EXCEL

Before school opened, BCCHS students began to work to Excel. Sixty football players with State Playoffs in their minds began running at mid-summer. Across the street, band members began marching toward being the greatest band ever to represent BCCHS. The Student Council board commenced planning new things such as the First Annual Christmas Formal and a Bi-Racial Council which was designed to help iron out problems that might arise during our first year as a unitary school system.

School principles worked all summer planning and co-ordinating the curriculums to enable each student to follow his desired course of study. Teachers attended workshops to increase their own knowledge and to learn new methods of motivating each student toward his own academic peak.

Three hundred forty eight students attended the Junior-Senior Prom which was held at the Bay Minette Armory on April 16. The theme "Walking Through the Country" was carried out with a fountain, summer house, flowers, mushrooms, trees, and beehives. During the first dance, balloons which glowed in the dark were let down on the dance floor. As a surprise for the Seniors, the beehive was filled with candy and they were allowed to burst it during the evening. Music was provided by the "Village Green".

Christmas Formal Lends Spirit to Holidays

The Student Council held a Winter Formal on December 19, 1970, at the Bay Minette Armory. The dance began with a leadout of the Student Council officers and their dates while a local band, "Freedom", played "Whiter Shade of Pale". The highlight of the evening was a surprise visit by Santa Claus at which time he made a short speech.

Decorations in the armory were of the Christmas theme. The stairway was decorated with red and white icicles leading up to Santa's workshop. The walls were covered with red and white candy canes and the coke machine was wrapped up like a huge present. The faculty tables were covered with Christmas trees. This Christmas Formal was a first for our school.

Band Marches in Governor's Inauguration Parade

On January 18, 1971 the band marched in the Governor's Inauguration Parade in Montgomery. Although this was the highlight of their trip, they also toured several government buildings. In the Blue-Gray Game, at Crampton Bowl in Montgomery, the Tiger band formed the number 7 in the pre-game field formation of the year 1971. The last performance of the band was acknowledged in the Mobile Mardi Gras parades. The band's extra marching activities were brought to a close by their performances at all football half-time shows which were enjoyed by approximately 4,000 people at each game.

At the close of the football season the band turned their attention to concert music and preparation for state competition. On February 6 the band traveled to Brewton for All-State Festival, at which time Peggy Webb and Don Snowden were chosen for All-State and alternates Debbie Ryan and Virginia Martin were named.

Tigers Honor Queen With Victory

Homecoming '70 was celebrated in four different ways: Thursday night pep rally, Friday afternoon parade, Friday night victory, and a dance.

At the Thursday night pep rally the juniors appeared as ghosts to 'haunt' Aggies. The seniors 'wiped' out the Aggies by throwing rolls of toilet tissue into the bonfire as they chanted "Wipe out Aggies".

Friday afternoon classes were dismissed early for the pep rally where the court was introduced. The court consisted of, Queen Bonnie Sibley; Senior maids, Brenda Taylor and Mary Williams; Junior maid, Kay Henderson; Sophomore maid, Mona Williams; and Freshman maid Pam Peters. Following the pep rally a parade of 27 floats wound through the downtown streets.

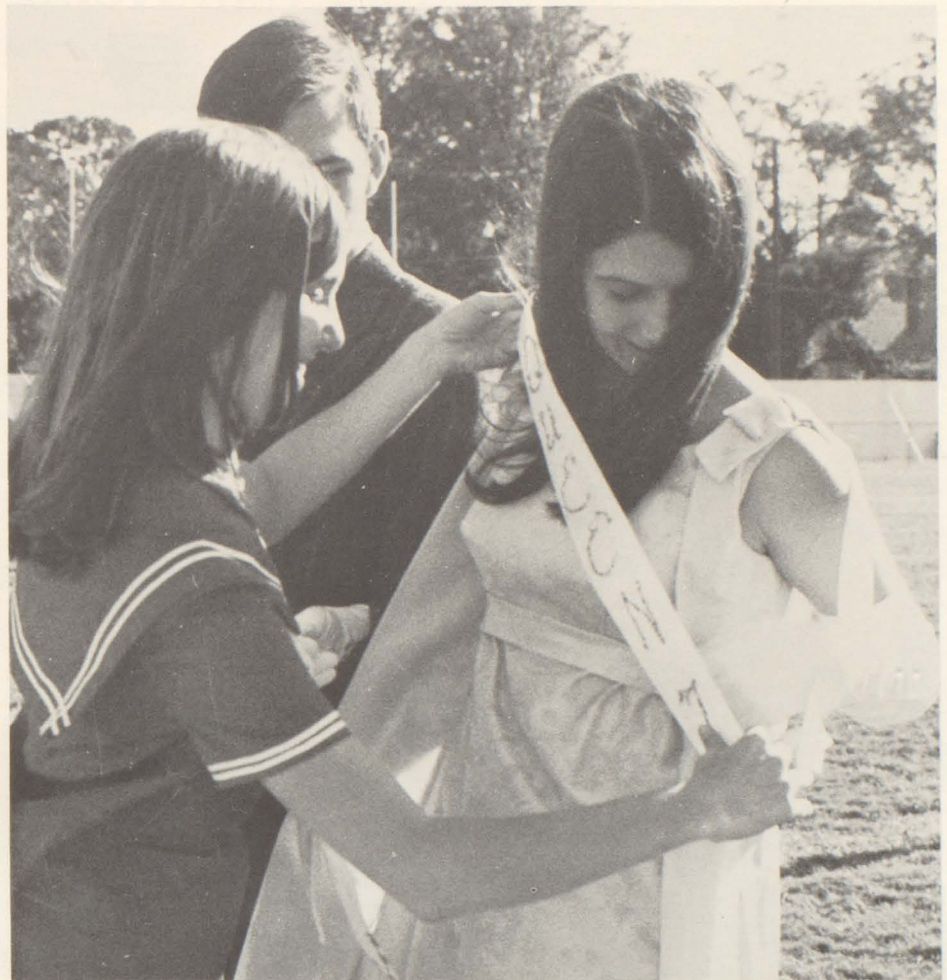

Excitement reached its peak at the game Friday night when the Tigers met the Jackson Aggies. The half-time show as spectacular as Queen Bonnie and her court were escorted onto the field with the band standing in a heart shape and playing the familiar tune 'More'. Mr. Wallace R. Williams crowned Queen Bonnie who with her court was seated on the sideline to watch the second half of the game. The Tigers did "wipe out Aggies" 21-14.

To climax the night the Student Council sponsored a dance at the Bay Minette Armory which was led by Queen Bonnie and her court.

