Once upon a time in far-off elementary
land, there lived a group of future seniors
of B.C.H.S.

Through the years
these boys and girls
have proved that

The Class of 1967 of the Baldwin County High School is to be congratulated for the many fine things that it has done to help make Baldwin County High School a better school. The wonderful school spirit that has been developed during the last few years is outstanding.

Education is not a destination but a journey along a friendly road. Your graduation from this school is an important milestone along this journey. It is our hope that you will continue your education.

Your school has a right to expect from you a life filled with hard work, fine thoughts, good deeds, love of your fellowman, and an abiding faith in God.

We wish for all of you the very best in the years ahead.

Sincerely,
W. Chandler McGowan
Superintendent

The past year has been one of the most gratifying of my life. The privilege of working with the students and faculty, and especially the graduating seniors of Baldwin County High School, has been a challenge and a pleasure that I have never enjoyed before as a teacher, coach, or as principal.

From the beginning of the school year, when the administration and faculty adopted the theme—“TO PROMOTE A BETTER SCHOOL SPIRIT,” the student body “latched on” and has helped carry it out. The winning season in athletics and success in other extra curricular activities has been a direct result of an improved approach to a better school spirit and cooperation. It seemed as if everyone, student and teacher, attempted to understand each other better and as a result—a better learning atmosphere.

The Annual Staff and the Senior Class of '67 are to be commended for this very fine annual they have published. The BALCOALA is a record of the activities of our school—its accomplishments, its spirit. We know you will be proud of of this record as it speaks for it speaks well.

We, the faculty, hope that the graduates have gained the amount of knowledge that is necessary to live a full and happy life. If we have helped you in any way, it has been a privilege. Good luck, and may God bless you.

WHAT IS GRADUATION?

