"Some men see things as they are and say 'WHY?'  
I dream things that never were and say  
'WHY NOT?'"

GEORGE BERNARD SHAW

# Why Be Apathetic? Why Not Be Involved?

In today's apathetic world you are given a challenge to care—to care enough to get involved. "Get involved in what? There's not anything to do around here." No there isn't much; just political, civic, athletic, musical, academic, artistic, and career-oriented activities to explore. And if you really want to make things happen, you must get involved. You must BE A PART, not APART!

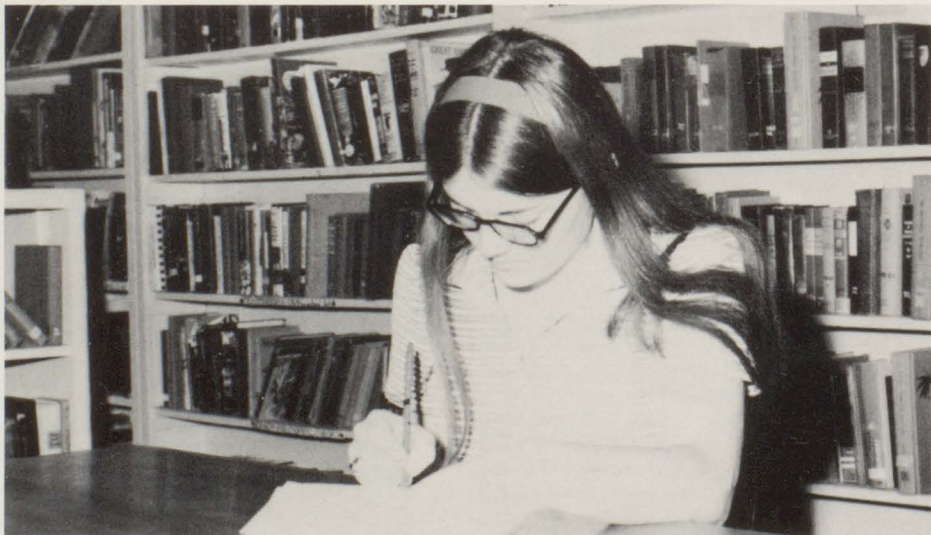

# Be Concerned; Help Someone

FAR LEFT: Gwyn Bryars scans paper for news of her candidate. OPPOSITE LEFT: Senior girls paint spirit signs. LEFT: Kim Price and Pat Ryan collect for United

## Why Be Bored? Why Not Be Creative?

Be expressive. Make your own beauty.  
Talent helps you make others happy.

