Honoring Past and

The Veterans' Day program, on the eleventh of November, reaffirmed the virtues of the love of God, home, and country. The student body and faculty assembled in the football stadium to honor the memory of those who have defended and protected our country while serving in the Armed Forces.

To the stirring strains of "The Star-Spangled Banner" played by the band, "Old Glory" was slowly raised; after which Joseph Rhodes, Senior Class President, led the student body in the pledge of allegiance to the Flag. The Triple Trio's rousing rendition of "This Is My Country" further set the tone for this commemorative occasion.

Hal Bryars, president of the Student Council, introduced the speaker, the Honorable Judge Telfair Mashburn, who choose as his subject, "Viet Nam." After relating the events leading to our involvement in the conflict, he explained why, in his seriously considered opinion, it was essential to the welfare of our country that the spread of communism be stopped in Southeast Asia.

Inspired by the patriotic music and speeches, those assembled went forth with a feeling of gratefulness in their hearts for the privilege of being American citizens and the fervent hope that they would prove to be worthy of this blessing.

FACULTY

Superintendent Tours Germany

Superintendent of Education, Mr. W. Candler McGowan, heads a system that is recognized by educators as one of the best in the country. Before receiving his appointment as superintendent, a post which he has held for fifteen years, he served Baldwin County schools as a teacher and principal. He holds a Bachelor's degree from the University of Alabama, a Master's degree from Columbia University, and has done further work at that institution.

His administration has been characterized by progress and growth. Expanding student enrollments are reflected by the increase in the number of teachers from 328 to 558. Nine years ago six high schools in the county were accredited. Well-equipped gymnasiums have been added to the senior high schools; a new school established at Spanish Fort; and the Materiel Center, which provides a mobile service for twenty-eight schools in the county, was built in Bay Minette.

Mr. McGowan was chosen as one of thirty school administrators in the United States to participate in the International Field Study of the American Association of School Administrators. This group spent three weeks in the summer of 1968 touring Germany for the purpose of studying the school systems.

Mr. W. Candler McGowan

Mr. Emanuel Davidson

Mr. Emanuel Davidson, Chairman of the Baldwin County Board of Education, has served on the board for more than a decade. During this time much progress has been made. His support of the schools and his services have benefited thousands of boys and girls in the county.

Mr. Williams Introduces Changes

In 1948 Mr. Williams came to our school as a coach and high school teacher. Two years later, he was appointed assistant principal and served in that position for sixteen years before assuming the principalship in 1966.

During his two years at the helm, the school has experienced much growth and advancement. Three new classrooms have been added, a new public address system installed, halls and old classrooms re-tiled and painted, lockers relocated, improvements made on the athletic fields, and a three-year beautification program of the school grounds begun. A drivers' education course, Agriculture III, Home Economics III, and reading courses have been added to the curriculum.

Mr. Wallace R. Williams, Principal

Mr. O'Neal Messick, Assistant Principal

Mr. O'Neal Messick joined the faculty of Baldwin County High School in 1959 as a math teacher. He was assistant coach for one year before becoming head football coach. In 1966 he was appointed assistant principal in charge of the Bay Minette Grammar School.

Counselor Assists Students

Arnold Davis, Bo White, Delores Hadley, and Jane Knight are aided by Mr. Yokel.

Mr. William Yokel, guidance counselor, is completing his second year at Baldwin County High School. His office is an important one in our school, especially for the senior high students. The many questions facing the students are wisely thought through before they are given an answer by Mr. Yokel. Visits to the classrooms for important talks with the students, group and individual testing, and the keeping of the many records make up the busy schedule of our counselor. His office is also the headquarters for club activities. He supervises the membership of eighty clubs which meet at a regularly scheduled time.

Mrs. Bryan Matthews, Mrs. James Harris, and Miss Harriet D'Olive make up the office staff. A student wishing to see the principal, a parent calling to reach a child, a summons from the principal's office for secretarial help, and record keeping are all duties assumed by this office.

A new position added to the system this year is that of teachers' aid. Miss Harriet D'Olive fills this position. Her duties consist of assisting the teachers in the typing and "running off" of work for the classroom.

Mrs. Matthews, Miss D'Olive, and Mrs. Harris are kept busy at B.C.H.S.

Other Employees Acknowledged

Approximately 650 students are transported daily to our school. Safety, through careful planning, has been achieved.

Mr. J. C. Jones is head of the maintenance staff. He has held this position for eight years. He is accustomed to urgent calls from teachers and can solve many pressing problems.

Mr. Percy Stewart has been with the Maintenance Department for twenty-one years and is a familiar sight on the campus.

Mrs. Marie McKay, manager of our school cafeteria, serves hot, well-balanced meals each school day.

Busses transport half of our student body.

Mr. Jones heads the Maintenance Department.

Mr. Stewart has been at B.C.H.S. for 21 years.

Cafeteria serves the students at lunch.

English Is Basic to Learning

Mrs. Bryant heads English Department.

Fundamental to all learning are the skills taught in the English classes — listening, speaking, reading, writing, critical thinking, and evaluation. Recognizing the fact that it is vital to the welfare of all peoples of the world to be able to communicate successfully, the eleven Baldwin County High School English teachers continually strive to promote the mastery of the English language. Twelve hundred students are instructed daily in the fifty heterogeneously arranged classes in the seventh through the twelfth grades.

The teachers participated in the county-wide workshop, held in connection with a study of the English programs of six Southeastern states, during the summer of 1967. Follow-up work has continued in the in-service meetings throughout the year. The addition of the developmental reading program has greatly strengthened that area. Many students take part in the English-related clubs, activities, and organizations.

World Citizenship Stressed

To teach respect for law, institutions, and develop pride in the Nation's past history are the aims of the social sciences. These ideas are included in the study of American citizenship. American citizenship is national in scope, and it includes participation in a complex but unified world. Citizens' responsibilities today are complex, as the United States is no longer isolated by two oceans; and a closely knit world of national states is necessary.

Ten teachers teach 1,056 students in forty-two classes during seven periods a day. These students take one or more of the following courses: American history, world history, Alabama history, civics, American government, or communism.

Mr. Price heads the Social Science Department.

MRS. WINONA WRENN, Social Studies, Government, Economics; Duke University, A.B.; Travel Club.

MRS. HELEN BLACKMON, Social Studies; Troy State University, B.S.; Junior High Drama Club.

MRS. MARY CARSON, Civics, Alabama History; Auburn University, B.S.; Drama Club.

MR. GEORGE PRICE, American History; University of Mississippi, B.A.; Student Council, Debate Club, International Relations Club, Head of Department.

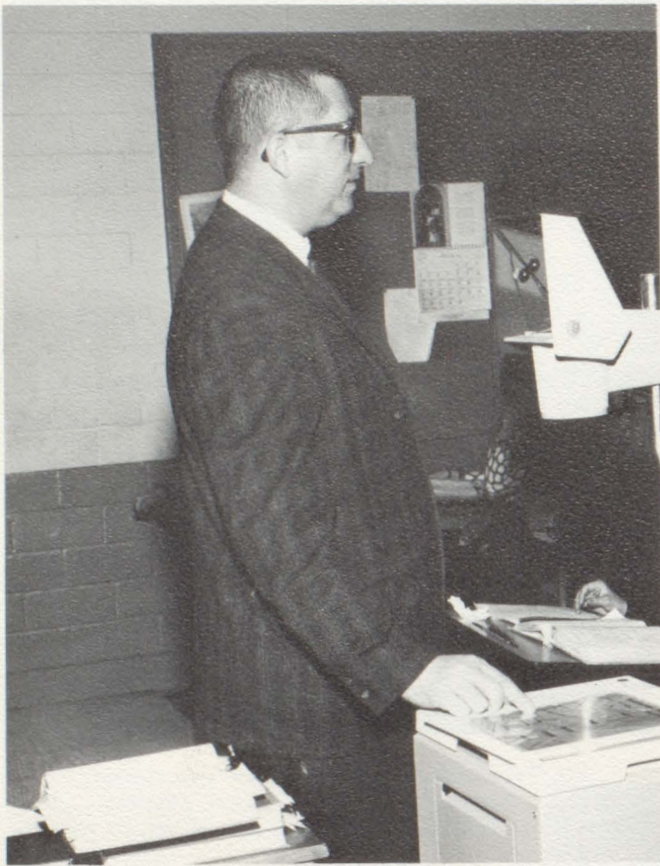

MR. JAMES TRIMM, World History; Florence State College, B.S.; Interact, Medical, Camera.

MRS. PATSY WHITE, Social Studies; Troy State University, B.S.; Junior High Art Club.

Math Department Changes Approach

MR. McDANIELS heads the math department.