Cheerleaders Win Honor

To become an effective cheerleader means long hours of work and practice. Elected in the spring, the 1970-71 cheerleaders attended two clinics. Traveling to Ole Miss they competed with 20 groups ~~where they~~ ^{and} won ribbons for superior and excellent performances and were awarded the spirit stick at the final session.

Four attended ~~our own~~ University of Alabama, where they were selected as All-Star cheerleaders.

At the opening of school the enthusiasm of the cheerleaders was evidenced as the key to the spirit of the campus. Appropriate and attractive signs were placed on campus preceding each football game assuring the mighty Tigers of full support of student body. Thursday night bonfires, Friday afternoon pep-rallies, weekly spirit contests among classes and energetic cheers during the game boosted the Tigers in each effort.

Baldwin's Tigers Lengthen Win Streak to Twelve

Traveling to Semmes, the Tigers played their first game of the season against the Mary Montgomery Vikings. The Tigers, predicted underdogs, came out on top by mauling the Vikings 26-0.

Dominating the entire game, the Tigers chalked up 300 yards rushing and the defense held the Vikings to only 58 yards rushing. The Vikings completed two passes for a total of 4 yards. Greg Strom, Tiger full-back, scored first in the opening quarter by making a fantastic catch between two Mary Montgomery defenders and falling into the endzone. On the following kickoff, Harrison Mims jarred the Viking ball carrier loose from the ball, and Scotty Langham recovered it on the Viking 46. The Bengals, with their bruising ground attack, moved the ball to the two-yard line. Halfback Paul Jones took the hand-off and plunged into the endzone.

Tiger defenders took their turn scoring when Mike Bishop intercepted a short pass and returned it 42 yards to paydirt. A pass from Ronnie Wiggs to Ronnie Richerson set up the final score. The pass went to the two-yard line and from there Paul Jones carried the ball in.

Bay Minette's fighting Tigers continued their winning streak by defeating the UMS Cadets by the score of 14 to 8.

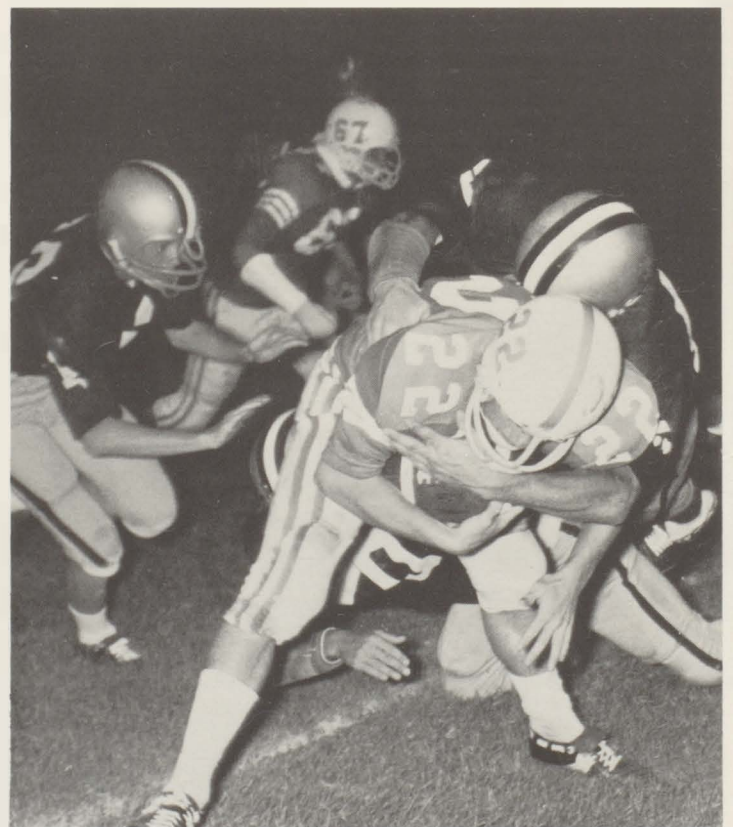

Byrd-to Strom-passes seemed to be the winning combination for the Tigers. Greg caught touchdown passes of 30 and 19 yards. UMS struck first when Ronnie Richerson fumbled a punt on his own 49. The Cadets took advantage by marching in seven plays to paydirt. A two-point conversion made the score 8 to 0.

Bay Minette drew first blood when a Cadet receiver fumbled Erwin Arnold's punt. Scotty Langham was there to grab it for the Tigers on the UMS 32 yard line. Ronny Byrd and Paul Jones clawed their way down to the 22, where Byrd passed to Greg Strom, who took it in for a TD.

Defensive players, Howard Welker and Phillip Brown, dropped the quarterback several times. The final tally came late in the fourth quarter when Byrd ran it to the 35 yard line and a penalty moved it to the 20. The Byrd-Strom combination struck again and the Tigers came home victorious.

with Three Victories

County Danny Dorough scampers downfield with a Fairhope pass.

Winning their third victory of the season and their first home game, the Tigers took advantage of three Fairhope mistakes to beat the Pirates 19-7.

Tiger quarterback Ronny Byrd brought the Tigers out after Randy Watts recovered a Pirate fumble on the Bay Minette 25 yard line. Paul Jones burst through the line three times and picked up a first down. Byrd then hit Erwin Arnold with a pass and he maneuvered his way to the 17 yard line. The drive was climaxed by Eddie Ingram, who sprinted 15 yards to paydirt.