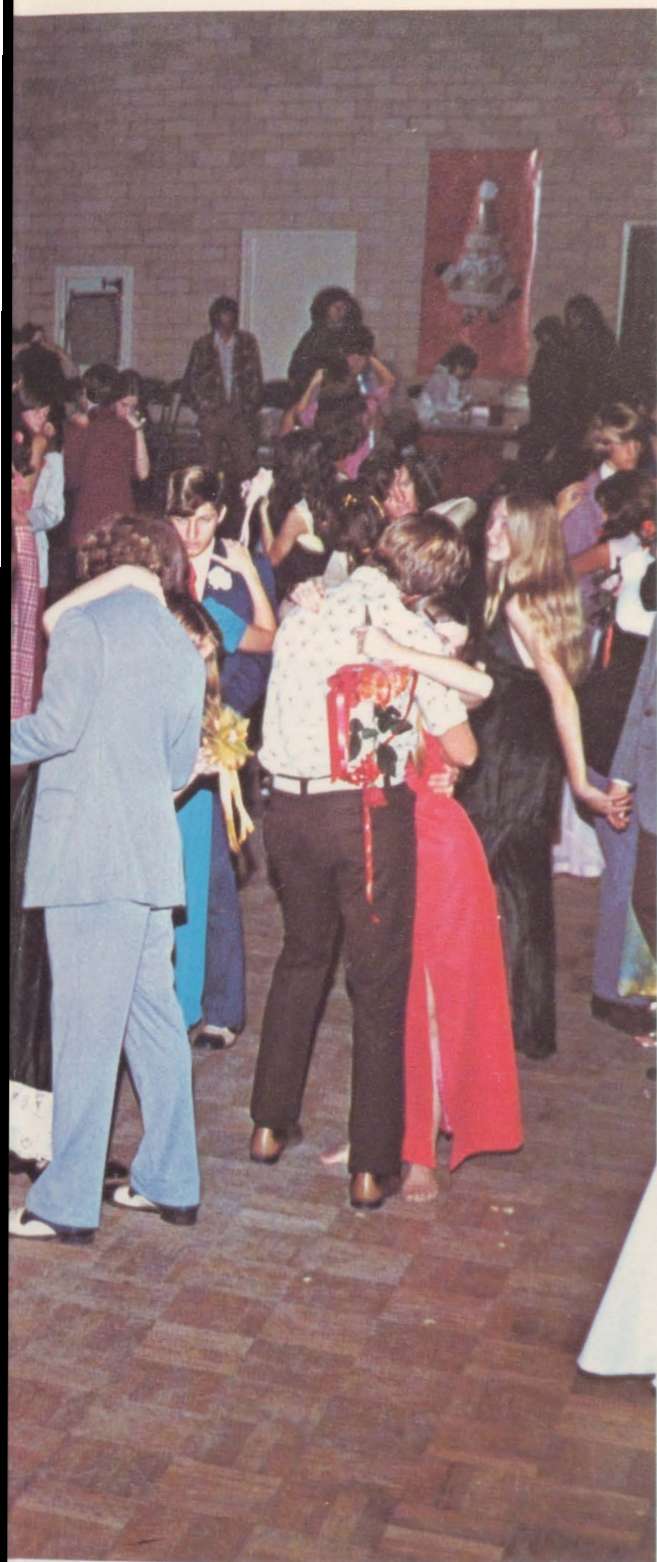

# Why Be Gloomy?

LEFT: Rhonda Fendley beams with pride at her prize-winning creation. CENTER: Bright decorations and gay formals abound at the Winter Formal. RIGHT: BCHS's own Christmas tree adds to the holiday spirit.

# Why Not Be Enthusiastic?

Catch the spirit of the season. Be cheerful. You get out of life what you put into it.

Why Be Negative?

Why Not Be . . . Positive?

Believe in yourself. You CAN find a place to park, even if it is eight-thirty and you're late! Think positive!

# Why Just Exist? Why Not Live?

And finally, be Happy—because  
Being happy inside is the first step  
to reaching others.

Be Happy!

The first game was won over Fairhope by 50 points. In the second game, Williamson was defeated by a 10 point margin. However, with the third game, our luck ran out, and Davidson had a 50 point advantage over us. C'est la vie.

# Quarterback Club Presents Football Banquet

On February 10 1973, the Bay Minette Quarterback Club honored the B.C.H.S. football team and cheerleaders with its annual banquet held in the cafeteria. Master of Ceremonies was the Reverend Daniel K. Christenberry, and the guest speaker was Kenny Stabler.

It was a night of awards for the players. The Most Outstanding Defensive Lineman award went to Leonce Williams. The Most Improved Player award was presented to Bennie Garrett. # Winter Wonderland Lends Christmas Spirit

Bay Minette City Hall was the site of B.C.H.S.'s third Christmas Formal on December 22, 1972. A Pensacola band, the "Ounce of Time", provided music for the dance which was sponsored by the Student Council.

Carrying out the theme of "Winter Wonderland", was a Christmas tree complete with gifts underneath. Snowflakes hung from the ceiling; snowmen decorated the windows, and a fireplace added warmth to the holiday atmosphere.

The highlight of the evening was the Annual Staff's announcements of class favorites and Mr. and Ms. B.C.H.S.

## Senior Class "Breaks A

The senior class, true hams that they are, got a chance to show their stuff with Gregory Johnston's comedy of errors, **Curtain Going Up**. The play was presented on March 9 and 10 at the Bay Minette City Hall.