The Mathematics Department is in its fourth year of transition from the old to the new "modern" concept of teaching mathematics. Eventually all grades (one through twelve) will be involved in this modern approach, which the administration and faculty strongly believe will enhance the students' abilities to think and to reason things out for themselves.

Eight instructors offer the following courses: Junior High one, two, and three math, Algebra 1, Algebra 11, modern algebra, plane geometry, solid geometry, and trigonometry.

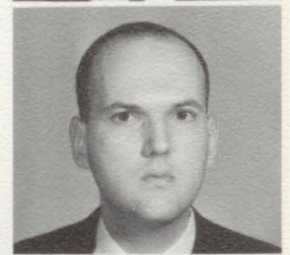

MR. JAMES GLASGOW, Math, Geometry; University of Alabama, B.S.; Fishing Club.

MR. GHERLIN McDANIEL, Math; Troy State University, B.S., M.S.; Key Club, Hunting Club; Head of Department.

MR. JULIUS PENNINGTON, Business Math, 9th Math, Science; Auburn University, B.S., M.S.; Bible Club.

MRS. SUE STEPHENS, Math; Troy State University, B.S.; Future Nurses' Club.

MRS. FLORENE STRONG, Math; Livingston State College, B.S.; Sewing Club.

MR. McARTHUR TISDALE, Math, Algebra; William Carey College, B.S.; Hunting Club.

Films by Dr White Purchased

New supplies including chemicals, various types of electrical equipment, films by Doctor White, several compound and stereo microscopes, and an autoclave have been added to the Science Department. Seven teachers teach a total of thirty classes of junior high science, biology, senior science, chemistry, and physics. The Science Department strives to bring the students to the realization of the part that they play in the chemical, physical, and biological world of science. Equipment with the basic understandings of science, the student can better adjust to the environment in which he lives.

MRS. CLARA BOLON, Science; Alabama College, B.S.; Junior High Science Club.

MR. BOBBY JOE HALL, Science, P.E., Coach; Livingston State College, B.S.; Boys Athletic Association.

MISS LILLIAN LEONARD, Science; University of Alabama, B.S., M.S.

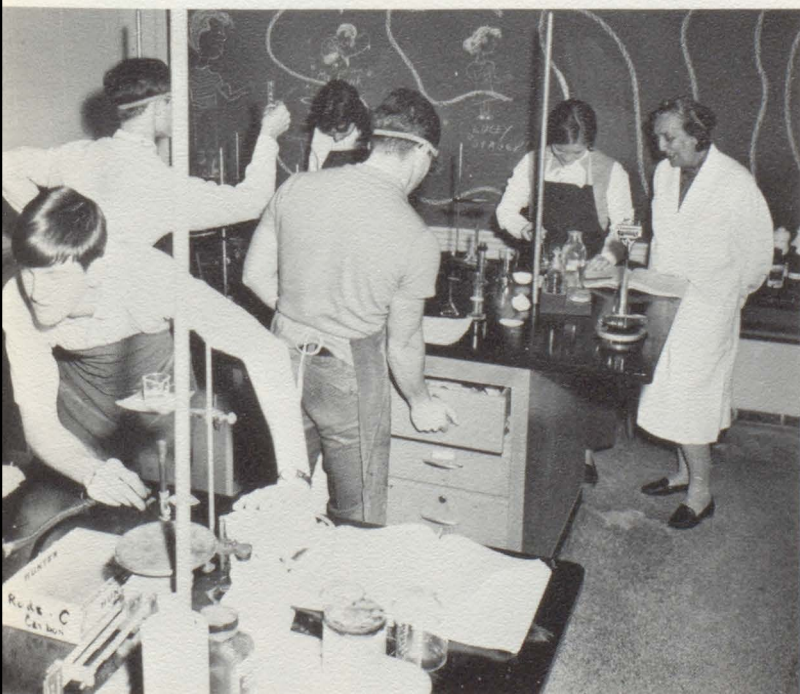

Miss Leonard heads the science department.

MR. TIMOTHY REED, Science; Georgia Tech, B.S.; Junior and Senior High Boating Club.

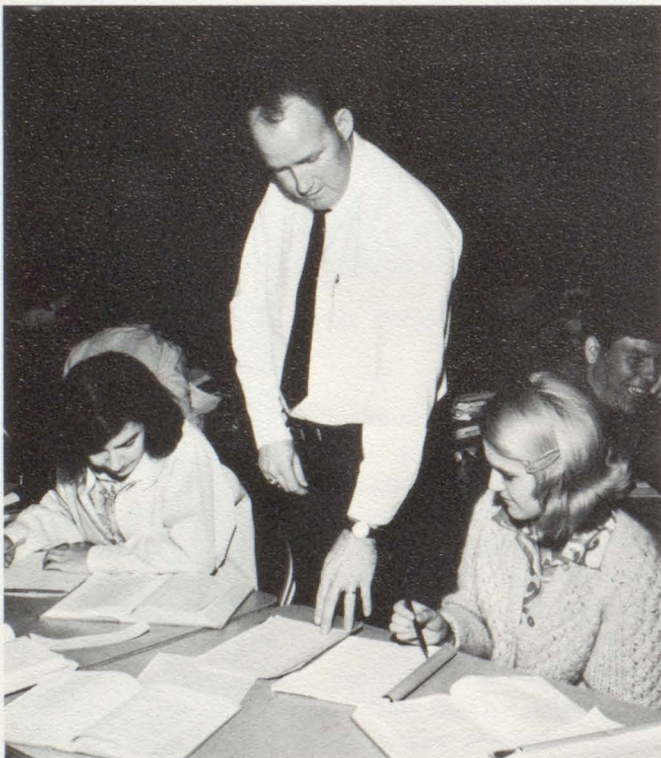

MR. EUGENE STEWART, Biology; William Carey College, B.S.; Hunting Club.

Two New Teachers Added to Staff

Basic business education is important for all and should not be considered separate from the total sphere of other general education. Business education is, and should be, vocational. The program provides for specialization to such an extent that it will develop occupational competencies. Additions to the Commercial Department this year included two new teachers. Preparing 434 students for careers in automated offices, the four teachers of the Commercial Department teach bookkeeping, business math, shorthand, and typing.

Mr. Dukes aids students.

MRS. MARY HAZEL MESSICK, Typing; Troy State University, B.S.; Secretarial Club, Head of Department.

MRS. SHIRLEY SCOTT, Typing; Alabama State College, B.S.; Secretarial Club.

MR. CHARLES DUKES, Bookkeeping, Business Math; Troy State University, B.S.; Hunting Club.

MISS SANDRA HALL, Shorthand, Typing, P.E.; Livingston State College, B.S.; Majorette Club, Secretarial Club.

Planned Action Develops Bodies

Mr. Robinson heads P.E. Department.

New Health books were added to the Physical Education Department this year. Twelve hundred and fifty students are enrolled in the seven classes taught each day of the week. The program has been broadened to include the following classes: volleyball, soccer, softball, hockey, basketball, track and field, first aid, tumbling, and wrestling. Believing in the developing of the body as an important part of a students' education, the faculty strives to make the program fit the needs. A new gymnasium makes it possible to have a really effective physical fitness program. Seven teachers make up the staff of this department.

Girls play basketball.

MISS SHARRY McDILL, P.E.; William Carey College, B.S.; Pep Squad, G.A.A., Cheerleaders.

MRS. ALEXZENE MINOR, P.E.; University of Alabama, B.S.; Pep Squad, G.A.A., Cheerleaders.

MR. CHARLES PRIDGEN, P.E.; Livingston State College, B.S.; B.A.A., Coach.

MR. THOMAS ROBINSON, P.E.; Livingston State College, B.S.; University of Alabama, M.Ed.; B.A.A., Tennis, Head of Department.

Modern Lab Enhances Learning

Miss West instructs the students.

Modern day living focuses attention on the necessity of pursuing studies in foreign languages. In various courses, especially those in science, engineering, history and foreign relations, and commerce, they are of great importance.

Courses in French and Spanish, emphasizing the basic structure patterns of these languages, are offered. Correct pronunciation is practiced through dialogues and oral drills in the language laboratory. The traditional two-year program is being expanded to further study.

Agriculture Now Agri-Business

Vocational Agriculture at Baldwin County High School is expanding from agricultural production to Agri-Business. Due to the rapid changes occurring, educational needs and demands in vocational agriculture have changed also. The vocational education curriculum of Baldwin County High School includes the following occupational fields: agriculture production, agricultural supplies, agricultural mechanics, agricultural products, ornamental horticulture, agricultural resources, forestry, and pre-professional agriculture.

