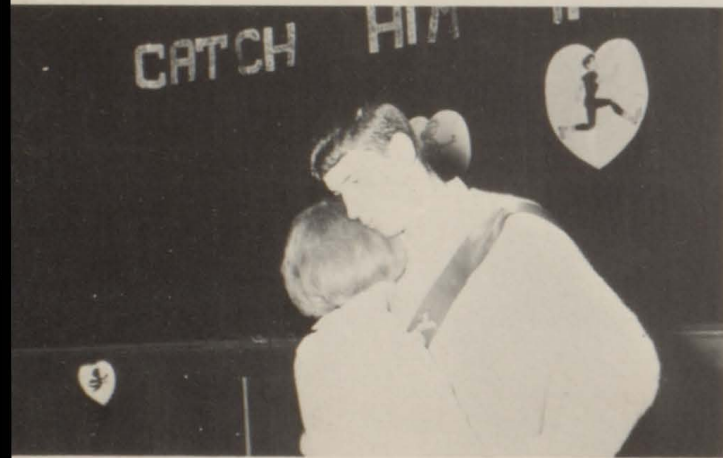

Mrs. Tillie Tucker - June Weekley

Dr. Hattie Bing - Linda Countryman

Danny Maguire - Gene Barbarow

Couples enjoy the beautiful prom. The theme was "Carousel."