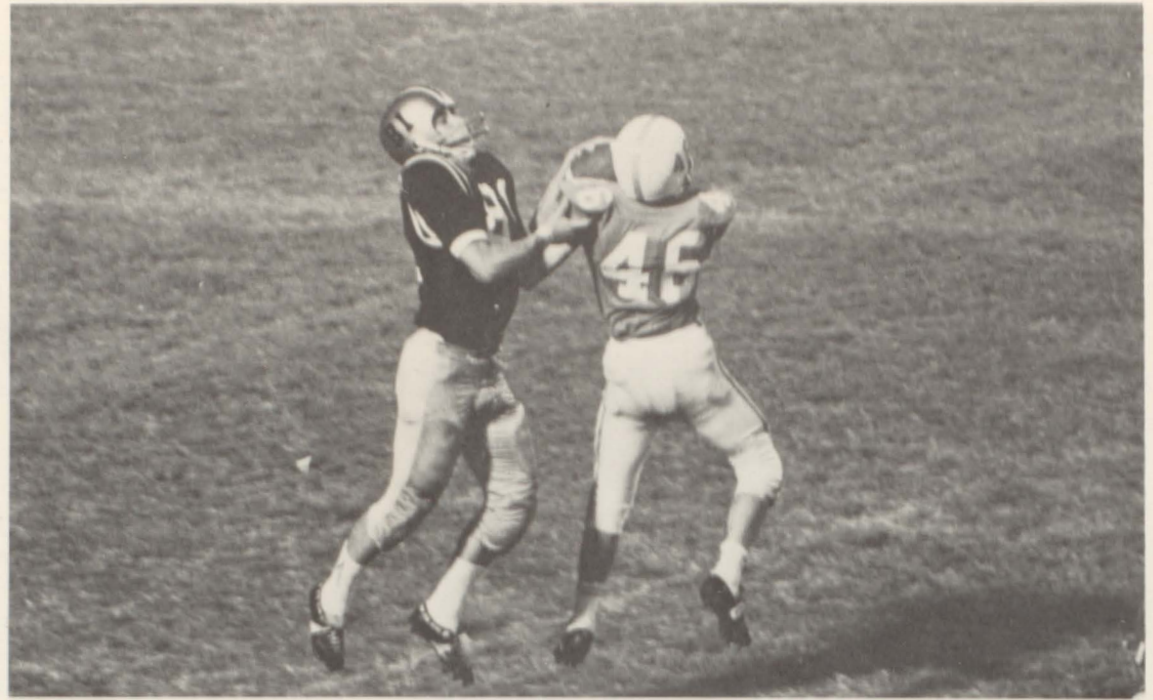

Terry Wasdin set up the offense when he jarred the ball loose and recovered it on the 11. Chuck Fletcher increased the lead by taking Byrd's third-down pass for the second Tiger score. Bay Minette kicked off and the Pirates, throwing the bomb, came to rest on the Bay Minette 7 yard line. The Pirates tallied on the next play, crossing the goal for their only score.

Neither offensive team was able to sustain a drive in the second half. However, the alert Tiger defensive safety, Chip Scivicque, intercepted a Pirate aerial on the 35 and carried it to the 5, where he fumbled. Howard Welker, picking it up, loped into the endzone for the final TD of the night.

Tigers Regain Feet After

Ronald Richerson fights with a Murphy defender for possession of the ball.

Neighboring-state Pensacola Tigers traveled to Bay Minette only to get beat by a tougher group of Tigers. The home Tigers defeated the visiting Tigers by a score of 15-6.

Chuck Fletcher started the game off with an on-side kick. The Pensy Tigers were surprised and the home Tigers recovered the ball. Quarterback Ronny Byrd moved the Tigers to the 29-yard line of Pensacola. Ronnie Richerson caught a pass on the four-yard line, but a penalty nullified it. Pensacola took over on downs, and on third down for the visiting Tigers, Joe Pruitt intercepted an aerial. Byrd went to work on the opposing defense by picking them apart. Eddie Ingram, leading pass receiver for the Tigers, caught a 15 yarder down to the five. Greg Strom took it in from there for a TD. Byrd's conversion made the score 7-0 for the home Tigers. Bay Minette's defense held the Tigers for no gain and they took over on the kick. Byrd was intercepted and Pensy took advantage and scored in 11 plays from the Bay Minette 36.

With the second half kickoff, a defensive battle was carried on by both Tiger sides. Bay Minette got a break when the Pensy kicker kicked it out of bounds at the 47 of Bay Minette. The Tigers clawed their way to the two where Greg Strom took it in for his second TD of the night. Ronnie Wiggs made the two-point conversion by passing to Strom.

Tasting Bitter Defeat

Suffering their first loss, the Tigers battled the Murphy High Panthers of Mobile to a 28 to 26 score. Each team rolled up 340 yards on offense and 75 yards on kick off returns. Each defense had an interception. The first score of the game came when Ronnie Richerson received a pass from quarterback Ronny Byrd with 1:30 left in the first quarter. The second quarter saw Murphy score twice and the Tigers once.

Murphy's Panthers scored twice in the third quarter, and the Tigers once. The Tigers touchdown came when they fought their way 66 yards in seven plays. Byrd then carried it over from the $\frac{1}{2}$ -inch line. The Tigers final tally came after Byrd connected with Eddie Ingram, who caught 8 passes for a total of 113 yards. Ingram carried the ball to the four for a 5-yard gain. Byrd hit Erwin Arnold on the next play for six points. Murphy was forced to punt, and the Tigers returned the punt to the 45-yard line. Chuck Fletcher grabbed a 26-yard pass and started for the endzone, but was dropped on the ten. On the final play, Byrd was dropped behind the line.

Bay Minette's once beaten Tigers defeated a tough John Shaw team of Mobile by the score of 14-7. This was mainly a defensive battle, with the Tigers limiting the Rebels to just one first down.

In the first period, the visiting Rebels struck for six points on a touchdown pass. The point after was good and the score stood 7-0.

With the second half kickoff and the Tigers trailing by seven quarterback Ronny Byrd directed the Tigers to a third quarter TD. The Tigers fought their way to the one-yard line. Mike Bishop tried to score, but fumbled into the endzone. Chuck Fletcher recovered the loose ball in the endzone for a Bengal touchdown. The PAT by Byrd was good and it tied the score 7-7. Quarterback Byrd got the winning tally in the early minutes of the fourth period, when he swept wide on a 16-yard run. The PAT by Byrd was good and the score was 14-7. A stubborn Tiger defense refused to let the Rebels score and the game ended with the score, Bay Minette 14 and John Shaw 7.

Tigers Advance Into Playoffs With 50-6 Massacre

Bay Minette dominated the game with 301 yards on offense and the Tigers defense held the Lions to 115 yards. The Lions never got closer to paydirt than the 30-yard line. Larry Wiggins and Howard Welker kept the Lion quarterback off balance on his passing and Mike Bishop and Scotty Langham intercepted passes. After a scoreless first quarter, the Tigers got their first touchdown on a 56-yard drive in six plays. Ronny Byrd completed passes to Erwin Arnold, Chuck Fletcher and Mike Bishop. Byrd ran the ball in to cap the drive. The next scoring drive went 71 yards in 10 plays with aggressive running of Greg Strom and Danny Dorough. Behind the blocking of Strom, Dorough, and Ingram, Byrd scored again on a keeper.

The second half saw the Tigers score three more touchdowns. Byrd passed and ran the ball and Paul Jones scored on an eight yard run. Danny Dorough scored after Scotty Langham picked off a Foley aerial. The final touchdown came when linebacker, Mike Bishop, intercepted a Lion pass and ran it back 26 yards to make the score 30-0.