VIE Gives Students Experience

MR. JEROME KLEIN, VIE; Troy State University, B.S.; George Peabody University, M.A.; Vocational Industrial Education.

VIE gives the student practical and theoretical training for a specific occupation. It offers an opportunity to the employer to discover and to train future employess. It keeps the school informed with business and industrial developments and it enables students to graduate from high school with experience in a definite occupation. The VIE program helps students adjust to the demands that life has to offer after graduation.

Student Wins County Beef-Cook-Off

MRS. JANE JONES, Home Economics; Auburn University, B.S.; F.H.A.

Sewing, food and nutrition, family budgeting, home management, personal grooming; and family relationships are some of the areas covered by the Home Economics Department. Home Economics I, II, and III are offered to the students in grades 10, 11, and 12. A fashion show presented each year to the Parent-Teacher Association gives the girls a chance to show their accomplishments in sewing. A county beef cook-off is held each year. Each student entering selects the dish they wish to prepare, and the county winner enters the state competition. A Mother-Daughter Banquet is an enjoyable social event of the year. The students are responsible for the decorations. The table arrangements are always a work of art.

Band and Chorus Rated Superior

A new member of the faculty this year is Mr. Herbert Lawley, choral director. He is a graduate of Mobile College and holds an A.B. degree.

Three junior high choruses, SSA, SATB, and Triple Trio are under his direction. A Christmas program for the Parent-Teacher Association, a spring festival, music for the Easter sunrise service, and music for graduation exercises are some of the activities of these groups. The hard work during the year earned a superior rating for the SATB and the Triple Trio, which gave them a chance to enter the state competition.

HERBERT LAWLEY, Choral Director

The band under the direction of Mr. James Harris had a most successful year. Football spectators looked forward to the half-time performance of the marching band. The conscientious work on concert music was rewarded with a superior rating which gave the band the honor of entering the state competition. Other activities for the year were a program for the Parent-Teacher Association, spring concert, and music at the graduation exercises. Mr. Harris is a graduate of Livingston State College, where he received his A. B. Degree.

JAMES HARRIS, Band Director

Driving Skills Taught

ROY DYESS, JR., Livingston State College, M.S., Car Club.

For the second year Drivers' Education courses continue to interest the beginning drivers. Knowledge of an automobile, how to change a tire, and safe driving practices are important parts of this course. Two cars are available for these classes.

Library Is a Busy Place

One thousand new books were added the library shelves this year bringing the total number of books to seven thousand. These books and sixty magazines are available to the students.

Approximately 1600 books are checked out each month. Fifty students are assisted daily with research work. Fifteen students work in the library to assist the staff and students.

ACTIVITIES

The Rain Fell,

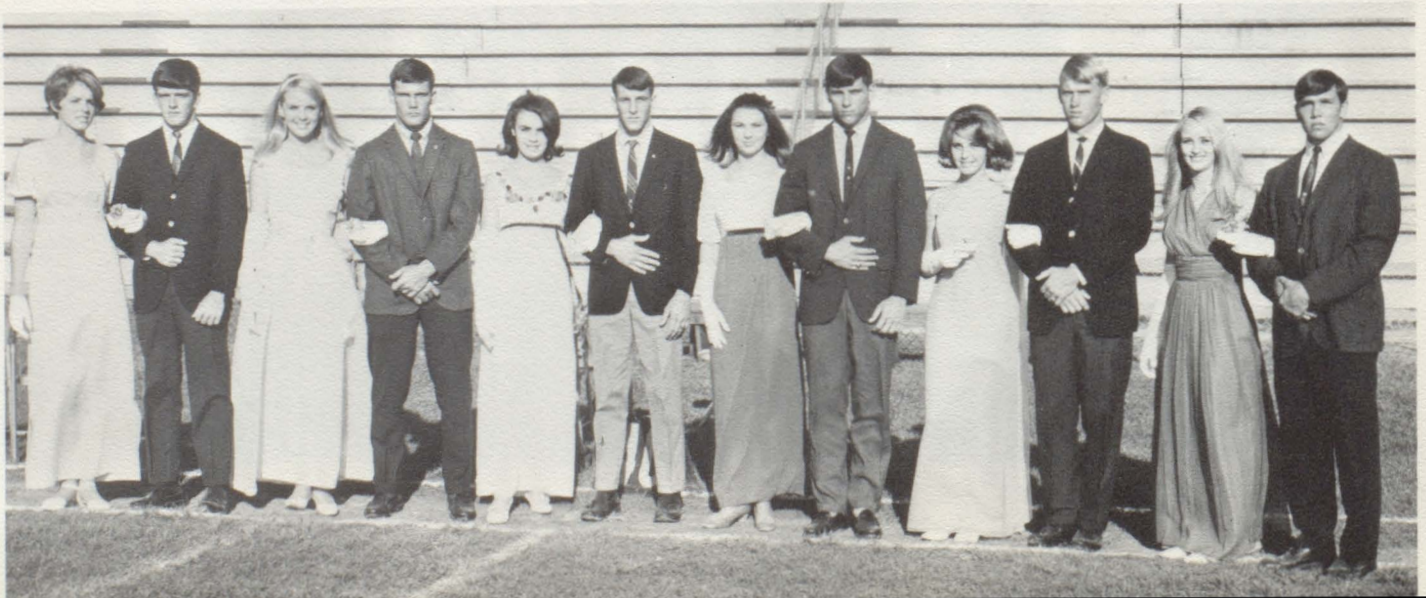

In beautiful weather the students decked out in school colors assembled for the afternoon Homecoming pep-rally. Queen Jennifer Reed and her court were presented to the student body. Twenty-seven floats, which had engaged the efforts of some 600 students, paraded through the streets of Bay Minette. These floats had been judged earlier by a panel of local citizens. The F.H.A. float won first prize, the senior class float won second prize, and the sophomore class float won third prize. Local merchants donated the prizes which were happily received by the winners.

As if the spirits might have been a bit too high, the weather man entered the picture, and rain began to fall just prior to the game. This failed to dampen the spirits of either the fans or the team which won an overwhelming victory over the Theodore Bobcats. The half-time show was spectacular. Queen Jennifer and her court were escorted on the field by the senior members of the football squad; and Mr. Wallace R. Williams crowned the queen. After the queen and members of the court were serenaded by the band, they were seated in their royal box; and the team continued their slaughter of the opponents.

Three Hundred Attend Elite Night

On December 2, 1967, Baldwin County High Students turned out in force to learn the result of the student elections held on the campus during the previous month. The choices had been made during the primary and run-off elections. A faculty committee had counted thousands of votes and the results had been a carefully guarded secret until the Elite Night Dance.

The students danced to the music of the Fifth Cycles and waited for the announcements, which were spaced during the evening, to reveal the most popular students on campus.

The climax of the evening was reached when Mr. and Miss BCHS for the year was announced.

Freshmen Enjoy Frolic

"In the Misty Moonlight" was chosen as the theme of the Freshman Frolic. One hundred and forty-eight attended and danced to the music of the Kool Tools. The theme was carried out in the beautiful decorations on the stage and in the hall. The parents sponsored the dance and served the students refreshments from a beautifully prepared tea table.

The 1967 season was a commendable one for our Tiger Football Squad. Winning six and losing four, the Tigers throughout the season showed how a team works as one. From the first to the closing game, the Tigers continued their improvement as could be observed in their playing. The team, coached by Lyle Underwood and his assistants, Coach Bobby Hall, Coach Eddie Hartner, and Coach Charles Pridden, and led by captains, Donald Taylor and Johnny Herron, continued the highly prized winning tradition.

Players receiving recognition at pep rally.

An average crowd of approximately 3,000 fans witnessed the five home games at Simmons Field: U.M.S., Foley, Atmore, Valley, and Theodore. The new field lights and comfortable bleachers, as well as the enthusiasm of the cheerleaders and outstanding half-time shows produced by the band, added greatly to the enjoyment.

Hundreds of boosters traveled to Semmes, Fairhope, Robertsdale, Jackson, and Shaw at Ladd Stadium to support the team. The fans will long have memories of a most exciting season.