Taking place at Riverview High School, the play concerned itself with the trials and tribulations of the production of a senior play.

Performed to a full house on both Friday and Saturday nights, the play grossed approximately \$600 and was tremendously enjoyed by the audiences.

The entire cast did an excellent job and had a lot of fun despite the hard work and long hours put into the play, not to mention the fact that they were charged for dropping out of character, missing a line, etc. The money collected was put to good use, however—a party following the production.

The director, Mrs. Diana Pepperman, said of the cast, "The discipline, and dedication of these young men and women in learning parts, painting scenery, cleaning the stage, plus numerous other odd jobs has reconfirmed my admiration for youth."

## Freshmen Find Frolic Fun

On the night of March 3, 1973, Bay Minette's City Hall was alive once more as the seniors of '76 held their class dance, the Freshman Frolic. A local band, the "Under-Cleared Crystal", played.

"Color My World" was featured as the theme, and various earthy-type objects served to illustrate it: rainbows, mushrooms, a bridge, and butterflies.

The dance was a great success and a good time was had by all who attended.

# SOPHOMORES HOLD HOP

Decorations for the Sophomore Hop carried out the theme of "Saturday in the Park". Paper flowers, mushrooms, butterflies, birds, and an archway entwined with flowers and ivy provided atmosphere for the dance. A nature scene backdrop was drawn by Steve Langham.

Held on the night of March 31, the Hop was attended by approximately one hundred fifty people. "Rawzin," a Pensacola band played.

# JUNIORS AND SENIORS BOOGIE

Approximately four hundred people attended 1973's Junior-Senior Prom on Saturday, April 7, at the Bay Minette City Hall. Leadouts for the seniors began at about 7:30 and a second leadout was conducted for seniors coming in late. The dance began at 8:00 with music by the Harvey Wallbanger Horn Band.

The theme, "Pieces of April," was represented by decorations of giant daisies, butterflies, blue sky on the walls, a giant beehive at the entrance, and a glittering ball hung from the ceiling.

# Student Council Is On The Move

The Student Council, under the leadership of co-presidents Linda Jaye and George Watson, along with the guidance of Miss Linda Trawick, has been very active in keeping us busy.

At the beginning of school they set up an information booth in the Senior Square so that new students would be able to find their way to classes. Then, near the end of football season, the council did a fantastic job of the planning, carrying out, and cleaning up after the Homecoming Parade, the presentation of the Queens and their Court, the half-time activities, and the dance. When things started getting boring around Christmas, they got busy and sponsored a Winter Formal.

Now, at the end of the year, with four old and new officers, we have the anticipation of next year and the memories of the year just past.

# Busy Is Band

The B.C.H.S. Tiger Band has been very busy both on the field and off.

Adding flash and color to the marching band during halftime shows were the Tigerettes, the majorettes, and the Color Guard. The band also marched in the Kids' Day and Homecoming parades, and sold mistletoe at Christmas to buy a new taperecorder for the band room.