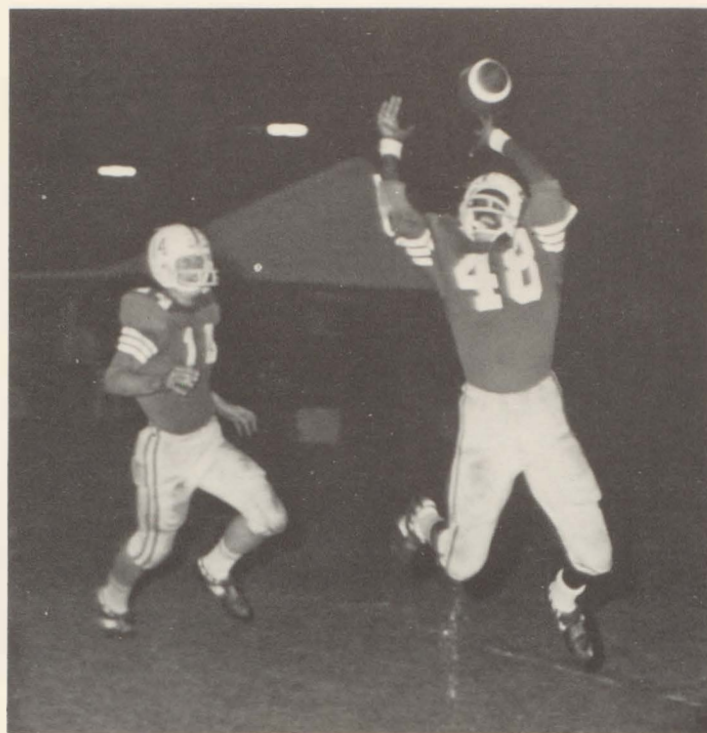

Homecoming 1970 was a thriller. The Tigers defeated the Jackson Aggies, 21-14. Twenty-two seniors playing their last home game were captains.

On the opening kickoff, the Aggies were unable to move the ball. Defensive linemen Howard Welker, Terry Wasdin, and Larry Wiggins each got to the Aggie quarterback and dumped him on separate downs, for losses. The Tigers took the Aggie kick and marched to the 37, where quarterback, Ronny Byrd, fumbled and the Aggies recovered.

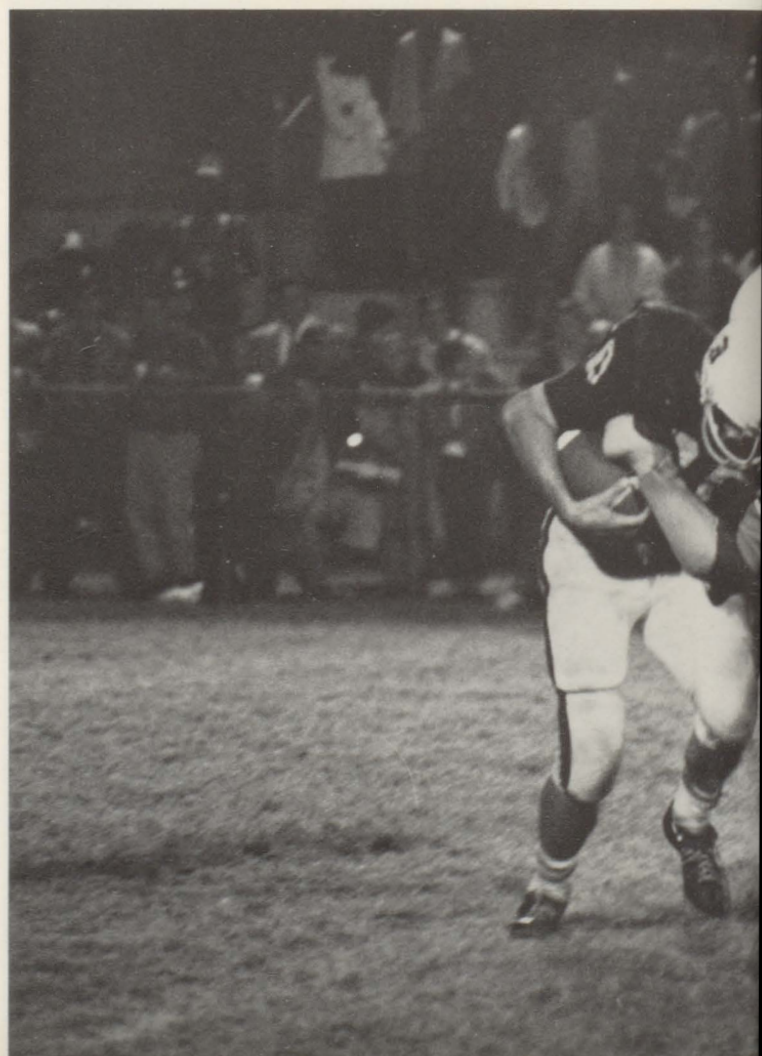

Unable to move the ball, the Aggies were forced to punt. The drive for a score was climaxed when Byrd hit Ronnie Richerson. Danny Dorough carried the pigskin in for the second score.

A fired up Aggie team came storming back in the second half scoring twice to tie the score 14-14. The Tigers, behind the blocking of interior linemen Haywood Brown, Mike Sanders, Arnold Dorman, Jimmy Rabon, and Larry Stewart, raced 83 yards for the winning tally. Byrd engineered the drive to the 36 yard line of the Aggies where Richerson made a fantastic catch between two Aggie defenders and dove into the endzone.

Over Atmore

Eddie Ingram stretches over Jackson safety to grab a bomb.

Bay Minette's fighting Tigers traveled to Theodore and brought back a 22-0 decision. This was a must victory for the Tigers, for they were eighth ranked in the state.

Danny Dorough scored the first TD in the second quarter. He scored a 13 yarder behind the effective blocking of guards Jim Rabon and Mike Sanders, and fullback Greg Strom.

In the fourth quarter, the Tigers struck for two touchdowns, Byrd passed 24 yards to Ronnie Richerson and the two point conversion pass to Dorough made the score 14-0.

After the defense held the Bobcats, and an interference call moved the ball to the Theodore 22, Larry Fields came in and carried the ball in for the final touchdown.

Bay Minette's Tigers traveled to Atmore for their last game. The 50-6 score told the story.