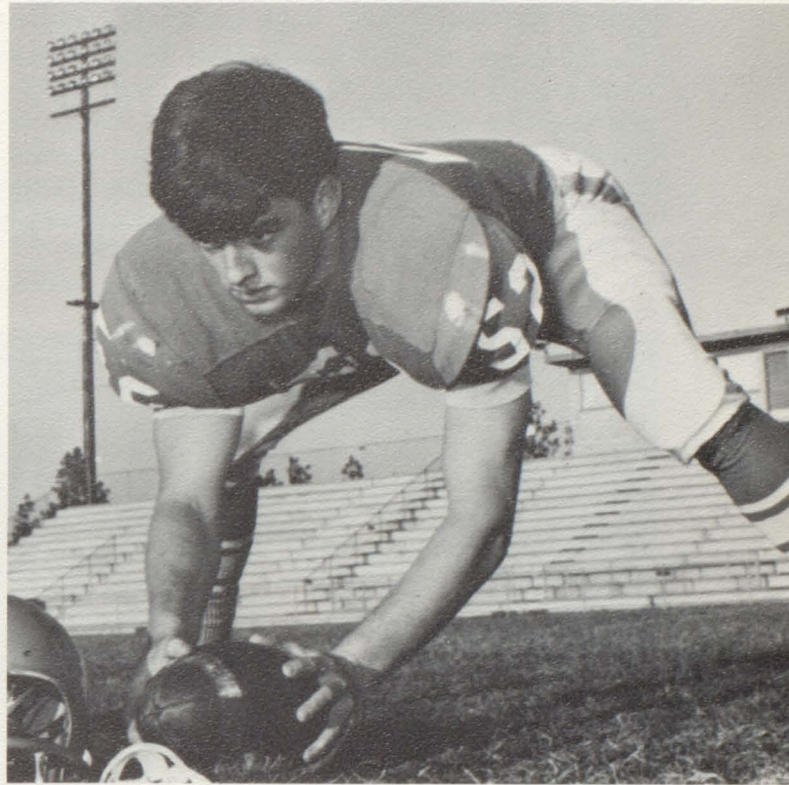

Captain Johnny Herron won an Auburn Alumni award and a football grant-in-aid to the University of Southern Mississippi.

Tigers Downed by Cadets

On October 6, 1967, the Cadets of U.M.S. traveled to Bay Minette to meet the Tigers for the opening game for both teams. The Tiger defense made a good showing. Coming on strong, the Tigers took the ball for the first score of the battle, and Ned Sibert kicked the point after. U.M.S. scored with an intercepted pass in the second quarter. Wayne Prosser, senior linemen, came

through to block the extra point. Then it happened — a Cadet returned a punt all the way for another score. After the offense had tried to score, the defense attempted to regain control of the ball, but time ran short. The Tiger defense held the Cadets to only two first downs, but the score was unbelievable, U.M.S. 13 - Tigers 7.

Ned Sibert, Tiger defensive end, makes tackle on U.M.S. back.

Tiger Fullback, Randy Buck, makes one of the many first downs against Semmes.

Under-Rated Tigers Push over Vikings

Predictions were, "Tiger's to be downed 12 points by Mary Montgomery," but the Vikings had a surprise in store. In the first quarter the Tigers lashed out trying to score. Success finally came as Randy Buck hit paydirt following an extended drive. After a fumble in the second half, the Tigers again gained the possession of the precious pigskin. Then substitute quarterback, Tommy Harther, led the Tigers to another score. This came on a pass to Herron. Springing back the Vikings tallied, but the extra point missed the target. As time ran out, the Tigers were pressing for another score. The final score was 13-6.

Fairhope Pirates close in on Mike Bullock after long gain.

Tigers Maul Bears

The Tigers traveled to Robertsdale for the fourth game of the season. With them came the usual large crowd of boosters. The Bears fell to the Tigers in their new stadium. The Tigers defense was at its best, leaving the Bears scoreless. The offense was hot; they scored in each quarter. The Tiger fans were happy, and the Bear fans were sad when the game ended with the score of 28-0 in the Tigers' favor.

In this play Tiger Quarterback, Leo Hartner, was hurt after making a first down against Robertsdale.

Pirates Sink Tigers

The Tigers were handed their worst defeat of the season when the Pirates defeated them 0-16. Neither team played good ball, but the Tigers seemed to get all the bad breaks. The game was scoreless until early in the fourth quarter. Then Sibert was tackled in the end zone for a safety. With only one minute and fifty eight seconds left to play, a Pirate broke through the line for a touchdown. Seconds later the Pirates recovered a fumble and went for the final tally.

Valley Rams down Hudson after short gain.

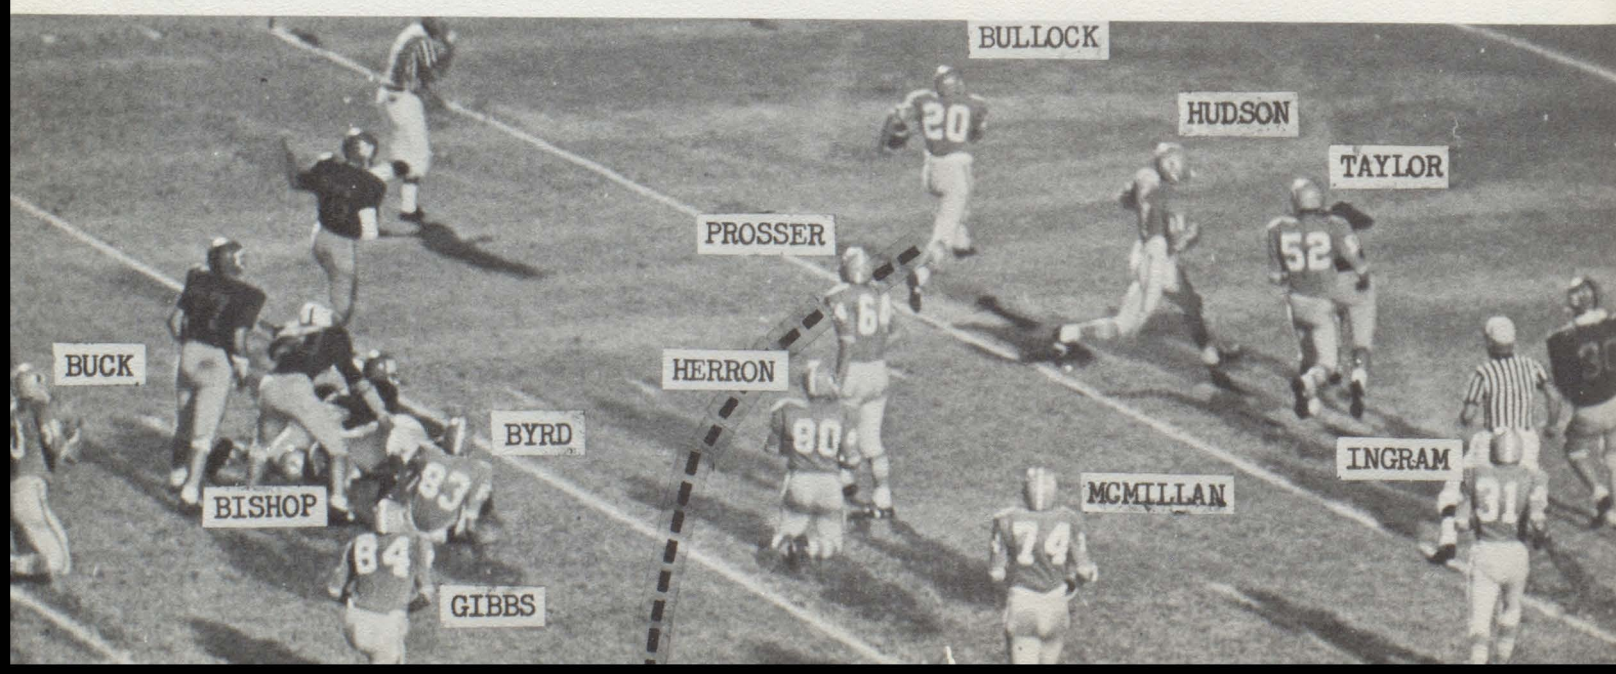

Tiger Fans Go Wild As Cats Edge Rams

Valley, with a 26 game winning streak behind them, had come to play ball as the Tigers soon found out. After the scoreless first quarter the Rams struck twice giving them a 14-0 lead. The Tigers bounced back quickly; Randy Buck, on an eight yard drive, made the score 14-7. The play proving most valuable came in the third quarter when a Valley Ram tried to run a fumble from his end zone. He was tackled, giving the Tigers two points. Then started the wild fourth quarter. Valley scored their last tally. The score was now 21-9. The Tigers' turn came when a 60 yard drive was topped off by a short run by Buck. A few plays later the Tigers got their last chance. With only seconds to play, Hudson flipped a pass to Johnny Herron who made a spectacular run of 70 yards, shaking off several Rams tacklers on the way. The final score was Tigers 22- Rams 21.