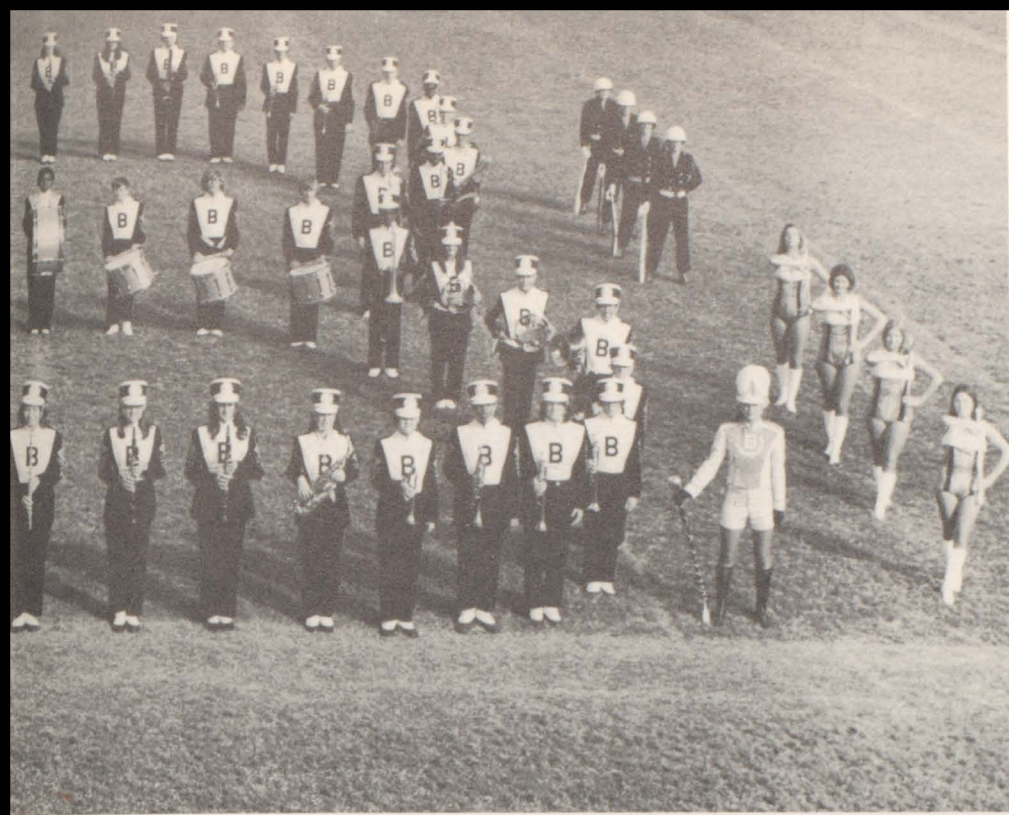

The Concert Band went to district and state contests and returned with a rating of "good".

Pattie Martin and Lavell Clemmons made the All-State Band.

# Roaring Tigers Roar!

The Tiger's Roar underwent a radical change in format in 1972-73. A brand new staff was faced with the problems of learning a whole new publication procedure. Two months of frenzied hard work produced the first edition--and success. Thus began a year of desperately hard work and financial satisfaction. For the first time, the paper paid for itself entirely through student support. Continued support enabled the journalism class to increase the paper in size from four pages to twelve pages for the final Senior Edition.

Staff members come and go, but the Tiger's Roar will always be around.

## Office plays important part in school activity

Office cooperation and hard work with the student body are the basis of a good school. Our principal, Wallace R. Williams, and Assistant Principals, Leroy Bryant and Gherlin McDaniel, work together to plan school activities and also to keep law and order within the school. Nadine Beasley and Jean Garner take care of all the general business with the students. Martha Howell, Guidance Counselor, helps students with plans of the future which build on actions of today. Cooperation is one of the factors to help achieve this final goal.

The hard work of students from the Vocational School has proved successful for the last two years. Several students have acquired jobs from recommendation of the Vocational School. Courses offered are Childcare, Horticulture, Construction, Drafting, Welding, Agriculture, Mechanics, Business and Office Education, Floraculture, Refrigeration, Air-Conditioning, Television, Radio, Electronics, and Clothing and Alterations. Vocational School has been a great help to students who do not wish to attend college.

# Juniors try studying

The junior Class got it altogether by winning second place on their Homecoming float. The theme was "Mother Nature Says, 'It Isn't Nice To Fool The Tigers'." By continuing this togetherness, they held a light bulb sale to raise money for the Junior-Senior prom. To top off their many decisions of the year, each member of the class had to choose the style and color of his ring.

# Freshmen Enjoy Being In High School

Addie Tyner portrays Abbie Deal, an 80 year old woman from the book, A Lantern In Her Hand, for her book report in English.

Abrams, Mary

Addicks, Penny

This year was the first year in high school for the Freshmen. They found it to be a challenge and quite enjoyable.

The Freshmen showed their independence by doing all the work and fund raising for their Freshmen Frolic. They held bake sales in order to raise the money. There was no help from the faculty.

The theme for the Frolic was "Color My World;" the covered bridge and colored flowers carried the theme out beautifully.
