Center for Technology

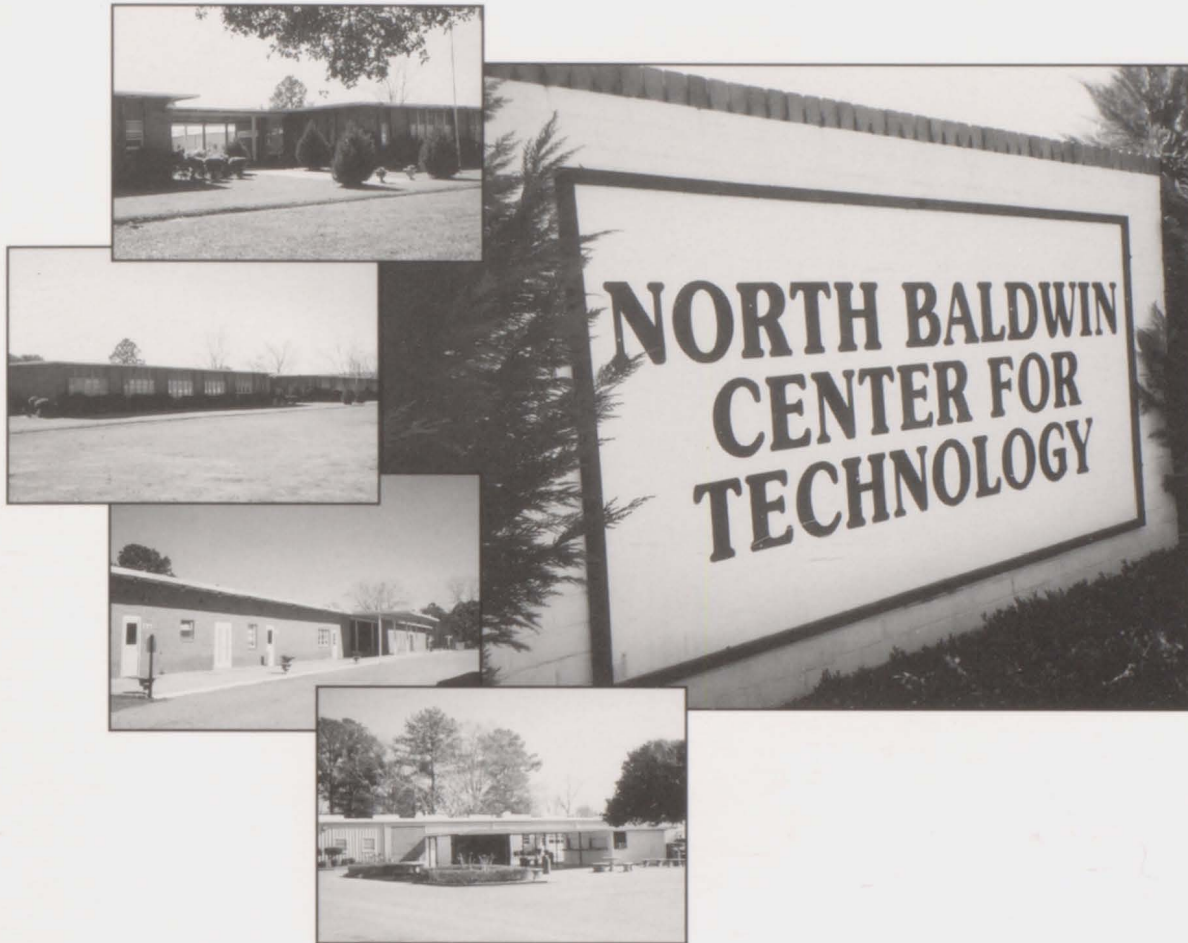

North Baldwin Center for Technology

505 Hurricane Road, Bay Minette, AL

Providing students a variety of opportunities for excellence in career technical education.

The North Baldwin Center for Technology opened in the fall of 1971 in Bay Minette, Alabama. Baldwin County High School and Daphne High School students take elective classes in eleven career-technical programs and two academic programs during the school day. Over 800 students attended classes at NBCT during this school year, with many taking more than one course. A qualified staff that has 46% with six year Master's Degrees, 38% with Career Technical Level Master's Degrees, and 16% with Bachelor of Science Degrees teach at NBCT. All programs at NBCT are 100% Business and Industry Certified through the Alabama State Department of Education.

2003-04

Shining Success

Shane Stewart went to work with Stewart Electric Co. following his graduation in 2001. Today he is working as the head electrician (Foreman) of a new mall being built in Spanish Fort. He attended classes in Heating, Refrigeration, Ventilation & Air Conditioning.

Bobbie Jean Parker Hicks graduated in 1973 from BCHS after completing two years of career-technical training in Business/Marketing at NBCT. She has owned and operated her own business, Hickey's, Inc. for 25 years in Baldwin County.

Anthony Schuler was an excellent student at NBCT in Automotive Technology. Following his graduation from DHS in 1998 he pursued a career in the automotive industry. He has continued to be very successful in this career choice and is employed with Sandy Sansing Nissan as an automotive technician.

Thomas Pimperl is a partner/owner of T & T Equipment Co. He graduated in 1980 and has successfully worked in the mechanical field for 23 years. Because of his career/technical education, Mr. Pimperl feels it was possible for him to succeed, despite an accident which left him a paraplegic. He opened T & T Equipment Co. in 1998.

TRIBUTE TO NORTH BALDWIN CENTER FOR TECHNOLOGY

Year after Year
You've passed the test
Shown leadership ability
Above all the rest

Faithful and strong
Committed and true
Such can be said
Of young people like you

In honor of you
We've gathered today
To pay tribute in love
What more can we say?

We're proud, we're sad
We're teary, we're glad
Such bittersweet moments
Are ours to be had

Please accept this token
Of our love and affection
It's sturdy and strong
Like the lives you've shown

The future looks bright
New challenges ahead
Keep your goals in sight
You've nothing to dread

In its strength, lies its
beauty
Worthy qualities to hold
For that's what we see
As your lives unfold

Strength yet beauty
In hearts of gold
of North Baldwin Center
for Technology
Whose tale just told.

Chris Coates

Vicki Lyles completed the Early Childhood Education program at NBCT in 1991. She teaches 4th grade at BMIS and credits her success to the training and guidance she received at NBCT. Both were instrumental in helping her obtain the financial help she needed to attend college.