Rebels Fall to Tigers

The Shaw Rebels fell to the Tigers, who scored in all four periods. In the first quarter, Hudson, pushed in for a score from the one yard line. Two more touchdowns were added in the second quarter. Bullock ran for eleven yards to score; then before the half ended, Herron scored on a twelve-yard pass play. Ned Sibert came on for the fourth tally on an intercepted pass to make the game 28-0. Tiger fullback, Randy Buck, in the final quarter came through with a five-yard dive to score the final tally. Shaw scored twice in the fourth period, a pass play and a quarterback sneak, to end the game with a 35-14 score.

Tiger linemen open up a hole as Tiger halfback, Bullock, scores against Shaw.

Senior quarterback, Allan Chason, completes a pass against the Foley Lions for a first down.

Tigers Fail to Shake Foley Jinx

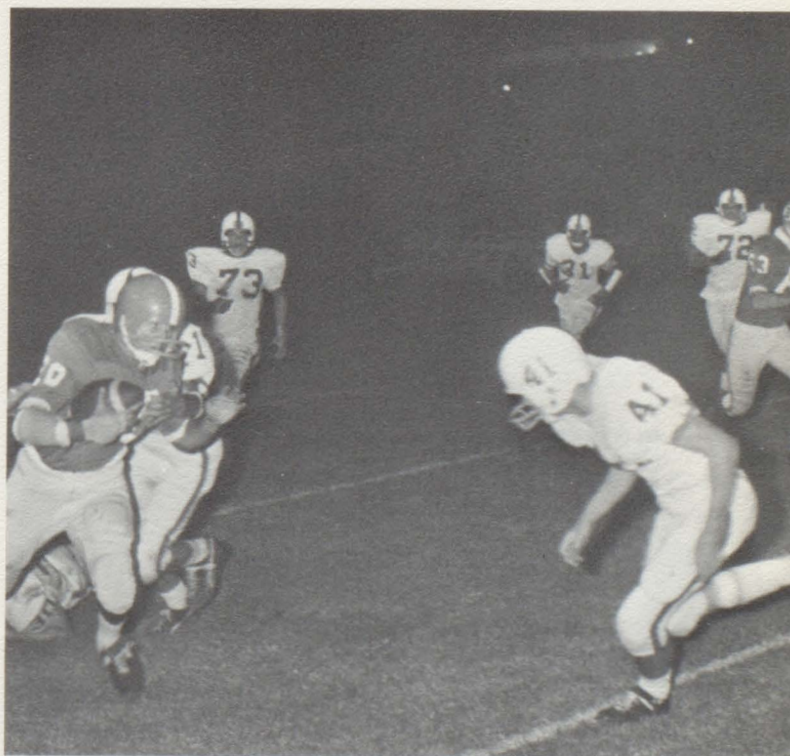

The Foley jinx could not be broken by the Tigers, and the Lions edged the Tigers 8-0. The Ti-

gers' offense would be rolling, but at crucial points the jinx would hit, and the offense would be stopped. The defense played exceptionally good ball and allowed the Lions to score only once on a short run. The Lions scored two points when Hudson was caught in the end zone for a safety.

Tigers Surprised by Aggies

The Tigers traveled to Jackson to fight the Aggies at their homecoming. Jackson and Bay Minette played even for the first half. The score was 0-0. The Tigers were surprised by the tenacity of the Aggies; in the third quarter neither team had scored. In the beginning of the fourth period, an Aggie back broke through the line for the only score of the game. The Tigers were stunned, and their attempts to even the score failed. The game ended with the score, Aggies 7- Tigers 0.

Jackson Aggies close in and stop Tiger back, Bullock, for short gain.

Mickey Hudson squeezes by a group of Bobcats to make a first down in homecoming game.

Happy Homecoming As Tigers Slash Bobcats 39-12

It was an exciting homecoming, and the results proved to be a traditional homecoming victory. Prior to the start of the game, the rain started to fall. Dampened spectators, wearing raincoats and holding umbrellas aloft, seemed to keep their spirits dry and cheered enthusiastically for the home team. Starting in the first quarter with a score and continuing to score in all four quarters, the Tigers gave their fans a great victory. When the game ended, the Tigers had slashed the Bobcats 39-12

Tigers Burn Devils in Final Battle

The Baldwin County High School Tigers in the final game of their season burned the Atmore Blue Devils. This contest started with a bang as Tiger quarterback, Mickey Hudson, returned the opening kick-off 90 yards for the Tigers' first tally. As the half progressed, the defense stopped the Devils time after time, giving the offensive squad many chances to score. Each time the Tigers got the

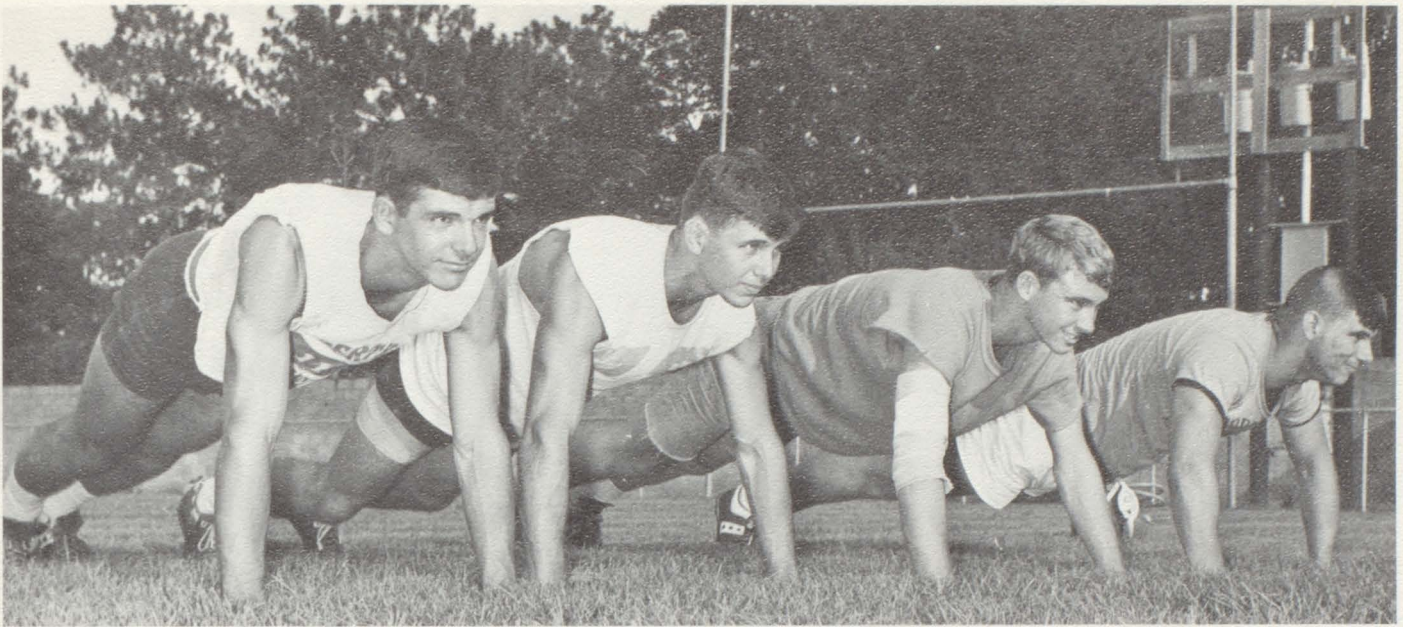

ball, they reached paydirt. Three more touchdowns were made by Bullock and Hudson in the first half. All extra points were supplied by senior guard, Russel Sloan. When the half ended, the Tigers led 28-0. The second half showed the tenacity of the Tigers defense. The squad kept the Devils scoreless.

Unknown Tiger is downed by two Blue Devils in final game.

From left to right: Mickey Hudson, Mike Bullock, Allan Chason, and Randy Buck are pictured training for the fall season.

The Tiger spring training of 1968 proved very profitable. Through the four weeks of practice the boys worked hard to make improvements for the coming season. Boys were needed to fill vacancies

left by seniors, and these were filled quickly. The spring practices and the spring game which climaxed the hard work of the boys gave experience which will be valuable in the year to come.

Randy Buck, senior fullback, won a grant-in-aid to Tulane University.

The baby Tigers put on record a season to remember — 6 wins and 1 loss. This team breezed through the season crushing Fairhope, Atmore twice, Foley twice, Lucedale, and McGill. The large group of fans who followed the little Tigers

had high hopes for a perfect season. And they had every reason to hope as they entered the final game against Atmore. But it was not in the cards, and the final score was disappointing—Atmore 13-Bay Minette 6.

New Sports Added

LEFT TO RIGHT: Golf team: Coach Hartner, Robert Jones, Glenn Page, Danny Hinterliter, Gary Ellis

A boys' golf team and a girls' track team were added to the sports department this year. The boys competed in eight games with schools in Mobile and Baldwin counties. The home games were played at Holly Hills Country Club. The girls

practiced long hours training for the District Track Meet in Prichard. They made an excellent showing for their first time in competition and garnered some valuable experience.