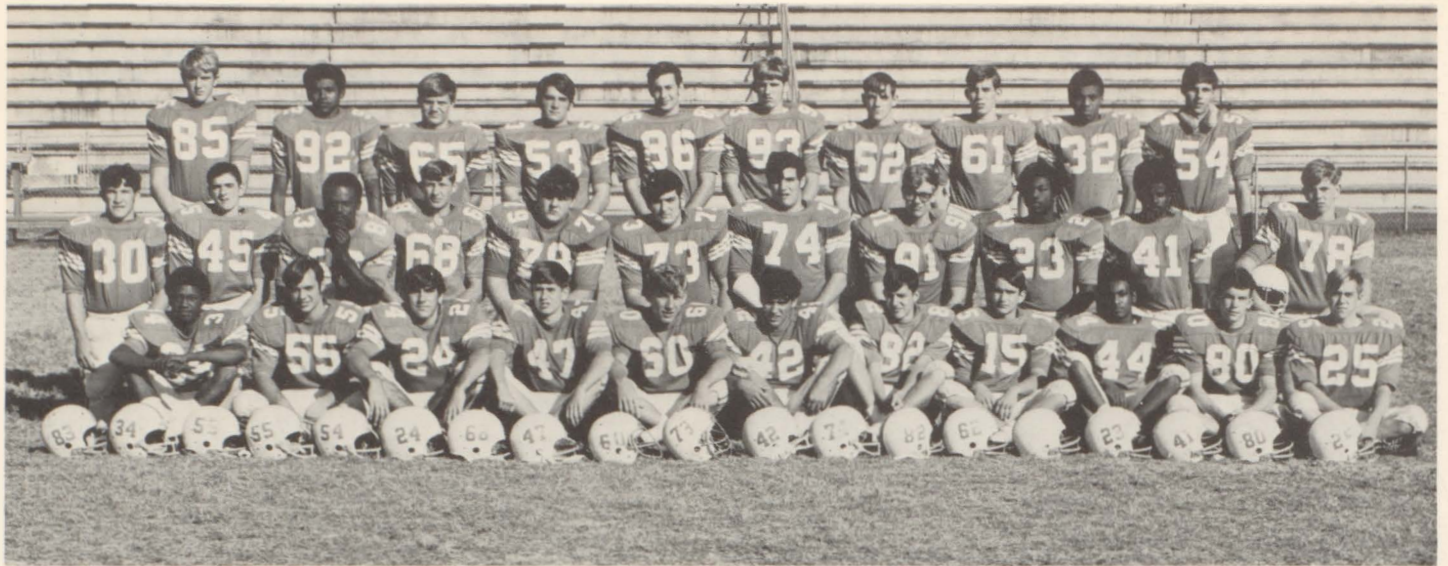

On the first series of downs, the Tigers marched 61 yards to paydirt. Ronny Byrd passed to halfback Danny Dorough from the ten. The second score came when Ronnie Richerson scrambled 53 yards. With the running of Jones and the passing of Byrd, the Bengals moved 59 yards for another TD. Ronnie Wiggs tossed a 58 yard bomb to Richerson, who sprinted into the endzone.

With the second half starting with the score 28-0, Atmore's offense was stopped cold by the Tigers, who took over. A pass from Wiggs to Dorough gave Danny his third TD for the night. The Tigers next scored when Byrd pitched back to Wiggs, who threw to tight end Chuck Fletcher.

With the pressure of the Tigers defensive line coming mainly from Terry Wasdin, Haywood Brown, Phillip Brown and Larry Wiggins, Chip Scivicque, defensive back, intercepted a Blue Devil aerial and ran 35 yards for the TD. On a fourth and long yardage, Byrd kicked a 25 yard field goal.

Tiger's Roar Staff Joins State and District High

Seventeen students, in grades ten through twelve, edited fourteen issues of the school paper, The Tiger's Roar. This staff was also a journalism class and worked on achieving good journalistic techniques and ways of writing interesting news articles. With the increase in students, the paper's importance assumed a more important roll in school life this year.

After November, the staff, hoping to increase the sale of the paper, changed it from an eight-page paper to a four page and published it twice a month. With this change, the news in the paper was more up to date and on decreasing the number of pages they were also able to reduce the price of the paper. Sponsored by Mr. Al Mullek, Mary Kate Dean served as editor. Last year the staff also joined the Alabama High School Press Association at the University of Alabama and the District High School Press Association at the University of Georgia.

Ways in which the paper was financed were by selling advertisements to local merchants and by the sale of the paper to the students. The paper was published by a local publisher, The Baldwin Times.

Mary Kate Dean, Editor; and Mr. Albert Mullek, Advisor; discuss new layout plan for school paper published bi-monthly.