★ ★ NBCT Happenings

Students at NBCT made local and national news by installing reinforced metal plates to military humvees and building wooded crates for gear/equipment before the local National Guard unit was shipped to Iraq. Keith Langham and John Cabaniss look at news article found in *USA Today*.

Students in Automotive Technology work on the project to install metal plates.

Matt McCory helps to "line 'em up and move 'em out."

BCBE School Superintendent Faron Hollinger congratulates the NBCT Red Ribbon Leadership award winner Shepard Stuart.

During the year students participated in school assemblies and enjoyed guest speakers.

Students are bussed from BCHS and DHS to attend elective classes at NBCT. Clay Shiver and Chris Phillippi show off their bus.

Students at NBCT had pictures made for the first yearbook in 33 years. Students get ready at registration tables for picture day.

Eighty-five students from NBCT attended the International Festival at the Mobile Convention Center.

2004

Hands-on projects make it not seem like school!

Students have a preschool program at NBCT to learn about early childhood education.

Students learn by doing—not just reading about it.

★ ★ ★ Agriscience

A new cooling system for the greenhouse is constructed by Jeremy Todd, Jory Marshall, Antonio Williams, Lesley Langley.

Andrew Knight receives prize money from Mr. Allan Williams for his efforts in selling citrus during the annual FFA fruit sale.

Bonnie Jacobs and Danielle Gateley sort seeds for planting in the Agriscience greenhouse.

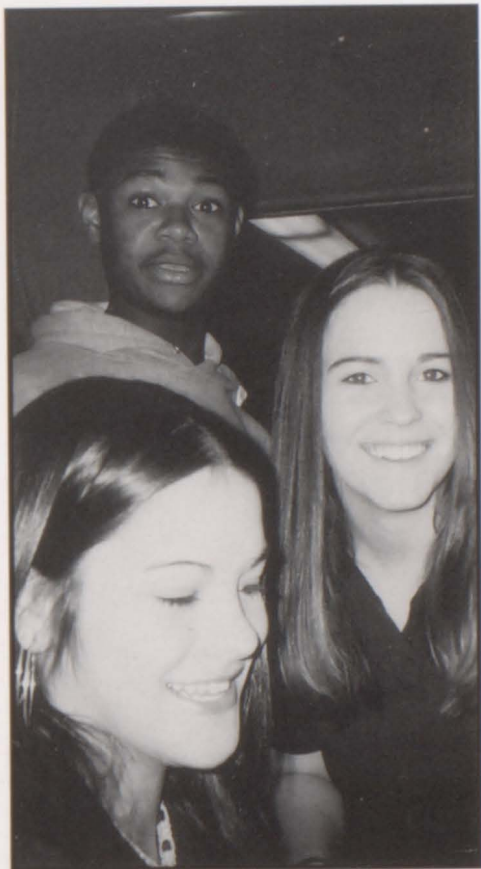

Buck Brandon and Bradley Smith unload a delivery of plants for the spring plant sale project.

Beautiful flowers are the result of Lennie Floyd's green thumb!

Bonnie Jacobs, Danielle Gateley, Robert Walton, Parris Smith enjoy the "hands on" projects in Agriscience.

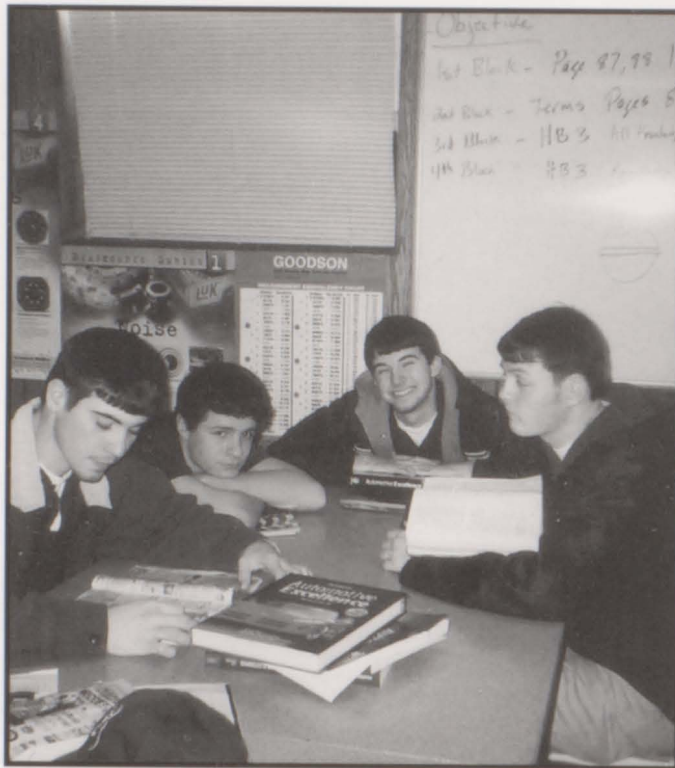

John Black and Kevin Johnson learn how to install panels for the new cooling system.

Automotive Technology

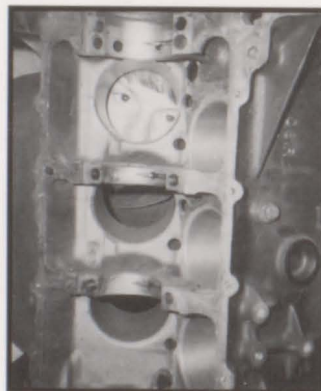

Dustin Nall, Corey Houdek, Josh Baria, Matt Luker, C.J. Owen, and Allen Smith learn about engine repair in the shop.