Baldwin County High School's eight varsity cheerleaders attended clinics last summer — four went to the University of Alabama and four went to the University of Mississippi, where they won an honorable mention ribbon in the group competition. Many hours were spent practicing and learning new cheers and pyramids. At all home games the football team ran through a large paper tiger, painted by the cheerleaders. This group conducted pep rallies at school, before all games and night pep rallies at the park and on the square before the home games. The sponsors were Mrs. Minor and Miss McDill.

The 1968 Tiger roundball team had a season filled with hard luck and much anxiety. The team, coached by Charles Pridgen, showed an almost uncanny knack for coming from behind, as exemplified by the game at Vigor; but it always seemed just a little too late. Much of the season's lack of success was due to the fact that nearly all of the team members had little experience until the '68 season.

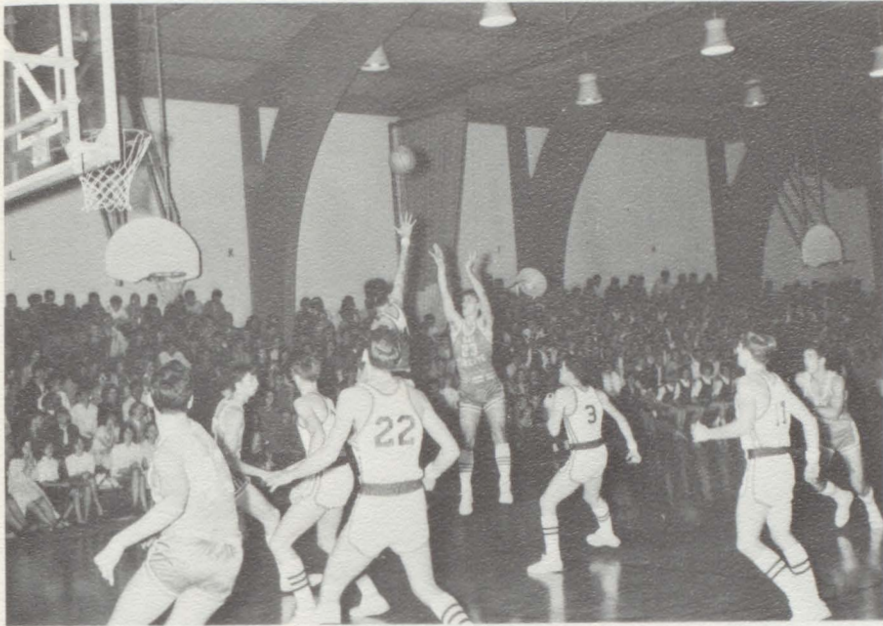

The toughness of the BCHS Tigers was shown when the cagers from Bay Minette placed second in the County Tournament. The team also journeyed up-state to Pine Apple, Alabama, to compete in the Pine Apple Christmas Tournament. Finally, at the season's end the Tigers played in the 4-A Division District 1 Tournament and made a great showing by advancing to the quarter-finals. This was the first 4-A division tournament BCHS has ever entered, and they are to be commended.

Junior Varsity Has Year of Hard Luck

Bad luck is the phrase to describe the season of the Junior Varsity. Winning 6 and losing 14, the team ran into obstacles all season. Game after game it looked as if the Tigers would win, but they would lose their momentum and be defeated by a few points. Each game became more exciting as the season progressed. This team, coached by Lyle Underwood, placed fourth in the county tournament. Bad luck strikes all, and the Junior Varsity was one of its victims.

Tiger Nine Rebuild In '68

The Tiger baseball squad went through a year of rebuilding. The team gained valuable experience and made improvements which will be an important factor in seasons to come. The Tigers played schools in Baldwin, Escambia, and Mobile counties. Although the team had a 2 win-7 loss record, they were never beaten by a large margin. This group of boys showed determination in the way they played ball.

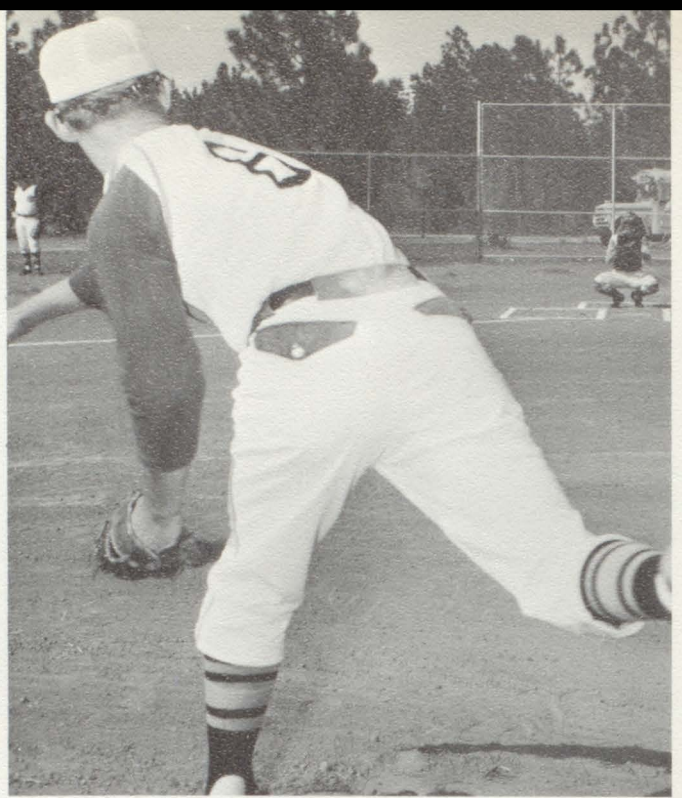

Wayne Prosser and Randy Buck were the seniors on the squad this season.

ORGANIZATIONS

Staff Strives to Bring Balcoala

Kathy Bryant, editor, looks over pictures.

Eighteen ambitious Balcoala staff members accepted a challenge to bring the yearbook up to current journalistic standards. Working throughout the year, the departments studied, discussed, and explored ways to make the Balcoala tell the story of the year 1967-68 in pictures and words. The change proved to be a job which demanded the utmost effort from the staff and sponsor and cooperation of the faculty and students.

The yearbook sale, held in the fall and late winter, yielded 455 orders for Balcoalas. A concentrated ad drive brought \$1,500 to help defray the cost of publishing. Elite Night and the Beauty Revue added to these funds.

For the first time we became a member of the National School Yearbook Association from which we will receive an annotated copy and critique of the yearbook.

Best Club in the State

The Key Club, sponsored by the Kiwanis Club, is an international organization dedicated to serving the school and community. Developing initiative and leadership, giving service, and preparing for useful citizenship are objectives of the club. Promotion of such things as human relations, moral values, patriotism, and justice are held as some of its ideals. John White, the sponsor, keeps this organization of national acclaim knee deep in projects. These members are often seen collecting money for March of Dimes, the Heart Fund, selling peanut brittle, and collecting the toys for its Christmas project for under-privileged children.

At the District Convention held in Mobile on April 18, 19, and 20, the Bay Minette Key Club was awarded the trophy for the best club in the state in the Gold Division. They will compete for the International trophy at the International Convention in Montreal, Canada this summer.

This Club consists of 50 members in grades 10, 11, and 12. There are five girls elected by the club as favorites and one chosen as their sweetheart. The girls serve during their senior year and are seen working side by side with the boys. The faculty advisors are Mr. McDaniels and Mr. Price.

in Gulf State Fair

"Toward New Horizons" was the motto of the Future Homemakers of America. The purposes of the club are: promoting better family living; providing training for each chapter member for participation in home, school, and community activities; promoting a growing appreciation of the joys and satisfactions of homemaking; encouraging democracy in home and community life; and furthering interests in home economics. The club colors are red and white, and its flower is the red rose. The F.H.A. placed second in the Greater Gulf State Fair. The homemakers built the float that won first place in the homecoming float competition. The members of the club donated to the March of Dimes and the Talledega School for the Deaf and Blind children. Members are often seen serving local banquets and meetings. Majorettes are an asset to the marching bands of today, and sixty Baldwin County High School girls realizing this, worked hard to learn to twirl and strut. The fundamentals of baton twirling and group performance were stressed. At each meeting an interesting program and demonstrations were presented. Miss Sandra Hall, a former B.C.H.S. majorette and Livingston State College majorette, sponsored this club.

Booklets Published by Students

The Scribble Club published and sold to the students two booklets containing stories, essays, and poems written by the members. This group of creative writers sought to improve their power of expression by writing on various subjects such as: "Bliss", "Pure Misery", "Education", "Beauty", "A Poem of Praise", and "Hints to the Wise". Mrs. DeLoach guided the group and edited their works.