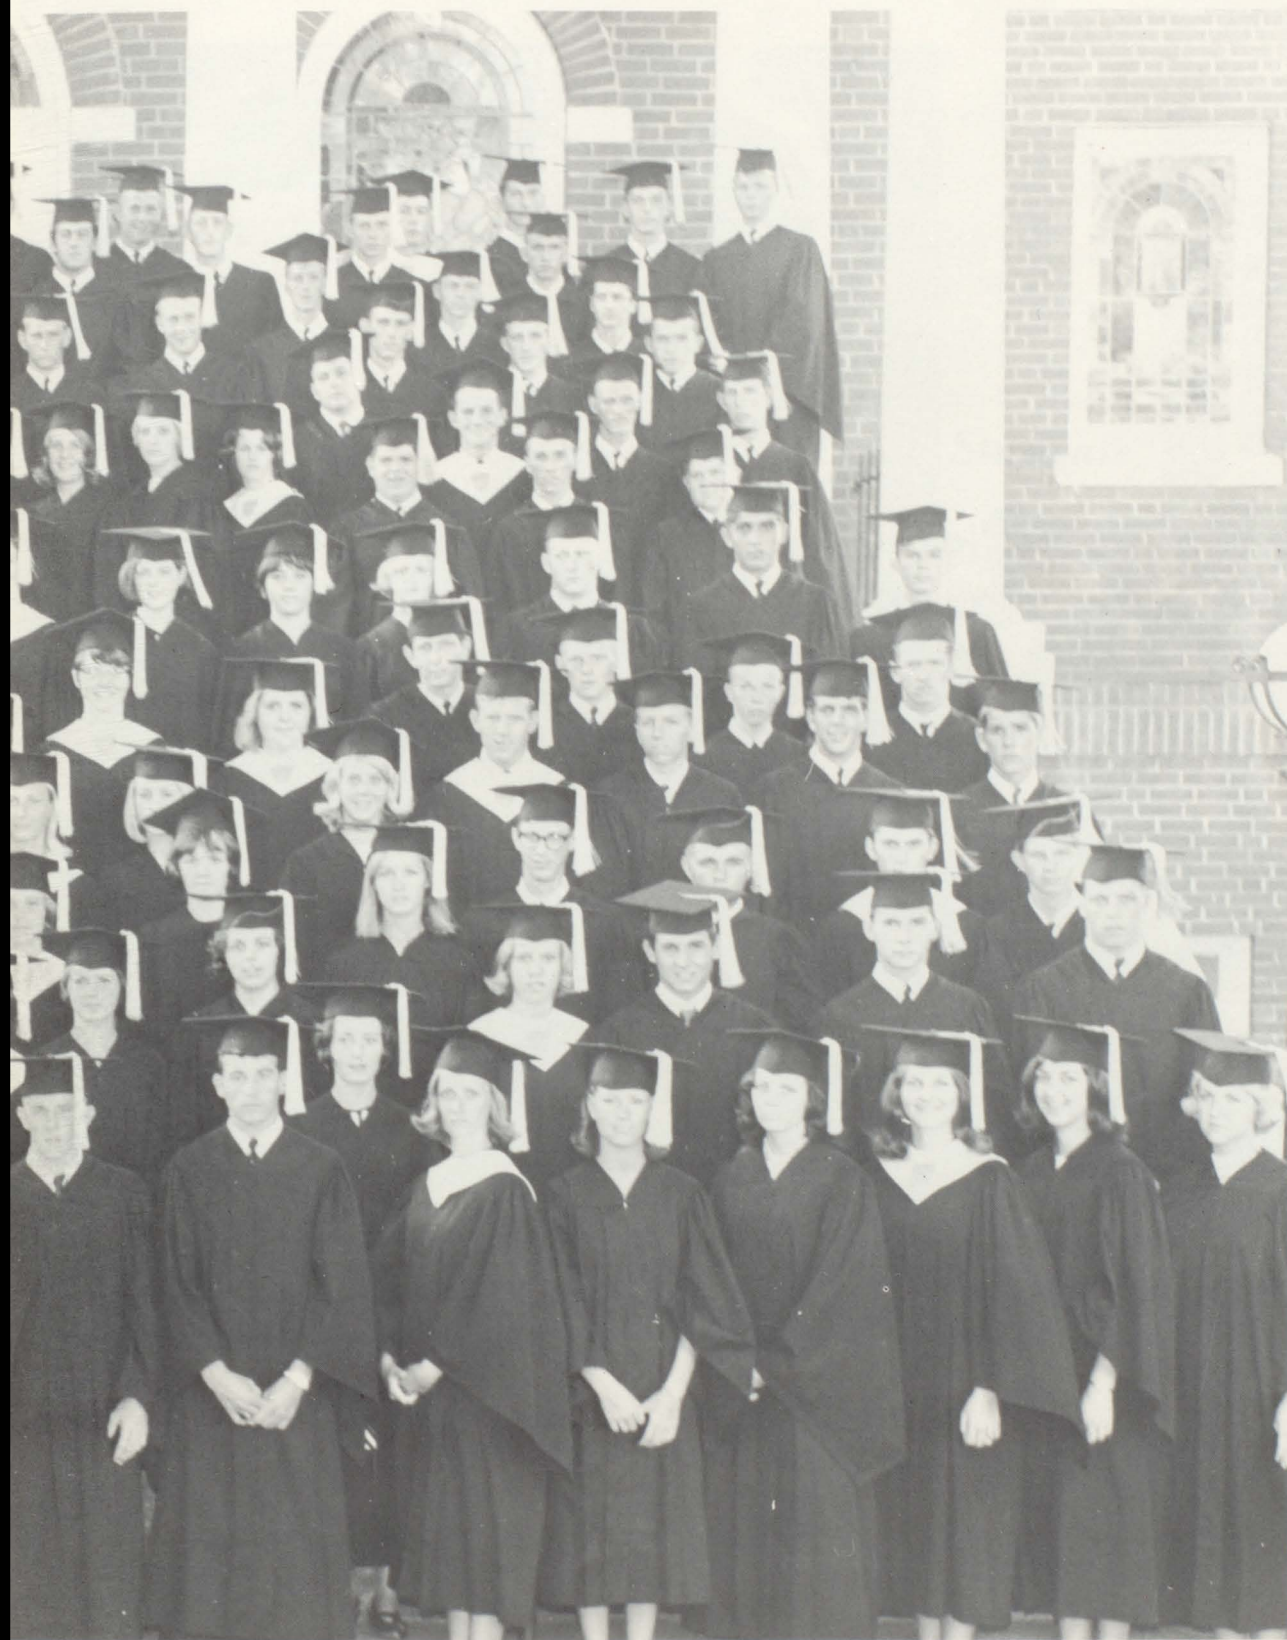

Graduation is an end,
But also a beginning . . .
The start of all the dreams
That every graduate is spinning.
Graduation is sighs and laughter
Mingled liberally with tears,
Lingering memories of one's sharing
Life with classmates through the years.
Graduation is conclusion
Of one big phase of work and fun,
A milestone passed, new things begun.
Graduation is excitement,
Speeches, farewells
And applause, diplomas
And a mortar board . . .
The gate to pathways unexplored.