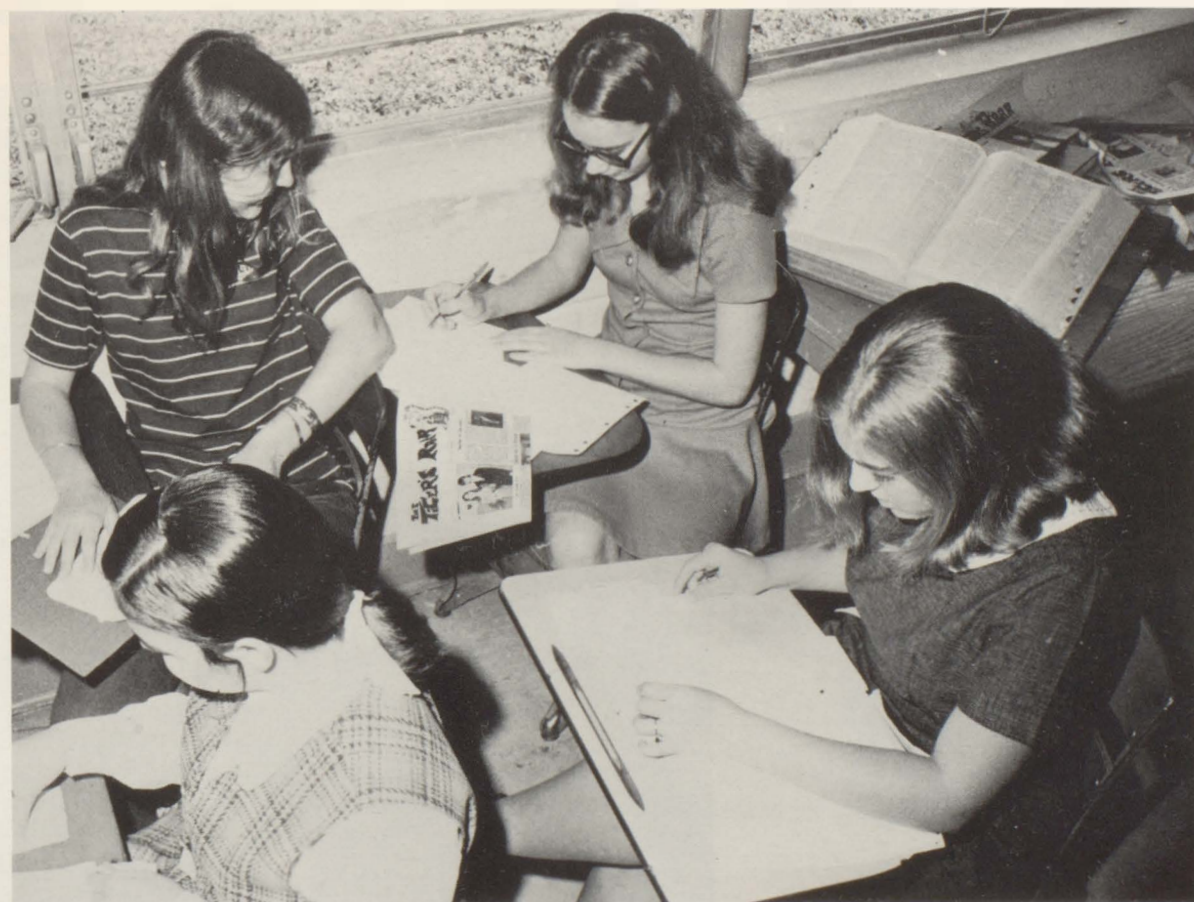

Alyson Ambrose, Cathy McDowell, Shannon Gross, Paula Steed, Laurie Stamps, and Janice Wright proofread write-ups for an issue of the paper.

Schools Operate As A Unitary System

Baldwin County schools operated smoothly this year under court order. The court ruling defined public school districts that students living in those districts were compelled to attend. The dual school system was abolished with the initiation of total intergration. Baldwin County High School became the central senior high school and the former Douglasville High became Bay Minette Middle School.

Leading in the adjustment of the new school system was Superintendent of Education, Mr. W. Candler McGowan. Mr. McGowan has served Baldwin County for eighteen years. He received his Bachelor's degree from the University of Alabama and his Master's degree at Columbia University.

Policies and continued progress of the school system were responsibilities of the Baldwin County Board of Education. The Board, elected by the voters of Baldwin County, consisted of six men: Emanuel Davidson of Bay Minette, John McMillan of Stockton, Max Griffin of Foley, Paul Cleverdon of Summerdale, Dr. Ollie O. Jones, Jr. of Fairhope, and W. Candler McGowan of Bay Minette.

Experiments Prove Scientific Principles

Various results were shown from increasing interest in chemistry, physics, and general science experiments. Navigation was studied by several ninth grade science classes. With the use of compasses, they navigated around the school.

Meteorology was an interest of other students. Many constructed simulation projects of meteorological instruments and demonstrated them to the class. More enthusiastic class participation and discussion were noticeable effects.

Dr. George White, Authority on Modern Poetry,

One of the highlights enjoyed by the senior class was a lecture by Dr. George White, noted authority on modern poetry, who talked with them about the attitudes reflected in the poetry of their generation.

1970-1971 ushered a new way of life into Baldwin County High School and the teachers in the English Department rose to meet the challenge. The change to a unitary school system increased the departmental staff from ten to fifteen teachers who daily instructed the 2,159 students enrolled in the middle and senior high schools. Realizing that man is continually seeking for truth, beauty, and value in his existence, the English faculty worked diligently to teach significant concepts which hold meaning for students today.

Students and Faculty Use Library Facilities

Two libraries attempted to provide maximum service and to promote maximum use of their resources by the student body and to provide material on all subjects and interests of 2,159 students.

Three librarians and twenty-two student assistants made up the library staffs. Services of student assistants included book lending, filing cards, arranging books on shelves and helping with bulletin board displays.

Materials were classified and catalogued according to the Dewey Decimal System. Books on the same subject were shelved together on open shelves within easy reach of students. Periodicals and audio-visual materials were available to faculty members upon request. Teachers were able to order classroom aids from the Materiel Center through the library.

The middle school library of over 5,000 books and the high school library of over 10,000 books included fiction, history, science, travel, biography and other non-fiction.

Circulation statistics proved that the library materials were used extensively. During the day, the average circulation of materials and books was from 80 to 104. The daily attendance in the libraries was from 130 to 150 students.