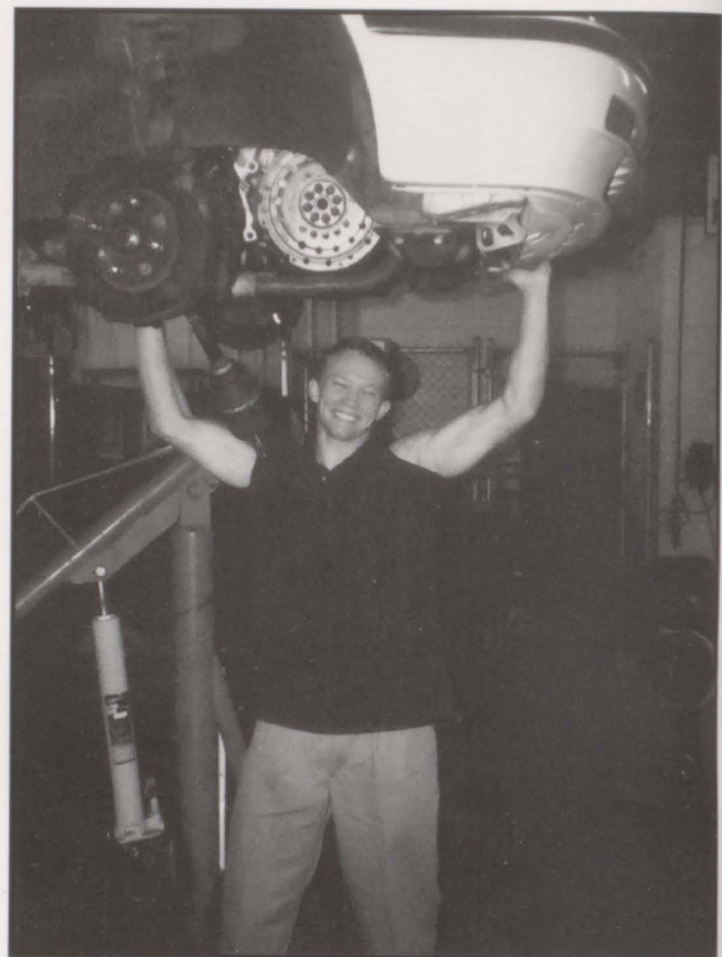

T. J. Spillman, John Daw, Chris Cooper, and Chris Eubanks say please give us some more book work Mr. Langham.

Brandon Taylor takes a peek at this engine block.

Allan Smith only wishes he could lift a car like this!

Casey Stewart, Justin Overstreet, and Lonnie Sims can't wait to get their hands on this engine.

Josh Knowles likes to get his hands into his work.

Corey Houdek and C. J. Owen make repairs on the carburetor.

Learning to look up "specifications" are Jessica Brooks and Heather Mura.

Just a little more to the left Auto Tech guys!

Building Construction

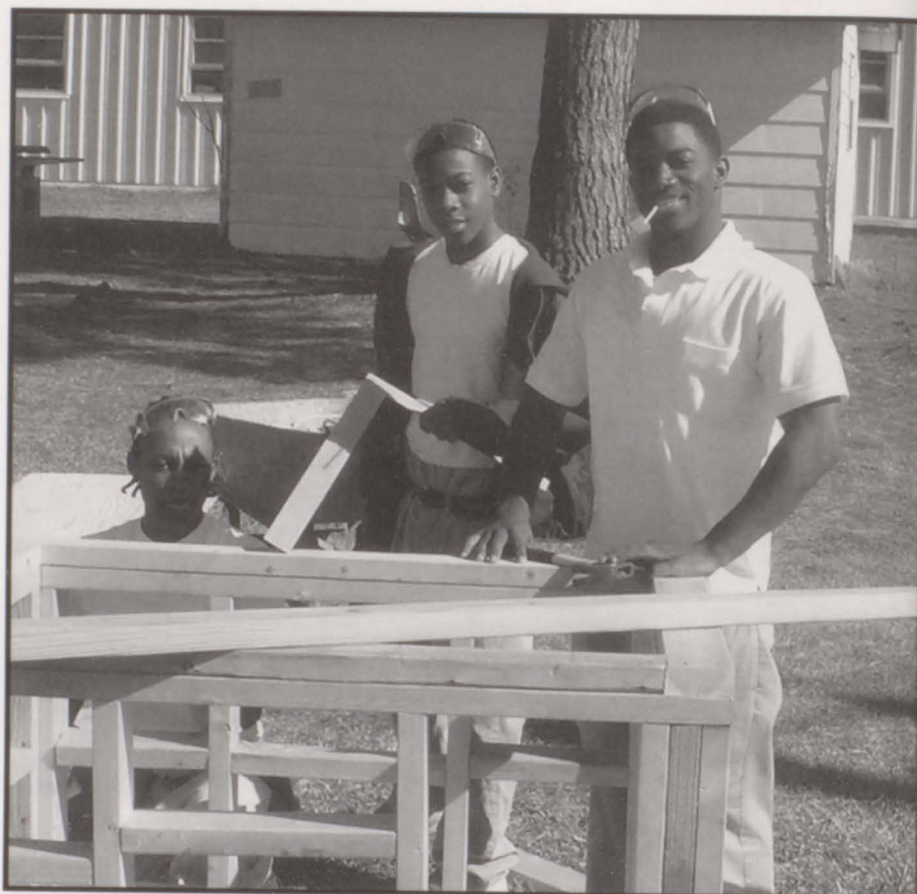

Basic Carpentry students get ready to return to the high school. Students shown are Jory Marshall, Josh Hall, Justin Overstreet, Les Smith, Jacob Risner, James Moody, Jody Bass, Jason Clapton, Shawn Nicholson, Bobby Brown.

Jason Clopton, Matthe Moody, Shawn Nicholson, Michael Jones, Jody Bass work on building site preparation.

Josh Hooks, Jamel Anderson, Greg Shepherd improve wall framing skills by building a dog house.

Sam Brown and Richard Waldrop put extra effort into their project.

Zachary Dobbins, Les Smith, Jacob Risner, Justin Overstreet prepare a building site.

Installing ridge boards gives Kevin Johnson, John Black, Jeremey Todd a bird's eye view.

Josh Hall, Bobby Brown, James Shelton, and Orlando Cox enjoy classroom activities outside.

Jory Marshall, Orlando J. Cox, Josh Hall, Bobby Palmer, Les Smith, Jacob Risner, Jody Bass, Shawn Nicholson, Justin Overstreet, Bobby Brown hang out while waiting for the break bell.

Ian Tanner, Larry Killing, Jamell Anderson cut siding for a project.

★ Business/Marketing

Students are members of DECA, an association of marketing students. Student officers shown are Heather Martin, Amalia Karagan, Crystal Reynolds, Ashley Stacks, Meggan Evans, and Karis Stewart.