Officers L. TO R.: Nancy Blackmon, vice-pres.; Sandra Parker, sec.; Gina Dean, treas.; Gwen Dean, pres.

FIRST ROW, L. TO R.: Nancy Tidwell, Nancy Blackmon, Katherine Williams, Gwen Dean, Sue Jones; SECOND ROW: Sylvia Hornaday, Sandra Parker, Regina Johnson, Peggy Webb, Shirley McDonald; THIRD ROW: Mrs. DeLoach, sponsor; Sandra Pastorcich, Gina Dean, Robin Trawick, Allyson Ambrose, Mike Taylor; BACK ROW: Carolyn Hall, Arnold Davis, Brad Fredrickson, and Tolbert Rogers.

Exchange Student Visits School

FRONT ROW, L to R: Barbara Covington, Penny Douvier, Sheila Arrington, Jackie Brantley, Miss West. SECOND ROW: June Campbell, Sue White, Brenda Bishop, Sharee Aaron, Glenda Eaton, Ronnie Wiggs, Wayne Boyette, Donald Blount. THIRD ROW; Julaine McMillan, Susan Moorer, Angie Middleton, Shirley McDonald, Cynthia Blount, Sharron Jones. FOURTH ROW: Judy Parker, Linda Blair, Elanor Byrd, Sandra Parker, Pat Bryars, Suzanne Daniels, Debbie Cabiness, Gwenda Lee, Glennis Hadley, Ricky Paul.

Corresponding with pen pals, meeting with exchange students, and having programs about foreign countries made this year an exciting and interesting one for the Foreign Language Club. Believing that in this constantly changing world understanding of all people is of utmost importance, the learning of a foreign language is a real asset in the world today. This club is composed by French and Spanish students. The highlight of the year was the visit of Evely Poli, student from Brazil.

L to R: Sheila Arrington, Sec.; Penny Douvier, V. Pres.; Barbara Covington, Pres.; Jackie Brantley, Treas.

L to R: Kenny Folmar; Danny Hinterliter, V. Pres.; Mike Eubanks, Pres. Joe Bishop, Larry Folmar, Donald Horton, Sec.-Treas.

Science Club Seeks Knowledge

The Senior Science Club was composed of nine students who had a keen interest in the natural sciences—biology, chemistry, physics, and astronomy. Led by Miss Lillian Leonard, advisor, the group discussed scientific phenomena and developments and made experiments in the lab.

Members Discuss World Affairs

FRONT ROW L to R: Mr. Price, Charlotte Jones; SECOND ROW, Beth Bryant, Sandra Burt; THIRD ROW: Celia Craig, Johnny Carpenter, Faye Dean.

Beth Bryant, V. Pres.; Charlotte Jones, Pres.; Celia Craig, Sec.-Treas.

The members of the International Relations Club endeavored to keep informed about world affairs and to promote understanding in their associations with others. Realizing that understanding of the peoples of the world is paramount if the world is to survive, emphasis was placed on gaining knowledge of past and present events which are affecting the lives of all. The programs featured panel discussions led by Mr. Price, the sponsor.

Students Enjoy Taking Pictures

The Camera Club was composed by a group of boys and girls interested in the art of photography. The students were instructed in the use of cameras, the selection of subjects to photograph, picture-taking, and developing. Guided by Mr. Trimm, this group enjoyed learning by doing.

L to R: Sheila Blount, V. Pres.; Jimmy Lewis, Treas.; Cody Phillips, Pres.; Dianne Harville, Sec.

FRONT ROW, L to R: Dianne Harville, Annette Joiner, Elaine Tolbert, Shelia Blount; SECOND ROW: Mr. Trimm, Gary Davis, Terry McConnell, Taylor Rider, Jimmy Lewis, Dee Orem; THIRD ROW: Rayford Ammons, Tolbert Rogers, David Mosley, Glenn Weekly, Danny Clemmons, Donald Fowler.

Members Read Wide Range of Material

The Junior High Book Club was composed of students who liked to read. The purposes of the club were to further this desire, to widen the interest range in reading materials, and to promote the acquisition of suitable books.

At club meetings book reviews were presented, the lives of authors studied, and the opportunity given to buy good paperbacks at reduced rates. Members said that they read more books during this year than in any previous year. Some also reported that they had begun home libraries.

Officers left to right are; Brenda Broughton, Vice-president; Lynn Owens, treasurer; Marsha Blount, secretary; and Lamar Branum, president.

FIRST ROW, L. to R.: David Clemmons, Johnny Young, Watson Bishop, Deborah Hulbert, Susan Jurjevich, Jack Hall, Gayle Orem, Catherine Harris; SECOND ROW: Virginia Martin, Craig Garrett, Kathy McDonald, Diane Sutton, Marsha Blount, Shelia Buck, Jackie Branum, Ann Bozone, Lamar Branum; THIRD ROW: George Cabaniss, Denise Johnson, Kris Armstrong, Thedora Williams, Betty Lou Brown, Lynn Owens, Mary Phillips, Wanda Orem; BACK ROW: Annette Corley, Sandra Taylor, Joyce Lambert, Brenda Corley, Sharon Cannon, Brenda Broughton, Cathy Harville, Jan Fendley, Dianne Dorrough, and Mary Martin.

Student Secretaries Assigned

to Teachers

To promote interest in the business world and to keep abreast of the current happenings in the field of business, was the purpose of the Secretarial Club. The twenty-nine members of this club served as secretaries to the teachers.

FIRST ROW, L. to R.: Karen Godwin, Sarah Bell, Jaren Owen, Agnes Earle, Claire Hastie; SECOND ROW: Jayne Knight, Sabra Waldrop, Teri Overstreet, Sandra Orem, Lucie Easley, Linda Headley, Jane Stacy, Peggy White, Brenda White; THIRD ROW: Patsy Long, Laura Weekley, Kathy Underwood, Pam Chastang, Marsha Underwood, Beth Richerson, Paula Blount; BACK ROW: Bonnie Brown, Annette Joiner, Marguerite Cooper, Naomi Richerson, Carolyn Stark, Becky Johnson, and Wanda Arrington.

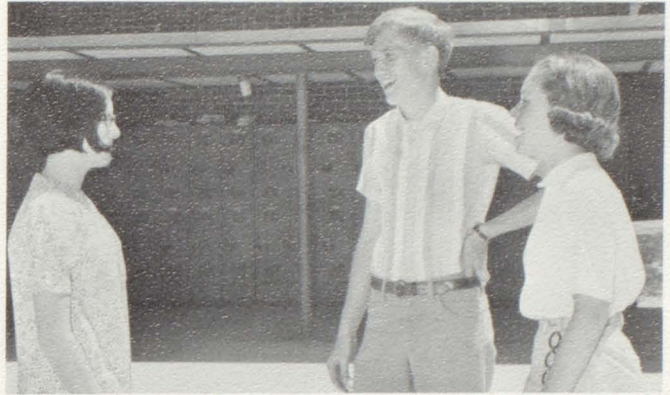

Officers left to right are; Sarah Bell, reporter; Jaren Owen, vice president; Agnes Earle, president; and Claire Hastie, secretary treasurer.

Music Lovers Organize

FIRST ROW, L. to R.: Nancy Blackmon, Sue Fredricson, Barbara Cowart, Terry Sims, Allyson Drinkard, Karen Coots; SECOND ROW: Edith Drinkard, Glenda Moore, Cindy Covington, Kathy Martin, Rita Johnson, Deborah Young; BACK ROW: Sue Barnett, Reba Despres, Suzy Davidson, Carolyn Hall, and Sue Cox.

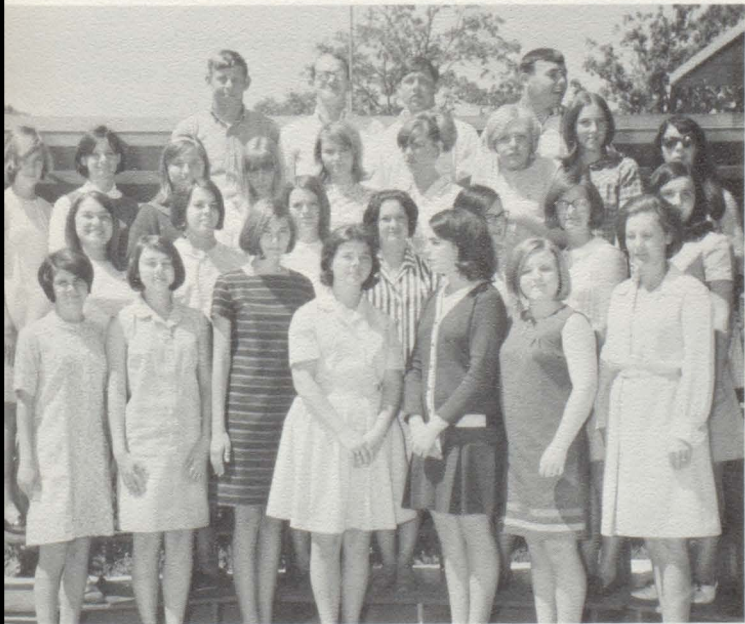

Officers of the club are Allyson Drinkard, secretary; Terry Sims, president; and Nancy Blackmon, vice-president.