Graduation Speech

We say farewell with a mixture of emotions. There is joy because this is our day of graduation. There is sorrow because we are parting from many good friends. There is satisfaction because graduation represents a noteworthy achievement. There is a deep feeling of gratitude for all that has been made possible for us by you, our parents, teachers, and friends.

The world is waiting for us. We can make of life what we want, happiness or misery. I personally challenge each person here to do his best.

I challenge every heir of wealth to achieve something that will make the future point to you with even more pride than the present is pointing to those who have gone before you.

I challenge every young woman to make your life a masterpiece upon which your future family can be built.

I challenge you who think life is dull to start a fight. I challenge you who are weak to be strong; you who are dull to be sparkling; you who are slaves of the world to be rulers of it.

I challenge you, whoever you are, to share with others the fruits of your daring. Catch a desire for helping others and a richer life will come back to you.

As we part our ways I hope that we may be forever held together in spirit by the pleasant memories of our high school days and our common desire to accomplish something. Thank you for providing good homes and schools for us and for being here with us tonight.

U.M.S. 13

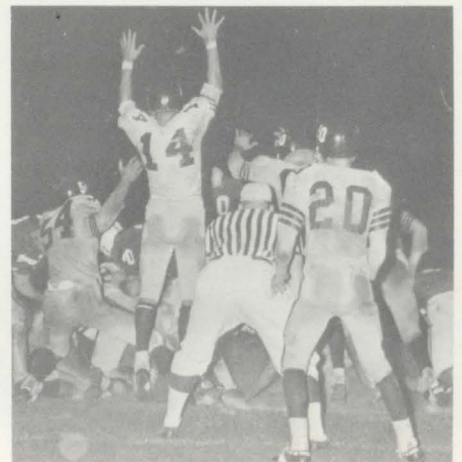

The tigers traveled to Mobile to get their season underway with the tough U.M.S. Cadets. The tigers found the going rough, but with the help of a kick-off return the tigers managed to eek out a victory.

B.C.H.S. 13

M. Montgomery 0

The tigers came out of their den to meet a more formidable opponent at this their second outing. They were up against a team which had lost only one game in the last three years. The tigers struggled with the Vikings the first half and managed only a couple of first downs.

Some people will call the 4th quarter the tigers "Finest Hour". In this quarter, the tigers ran head-on into the touted Viking defense. The tigers rammmed two touchdowns and beat the Vikings 13 to 0.

Fairhope 6

With a couple of victories under their belt, the tigers met the Pirates of Fairhope. A little over-confidence showed that night and the tigers went into half-time with a 6 to 0 deficit to make up. In the final two periods the tigers pushed over a couple of touchdowns and sunk the Pirates, 13 to 6.

The going gets rough

The tigers, with a three game winning streak, skinned the bears at Simmon's Field. The tigers exploded offensively, making five touchdowns.

B.C.H.S. 37

W. S. Neal 0

With memories of 55-0 and 34-6 defeats, the tigers took sweet revenge. The tigers showed an explosive offense as well as an awesome defense. When the whistle sounded, the tigers had clipped the Eagles 37 to 0.

The tigers, ranked first in their region, faced the hapless but not helpless Rebels of John Shaw. The rebels, losers in all of their previous outings, showed a display of both offense and defense, but finally succumbed to the tigers.

They say, "You can't win them all" and the tigers found themselves at that given place on a certain night.

The tigers battled from behind all night to stay up with their lucky cat member, but the lions managed to get the best of them.

B.C.H.S. 21

Theodore 0

The tigers were all offense in the first half and all defense in the second. They handed the Bobcats a 21 to 0 licking.

Atmore 6

The tigers ended their season on a sour note. They had everything but a little luck. The tigers got inside the 30 yd. line of the devils 5 times, but were unable to cash in the paydirt. The Devils crossed the mid-field stripe two times and scored.

The tigers ended their season being ranked 4th in the state. This was due mainly to a great coaching staff headed by Coach Underwood and a fine group of boys.

B.C.H.S. 41

Flomaton 0

There is a saying in the jungle that a wounded tiger is twice as dangerous.

The hurricanes from Flomaton found this fact to be true. The tigers blew the blown out hurricanes out of the field with a score of 41 to 0.