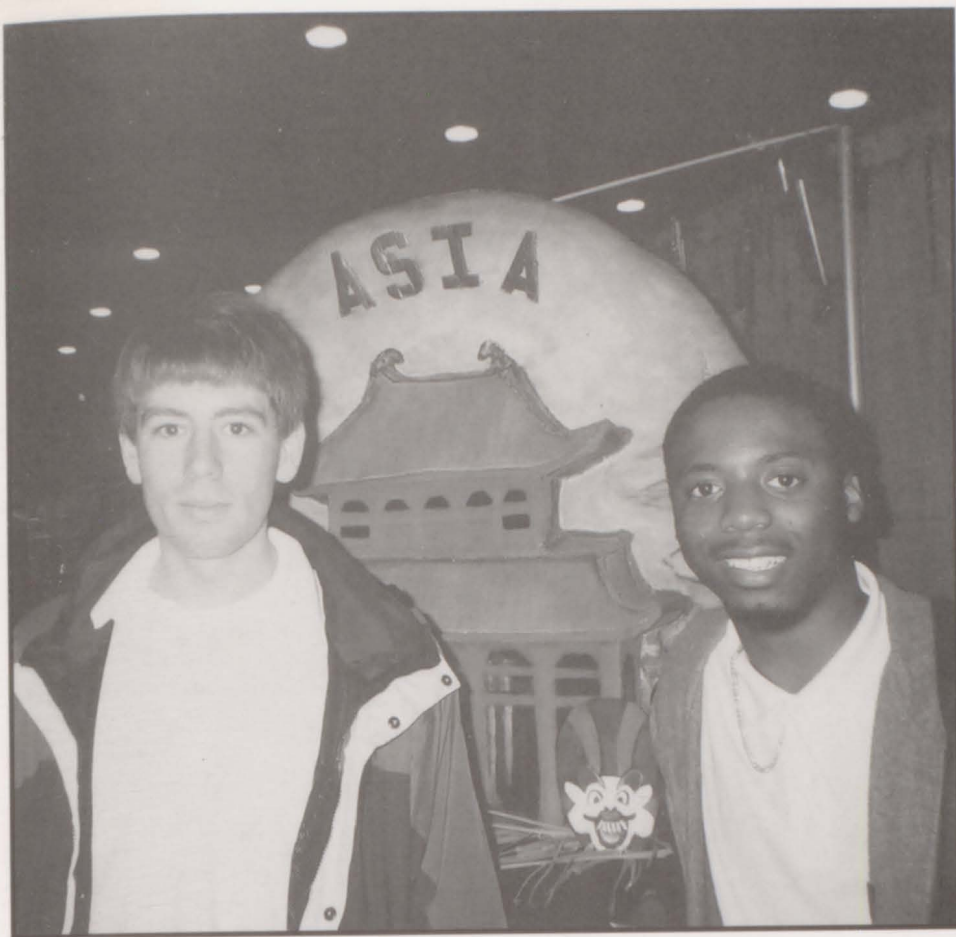

Marketing students enjoyed a field trip to the International Festival to learn about the global marketplace. Joey Mason, Zane Mays, Logan Williams and others have fun away from campus.

Future entrepreneurs who plan on making lots of "cents" are Erica Gatrey, Penelope Demont, Courtney Candy, and Bobby Brown.

No frogs in this bunch! Courtney Candy, Amber Crenshaw, Penelope Demont, Scarlet Cox, Sarah Kersey strike a pose in the marketing classroom.

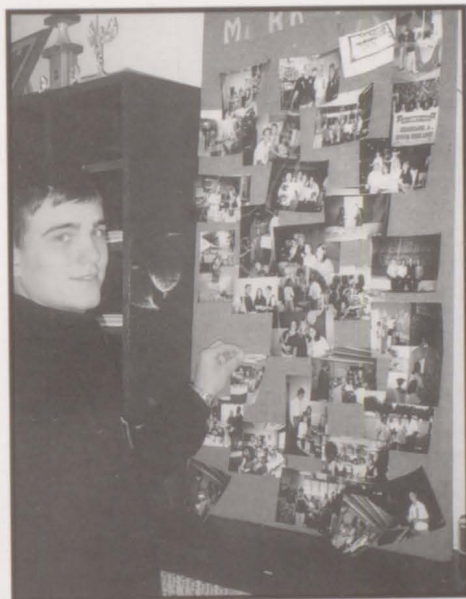

Sean Banks and Traveon Bradley take a quick trip to Asia at the International Festival.

Karis Stewart and Ashley Stacks load the drink machines in their marketing class.

Meggan Evans gets the hang of all those cans.

Clay Shiver checks out events in marketing and DECA.

Heather Martin and Amalia Karagan make plans for helping with the NBCT yearbook project.

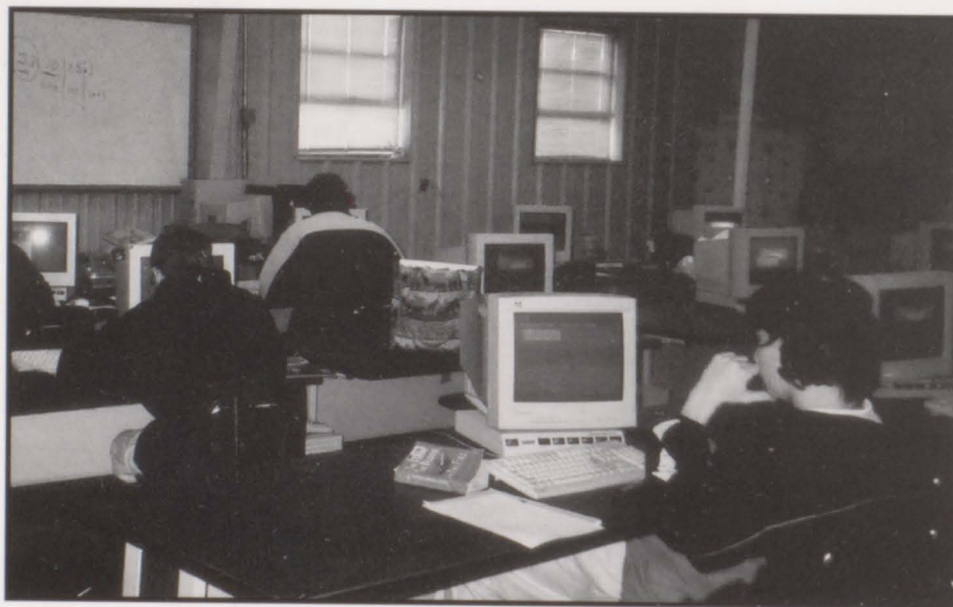

Computer Electronics

Chris Young works on a computer maintenance assignment.

A/C D/C electronics class works on electronic math.

Chad Posey repairs a computer in class.