Vocational Students Rank High in Competition

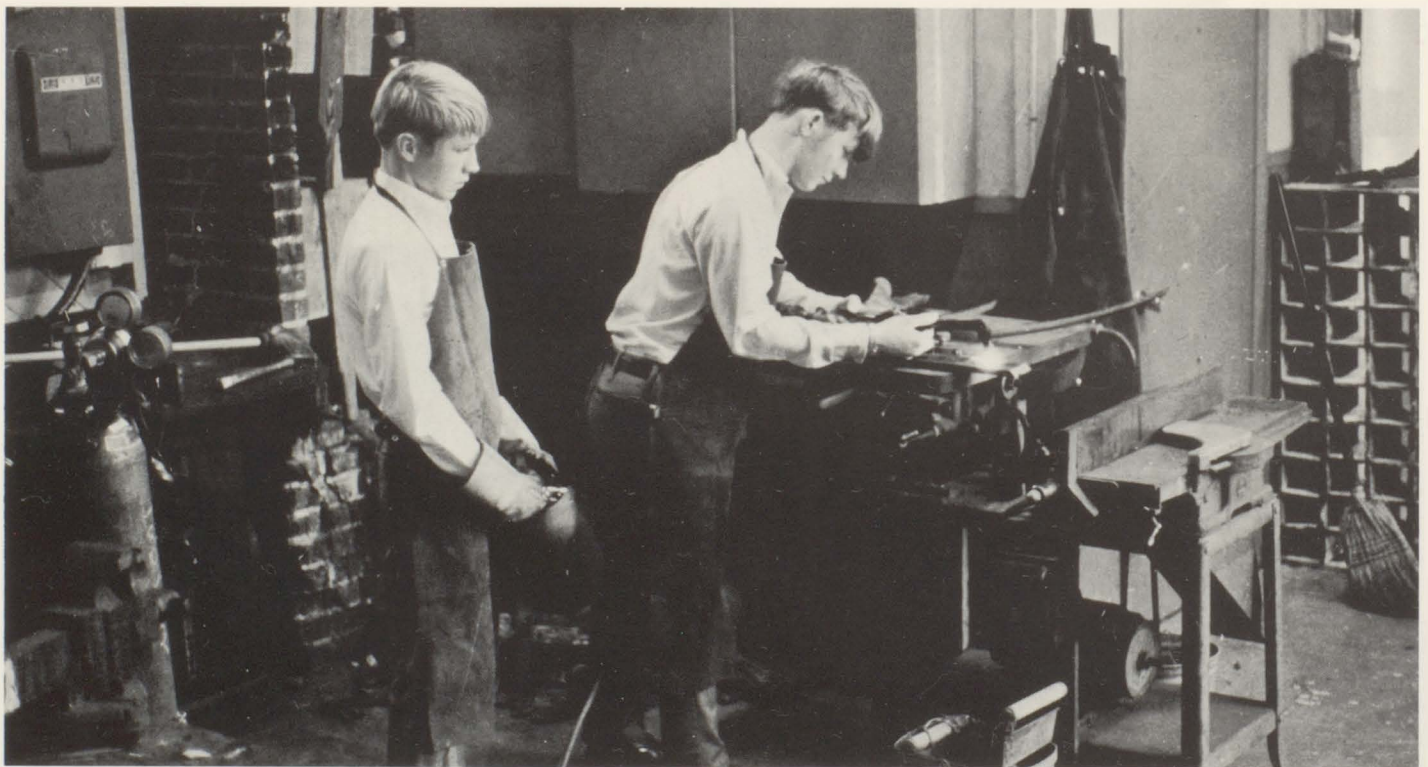

Vocational Agriculture students placed first in the county in the public speaking contest, string-band contest, and the dairy judging contest. The department offered training in the following basic skills: welding, masoning, conservation and woodworking. Projects such as making gunracks and rebuilding lawn mower engines were carried out by students. Fifteen thousand seedlings were planted over the county.

Sewing, foods and nutrition, family budgeting, home management, personal grooming, and family relations were offered to one hundred and twenty-four girls in Home Economics I, II, and III. Barbara Capps entered in the county beef cook-off in Fairhope and won second place in the competition. Projects included selling cookbooks, designing bulletin boards and working on special projects for the deaf and blind in Talladega.

Industrial Cooperative Training enrolled thirty-one students. This program was designed to aid students in preparing for future job opportunities. A car smash was held to help raise money to buy books for their technical library. Students worked in the community as beauticians, mechanics, nurses, dental assistants, butchers, morticians and X-ray technicians.

State Trooper Lectures On Safe Driving

State Trooper, Corporal Boggle, lectured driver education classes on safe driving and causes of automobile accidents. Students made surveys on the attitudes of drivers at intersections and found traffic hazards. Film strips on passing and the right of way rule were shown.

Having a permit was the only requirement for taking driver education. Students spent thirty hours in the classroom learning safe driving habits and six hours behind the wheel in actual driving experience.

Flag Flies in Spanish and French Classes

When the "flag was flying" in French and Spanish classes, a student had to pay a fine if he spoke a word of English. Fines paid were used to help finance class parties. Projects, records, filmstrips and reading materials added to the basic courses which emphasized dialogues and structure patterns of the languages. The modern laboratory, equipped with microphones, earphones, records and tapes, gave each student additional practice in listening and speaking the foreign language.

Students Exhibit Art

Students exhibited their work in April that was selected from the different fields of art. Paintings done in oils, tempera, and water colors were on display along with pencil portraits of some fellow students. Wire sculptures made from clothes hangers were shown along with nut and bolt sculptures.

One hundred and thirteen students were enrolled in the four classes of art. The fields of art offered to students were: painting, drawing, sculpture, glass staining and collages.

CLASSES

The face of cool, red brick; the face lined and scarred with memories of long ago days . . . this was the face of 1971 Baldwin County High School.

The eyes of winking glass windows; the eyes which caught the sunlight and mirrored the everyday pagentry of school life . . . these were the eyes of 1971 Baldwin County High School.

The students approximately 69% white, 31% black . . . who filled the classrooms and spilled into the corridors, who laughed and learned and worked in unison . . . they were the soul of 1971 Baldwin County High School.

The students gave the face animation, put the eyes to use, and made a building come alive. In giving a school life, they received life for themselves.

Arrival of Rings Bring Dream of End

Part of the beauty and pain of completing your Senior year is reflected in remembering. Remembering . . . warm laughter of friends; the thrill of receiving class rings and portraits; feelings of pride and grief compounded as 22 Senior football players competed for the first time in the State playoffs and for the last time ever. Remembering . . . hard work exerted in order to win the Spirit trophy for the third year; working on the Homecoming float, "Victory Dreaming"; 0-0 at the end of the annual Powder Puff battle; the romance and festivity reigning over the Christmas Formal and the Jr. Sr. Prom. Remembering the final heart-rendering tears shed at graduation when all realized that it was over, but not forgotten.

Officers for the Senior Class are standing; President Johnny Stephens, Secretary Brenda Taylor, and Vice Presidents; Ronny Byrd, Eddie Ingram, Ricky Franklin, Mitchell Williams, Brent Richerson and Stan Aaron who directed the years activities.

Juniors Win Powder Puff Tournament

March 5, the junior girls tangled with the seniors and freshmen for the powder puff trophy. These games resulted with scores of 11-6, juniors over seniors, and 16-13, juniors out scoring the freshmen.

First place float for the homecoming parade was constructed by the juniors. "Proud Tigers Keep on Rolling" served as the theme of the prize winning float.

Class members were given the chance on March 25 to vote for a change in the class rings and also pay their deposits.

Although the sophomore class with 304 members was a small class they were big on spirit and enthusiasm. During football season the tenth grade won the spirit stick once and worked to produce a float for the Homecoming Parade. The sophomore girls played the

Freshmen Develop Skills with Projects

Arlene Sims and Tommy Burt collage rocks for English project.

Constructing English and Alabama History projects for Mr. Herbert Lawley and Mrs. Kay Nuzum proved to be a challenge for freshmen. Projects such as collaged rocks, posters, and relics were done on their own for extra credit.

\$360.00 was collected on November 11, for the Kerby Fund, as a class project. Road blocks, car washes, cake and rummage sales produced the amount.

Third place Homecoming float prize was awarded to the ninth graders, with the winning theme as, "Spill the Aggies". President Jack Jones accepted the check of \$10.00 from the student council.