The appreciation and understanding of good music was the goal of the Music Club. Programs featuring many types of music were enjoyed by the nineteen members and the sponsor, Mrs. Maxine Hendrix.

Group Studies Drama

Promoting interest in the art of acting and the appreciation of good drama have been the goals of this club, which was organized two years ago. All areas — acting, lighting, make-up and scenery — were studied. Short plays were read and guest speakers made interesting programs for the thirty members and sponsors, Mrs. Mary Carson and Mrs. Betty Jo Rhodes.

FIRST ROW: l. to r.: Charlotte Jones, Lynn Morrow, Rosalyn Garner, Beth Bryant, Jennifer Reed, Sharon Wright, Mrs. Rhodes; SECOND ROW: Carol Scivicque, Jane Tyler, Ginger Boyington, Wanda Ruffin, Allyson Drinkard, Darlene Duck, Edith Drinkard; THIRD ROW: Reba Despres, Suzy Davidson, Cindy Frugé, Karen Dean, Cheryl Dean, Glenda Hadley, Kay Griffin, Carole Bush, Dee Shultz; BACK ROW: Cody Phillips, Steve Dukes, Johnny Herron, and Gary Rountree.

Carol Scivicque, reporter; Rosalyn Garner, secretary; Beth Bryant, vice-president; and Jennifer Reed, President, serve as officers of the Drama Club.

G.A.A. Sponsors Powder Puff Football Game

FRONT ROW: l. to r.: Marie Stuart, Judy Hadley, Kathy Price, Rosalyn Jordan, Shirley Steed, Marty Sibley, Wanda Morrow, Sharon Wright, Betty Teal. SECOND ROW: Elizabeth Tuberville, Betty Heathcock, Beverly Harris, Ann Averitt, Jackie Overstreet, Peggy Hinote, Judy Reeves, Carmen Chandler, Donna Head, Cheryl Carlisle, Wanda Ruffin. THIRD ROW: Deborah Johnson, Carol Lewis, Wanda Davidson, Bonnie Brown, Ronalyn Garner, Mira Weatherford, Sarah Williams, Pat Corley, Sherrie Goodson, Carolyn Stark, Beverly Garner, Paula Blount. BACK ROW: Patsy Strength, Barbara Gray, Ann Jones, Sheila Therrell, Cathy Camp, Juliane Weaver, Ann Hawkins, Toni Thompson, Gwen Conway, Deborah Cain, Rose Cooper, Kay Griffin.

Officers of the G.A.A. are: l. to r.: Rosalyn Jordan, secretary; Shirley Steed, treasurer; Marty Sibley, president; and Wanda Morrow, vice-president.

A powder puff football game sponsored by the Girls' Athletic Association brought new equipment for the Physical Education Department. Girls in the club believed in physical fitness and promoted interest in sports. They were directed by Mrs. Minor and Miss McDill. These girls often served as assistants to the teachers.

P.T.A. Purchases Water Coolers

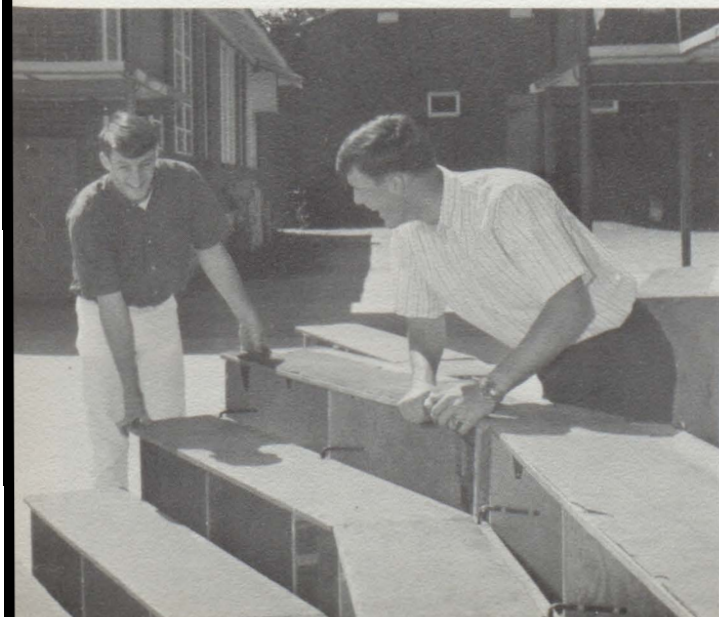

Officers of the P.T.A. l. to r.: Harlan Page, vice-president; Mrs. Howard Garner treasurer, and Hubert Hammond, president.

The Parent-Teacher Association, under the leadership of Mr. Hubert Hammond, held a calendar sale in the fall which netted \$800 plus and used it to purchase four water coolers for the school.

Eight P.T.A. meetings were held during the school year. The Fashion show by the Future Homemakers of America, the Christmas program by the Glee Club, the band concert, and a music program by the grammar school vocal groups were greatly enjoyed by the parents and the teachers.

Jack Woodson and Bob McMillan set up risers for club pictures.

Mr. Hubert Hammond, outgoing president, installs the new P.T.A. officers. They are left to right; Harlan Page, president; William Culver, vice-president; Mrs. Willard Garner, treasurer; and Mrs. L. W. Jones, secretary.

Substitute teachers, Mrs. Margaret Waters, Mrs. Mable Reeves, and Mrs. Jo Margaret Owen, were a great help to students.

High School Bowl Team members from the left around the table are; Ann Biggs, Margie Long, Betsy Bryant, Mira Weatherford, Linda Therrell, Jane Stacey, Kathy Bryant, captain; and Joe Bishop practice, as Mr. Price and Mr. Yokel look on.

Area students take tour of B.C.H.S.

36 Students Participate in Senior Play

"Annie Get Your Gun," Senior play, was presented on April 6, 1968, and directed by Miss Brenda Cole and Miss Sharry McDill. Thirty-six students produced the play and approximately 50 Seniors worked on scenery, make-up, and lighting. The proceeds were added to Senior funds.

Chief Sitting Bull, played by Randy Buck, is presented to the crowd.

Cody Phillips, Sandra Orem, Pat Strom, and Nancy Stone arrive at the show.

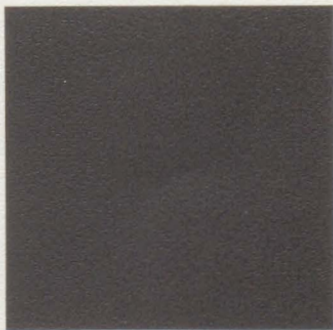

Charlie Davenport, played by Carl Jones, advertises the "Wild West Show".

At B.C.H.S. from the first grade through the twelfth grade

160 Seniors Graduate

The year came to a close for the 1968 graduating class on the night of May 21. The graduation exercises culminated twelve years of hard work. Sixty-five members of this class registered for the first grade at the Bay Minette Grammar School in the fall of 1956 and have been together through twelve years of school. They leave their Alma Mater with

mixed feelings — joy and sadness.

These seniors go forth with a feeling of gratitude to the school which has been their other home during these years of learning. To show their appreciation the Class of '68 left the school gifts totaling \$2400 which was raised from the sale of magazines.

And so ends the school year for the Class of 1968. However, it is the time for a new beginning, or commencement, for education never really ends.

GOVERNOR
LURLEEN BURNS WALLACE
1926-1968
GOVERNOR OF THE STATE OF ALABAMA

Words are futile when they would convey,
Or endeavor to evaluate
A person's worth, and yet I would essay
To speak of one who guides our ship of state
With dauntless faith and courage, following
A charted course of love of liberty.
Through storms of controversy may she bring
Our hallowed ship to port successfully.

She stands for justice in the face of wrong—
The right of man to choose his destiny
Without coercion, that he might belong
To a free state, himself forever free.
She would pave youth's avenues so they
May find the road to knowledge. She contrives
For her "Golden Agers" to find a way
To enrich the twilight of their lives.

So we salute a lady, proud and great,
Who loves and will defend our noble state.