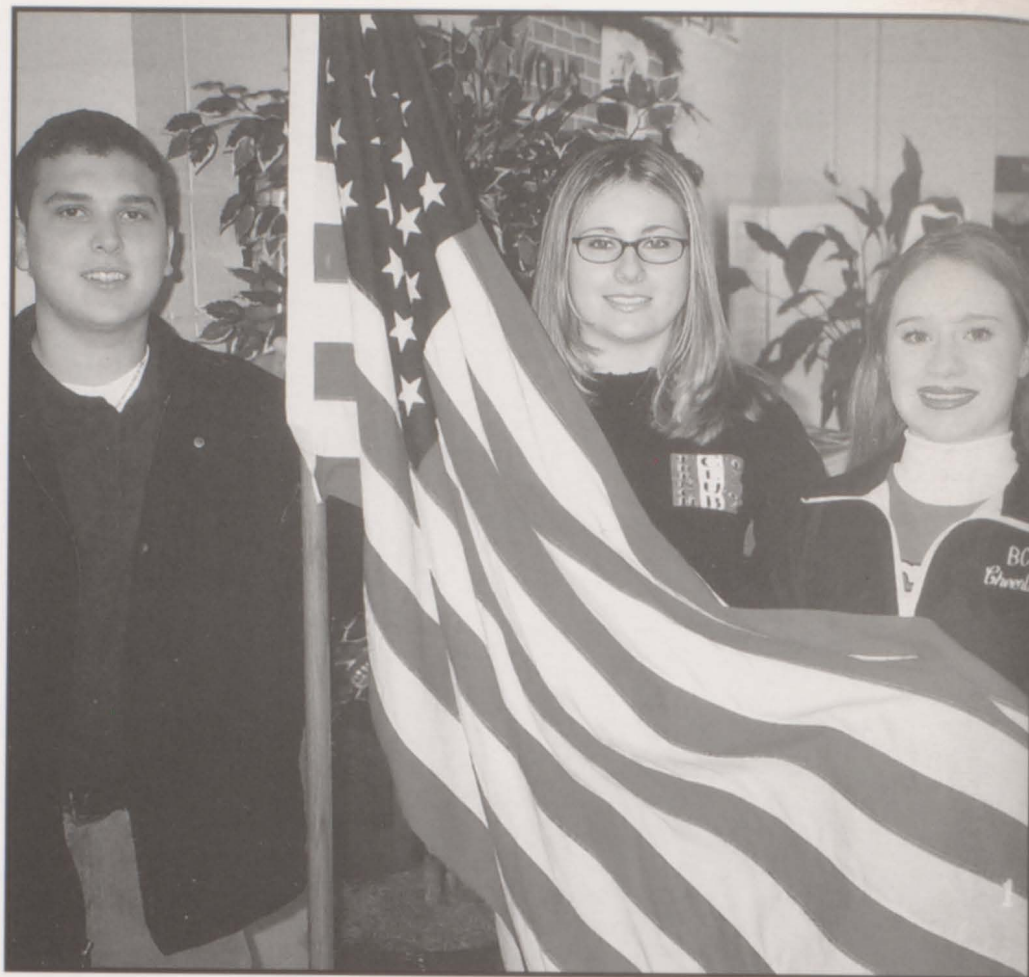

Programming a Cisco router makes Kerry Faison study his notes.

Chad Posey and Kerry Faison share ideas for programming a router.

Chris Phillipi, Lindsey Boyington, Eric Tuberville explore career opportunities in our Free Enterprise system while taking Coordinated Studies.

Josh Conway and Shaina Byrd say, "Hats off to job success," as they design paper hats during a career exploration project.

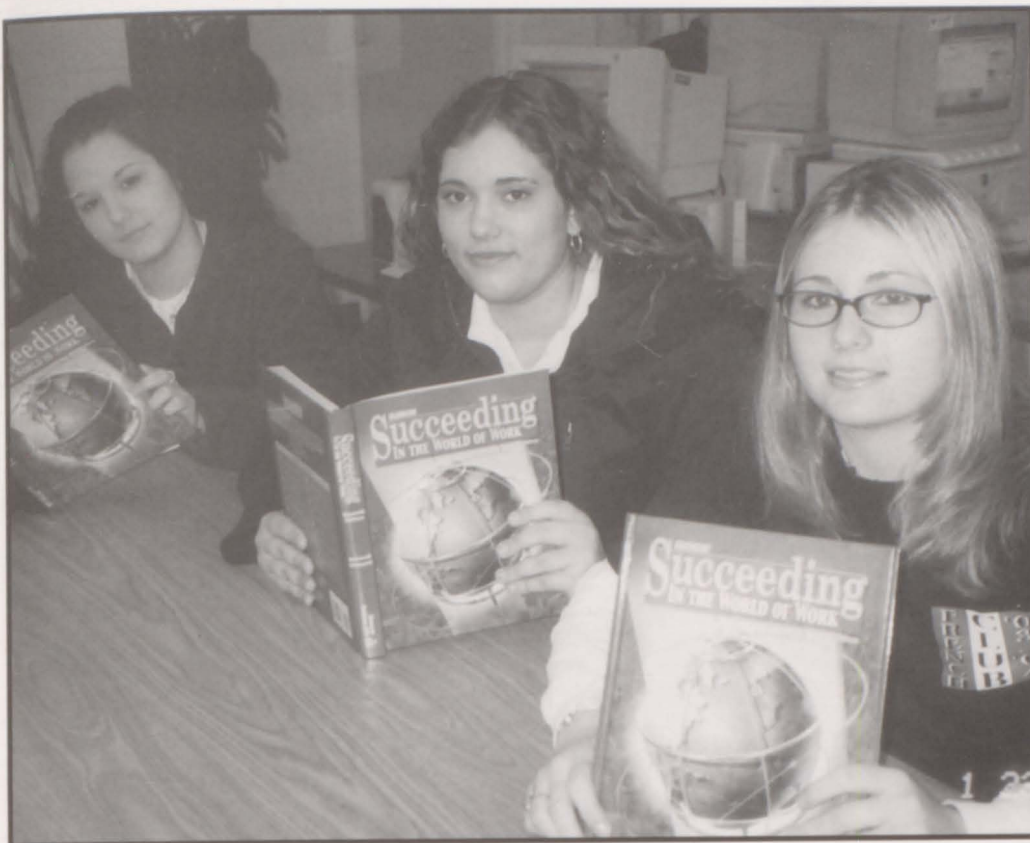

Coordinated Study is a prerequisite for co-op participation (Coordinated Study Seminar). The following students prepare to co-op during their Senior year: Amanda Shiver, Maegan Brock, Tana Johnson, Jo'Shunda Pruitt, Megan Lister, Jessica Dale, Amber Haynes, Shantell Bradley, Shawan Davis, Charles Day, Billy Brown, Matthew Judy, Jeremy Todd, Brandon Langham, William Nix, Kyle Smith, Tristan Tucker, Dale Gallher, Robert Walton.