Spirited Eighth Graders Boost Roundball Team

Class officers were chosen for the first time by fellow students. The 330 students participated in the Homecoming parade by constructing a float with its theme, "We've Only Just Begun."

With the encouragement of the cheerleaders, who were all eighth graders, the basketball team came through the season with 15 wins and 4 losses. The Middle School Band, under the direction of Mr. Samuel Washington, consists of approximately fifty members. They participated in the Homecoming pre-game and half-time ceremonies and other parades.

Class officers Mary Ann Cabaniss, Lynn Fuller, and Lee Ann Quinley discuss plans for the Homecoming float.

ADVERTISEMENTS

Publishing an annual was a costly venture which has increased continually. Since students actually paid only one-third of the cost, the sale of advertising space to local merchants was used to finance the other two-thirds of the cost. The annual staff of Baldwin County High School has requested that you support us by shopping at home.

Poor little Betty
Sitting on a fence,
Got through high school
Without any sense.

Now I lay me down to sleep,
A box of candy at my feet;
If I should die before I wake,
You'll know I died of a stomach ache.

In your orchard of memories,
Remember me as your peach.

SOMEBODY LOVES YOU DEEP AND TRUE;
IF I WEREN'T SO BASHFUL, I'D TELL YOU WHO.

ROSES ARE RED,
LILIES ARE WHITE;
HERE IS MY AUTOGRAPH
TO PROVE I CAN WRITE.

I love you, I love you,
I love you divine,
Please give me your bubble gum,
You're sitting on mine.

I PINE FIR YEW,
I ALSO BALSAM.

REMEMBER ME ONCE,
REMEMBER ME TWICE,
REMEMBER THE BOY
WHO THINKS YOU'RE NICE.

Janice Johnson is my name
And with this pen I write the same.
The grass is green, the rose is red;
Remember me when I am dead.

When the name that I write here is dim on the page,
And the leaves of your album are yellow with age,
Still think of me kindly, and do not forget
That, wherever I am, I remember you yet.

WHEN YOU ARE MARRIED
AND HAVE EIGHT OR NINE,
GATHER THEM UP
AND COME OUT TO SEE MINE.

When I was a little boy
I used to hunt squirrels,
But now I am a great big boy
I'd rather hunt girls.

When you are old and full of beans,
Remember me in my blue jeans.

2, 4, 6, 8
How the heck did you graduate?

My ink is pale,
My pen is frail,
My hand shakes like
A puppy dog's tail.

I WISH YOU WERE A BROKEN SHOE
AND I A PIECE OF LEATHER,
SOME OLD COBBLER WOULD COME ALONG
AND NAIL US BOTH TOGETHER.

I wish I were a lemon
And here's the reason why . . .
When you came to squeeze me,
I'd squirt you in the eye.

DON'T GO TO LONDON,
DON'T GO TO FRANCE,
STAY HERE AT HOME
AND GIVE THE BOYS A CHANCE.

Autographs, both humorous and serious, are permanent expressions of good will. To you, the June Graduates, go our continuing "Best Wishes and Congratulations."

When you are old
And out of shape,
Remember girdles
Are \$3.98.

FIRST NATIONAL BANK hopes that you and all the graduates of other years and other places will enjoy reading these familiar lines.

Love is a peculiar thing,
It's something like a lizard;
It wraps itself around your heart
Then crawls into your gizzard.

REMEMBER THE MOON,
REMEMBER THE STARS,
REMEMBER THE NIGHT
WE BOTH SMOKED CIGARS.

Autograph writing is rather tough;
Here's my name and that's enough.

I looked your album through and through
From one end to the other.
I find that you have many friends
And I will be another.

Now you lay you down to rest,
And pray you pass tomorrow's test;
If you die before you wake,
That's one less test you'll have to take.

May all your life be lived in peace,
May all your eggs be fried in grease.

Roses are red,
Violets are blue,
The sidewalk is cracked
And so are you.

ESS YOU SEE SEE EE DOUBLE ESS

I will not write "Forget-me-not,"
As other people do,
But I will write "Remember me
As I remember you."

MAY SHE TO WHOM THIS BOOK BELONGS
FEW SORROW'S KNOW, IF ANY;
HER TIMES OF GRIEF, MAY THEY BE BRIEF,
HER HAPPY MOMENTS, MANY.

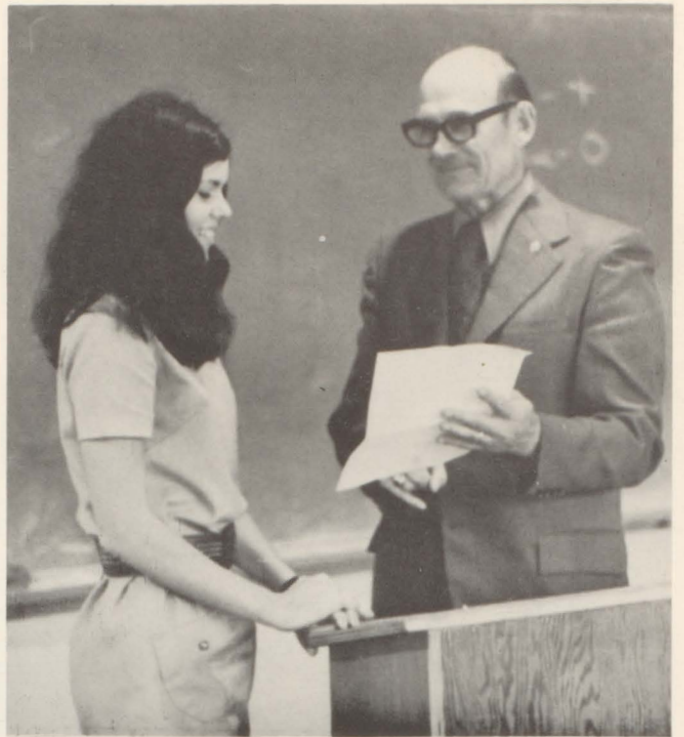

IN YOUR SEA OF FRIENDS,
PLEASE COUNT ME
AS A TIDAL WAVE.

We Thank You

Ronnie Wiggs, representing the French II class, pins Miss West with an orchid.

Above: Mrs. Julia Noonan's trigonometry class presents her with thirty-three long-stem red roses and a cake in an effort to show their appreciation for her three years' work with them.

Miss Lillian Leonard is shown with the bouquet which was presented to her by the physics students.

We've reached a goal. But, have we done our best in our undertakings? Are we, in climbing toward life's goals, going to

excel at whatever we attempt to do? We each must travel our own road, giving our all—to EXCELLENCE.