John Black likes leaving school at 4th Block for his co-op job. His employer likes it too!

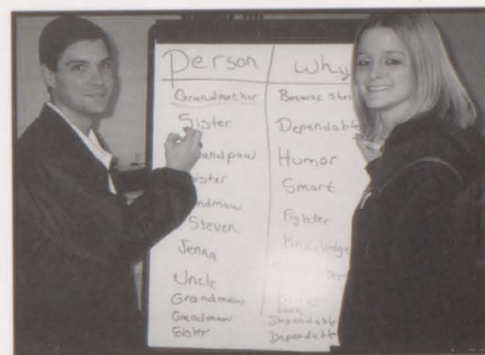

Cooperative Education

Sarah Kersey, Penelope Demont, Lindsey Boyington check out the new textbooks in Coordinated Study.

Keegan Homan and Amber Crenshaw take part in a class activity.

Karis Stewart learns while she earns in her co-op job.

It's class time for Brittany Porter, Ian Lazzari, Amy Karagan, Cedric Sledge, Brittany Woodham, Heather Martin, Brandon Lewis, Mar Burnham, Maquita Carter, Brianna Mack, Clint Johnson, Melody Trione, Dustin Gilbert.

Cosmetology Science & Art

Derrick Earl and Charles Porter learn to use the clippers and develop their skills in barbering.

Heidi Elliott and Connie Anderson try out the latest styles during lab time.

"Peek-a-boo" Melissa Crook.

Connie Anderson looks great, thanks to Monique Holloway.

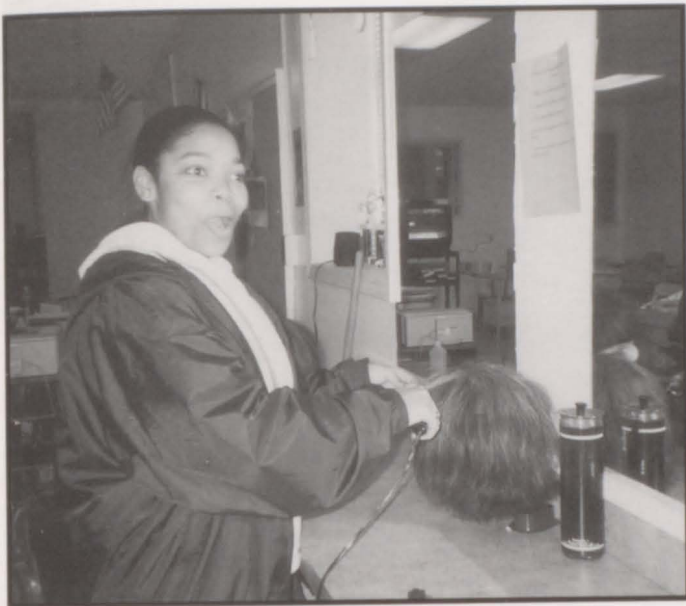

It's shop talk for Lauren Smeraglia, Lauren Smith, and Holly Faulkner while waiting for a style to dry.

JoQuandra Pruitt gives instructor Kathy Dixon "the works" during lab time.

During chemistry class Bonnie Jacobs tests shampoos.

Ambria Mix asks, "how long before I get a client with a body"?

Danielle Gateley styles a customer (Joann Moore) from the community and gains "real world" experience.

A field trip to the Bay Minette Public Library is fun for all.

These future teachers are Tana Johnson, Charity Lambeth, Brandy Vedros, Stephanie Wilson, Jennifer Bush, Marieas Pigrum, Kandace Stewart, and Raven Baldwin.

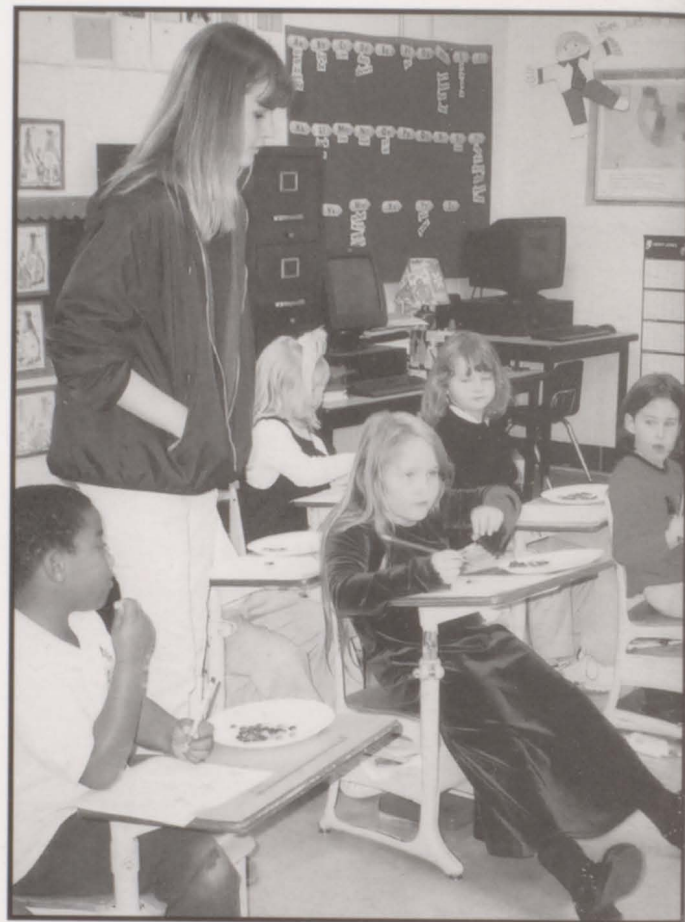

Students take part in the homecoming parade with their FCCLA chapter.

It's time for preschool math with the help of Shae Shoemore and Brittany Liman.

Kristen Jones spends time around the camp fire with a preschool student.

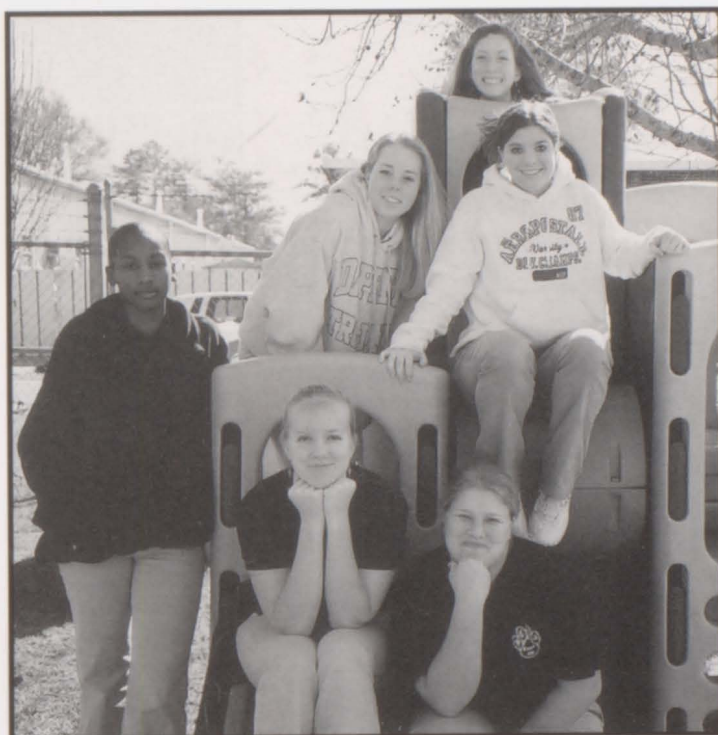

Ashley White gets a chance to work as a teacher's aide at Bay Minette Elementary School.

Early Childhood Education

Amanda Pharez, Brittney Buckley, Emily Williams, Cissy Harrison, Karis Stewart, Mallory Poling, Camille Lindsey take the Teaching Careers class.

Jennifer Rigby and some NBCT preschoolers participate in the Kid's Day Parade.

Play time is a hit with Amanda Pharez, Stephanie Rebec, Brittney Buckley, Melissa Joiner, consuela Adams, Rachelle Farlberg.

The sand table keeps everyone busy, including Danielle Hood and Lauren Labert.

Students and NBCT preschoolers discover new things daily.

Health Science

Marcy Choate and Clint Johnson make a model of the heart out of an apple.

Tana Johnson comes into the class and wants to know, what's so funny Amy Moseley?

Amy Willis and Christina Perry decide if it's really a cell or a taco salad.

Brianna Mack and Latecia Brown show off their cell model made out of a cookie.

Students work hard to learn about the human body.

Kelli Herring, Laquanda Campbell, and JoAnne Chace are all smiles about their project.

HOSA members Renee Williams, Ashley Rabon, Ashley Jackson, Tammy Ashfield, Kelli Herring, and Ashley Phillips go on a field trip to Mobile.

Jackie Daniel and Ashley Jackson worked hard on their heart model for class.

Shayna Thompson, June Thomas, and Katherine Byrne are artistic with their heart model.

Class time is fun in Health Science.

Nick Scarbrough, David Scott, Logan Williams, Lucas Taylor, Kendrik Banks, Joseph Caney, Josh Baria take a class in compression and heating.

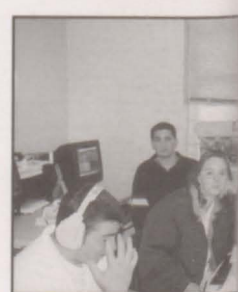

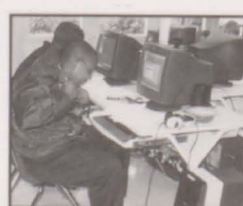

Samantha Cole, Daniel Hinote, Chris Phillippi are making flares and swags with copper tubing during shop time.

Sparks fly as Brittany Calhoun and Brandon Robinson brase and bend steel.

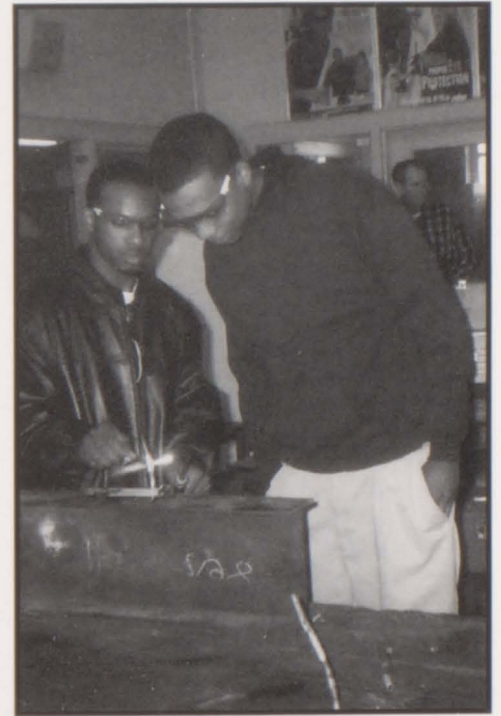

Wiring a fan motor interests Keith Bartolla, Keith Hadley, Josh Steber, Matt Bryant, Allen Peak, Patrick Mosley, Eugene Stewart, and Kyle Peaden.

Heating, Air Conditioning, Refrigeration, & Electrical

Introduction to HVAC students are Jared McGhee, Dustin Wallace, Adam Thomley, Brad Schwartz, Joseph Fleming, Caleb Powell, Sam Cole, Michael Wood, Josh Brown, Daniel Hinote, Chris Phillippi, and John Mark Valverde.

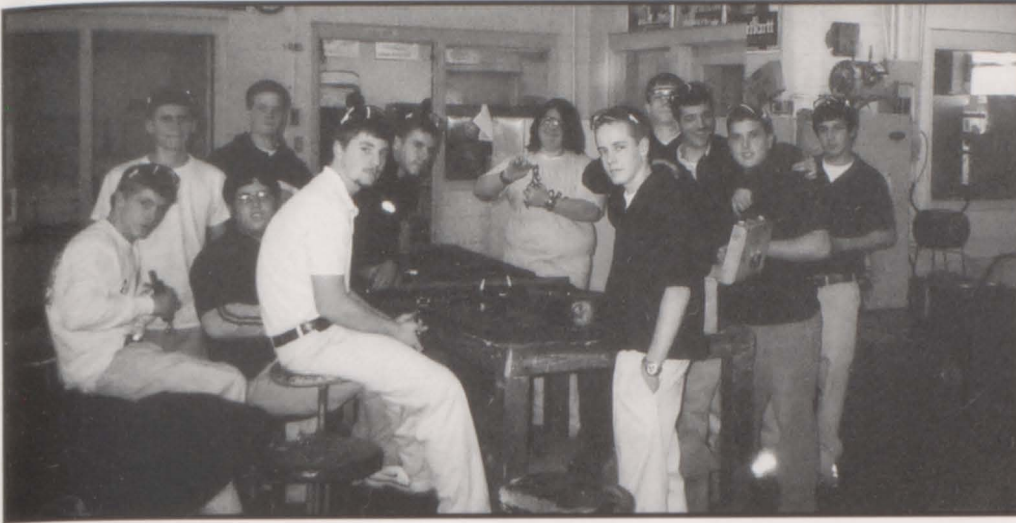

Shawn Smith and Lorenzo Brown learn about silver soldering and copper tubing.

During first block Justin Byrd, Lorenzo Brown, Kendal Anglin, Shawn Smith, Zane Mays, Torry Thompson, Devon Long, James Parker, Justin Byrd, Will Galloway, Jake Donaldson, Joseph Palmer, Brad Smith, Jared Cruthird learn the basics of HVAC.

Joseph Palmer, Darrin Gardner, R.C. Summerlin build a bird feeder out of sheet metal.

Matt Bryant, Allen Peak, Keith Hadley, Eugene Stewart, Patrick Mosley, Josh Steber, Keith Bertolla, Kyle Peaden are ready to get going in the shop.

Michael Brasher, Jared Johnson, Christine Bradley use their computer skills to finish up an assignment.

Raun Wiggins listens to instructions given on the Plato instructional software system.

Queens for the day in the IMPACT lab are Tamra Coleman, Shannon Jackson, and Vernesha Johnson.

Channel Williams works on an assignment in Government and Economics.

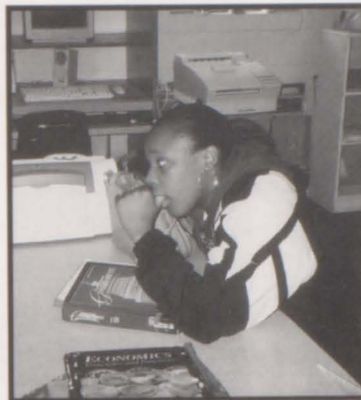

Smiling for the camera while working hard to complete his work is Blake Sprouse.

Career Prep

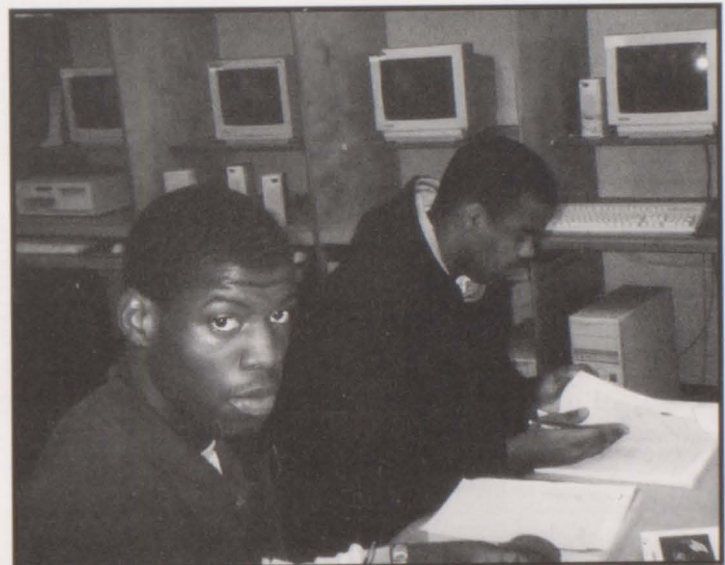

LaShay Bailey, Megan Parsons use technology in class.

Ernest Fields, Elbert Knight, Terry Brown, Greg Coleman pause for a picture during a study period.

Tammy Mims is deep in concentration mode as she studies for an exam.

John Benjamin and Ernest Fields collaborate on a group project.

Amy Holder and Emily Williams study with Josh Lawhorn.

Welding Technology

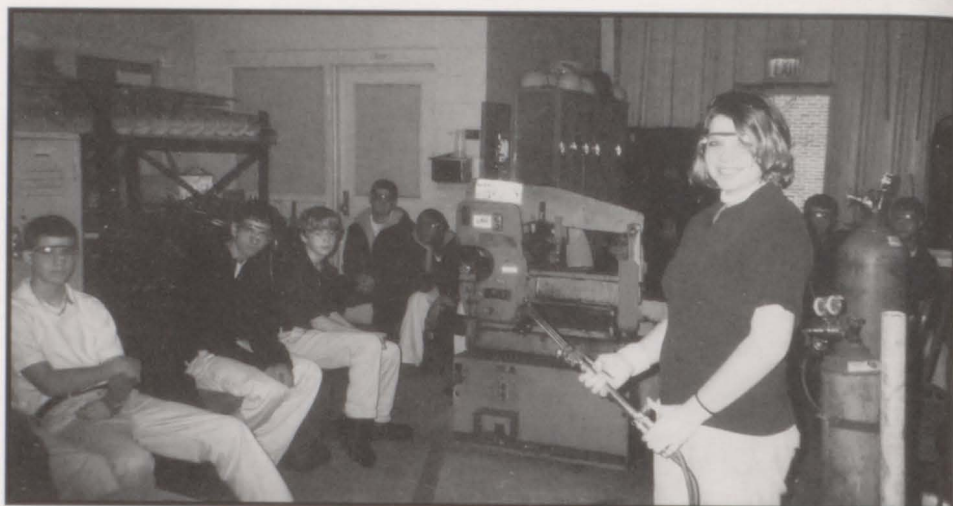

Introduction to Welding students show off the sign they made during shop. Students shown are Aaron Anderson, Richard Waldrop, Jason Peoples, Chris Taylor, Adam Kelly, Caleb Powell, Anthony Dean, Sherma Dale, Riley Waltman, Corey Singleton, Josh Stewart, Blake Buxton, Brittney Palmer, John Bange, David Dyson, Terry Naves.

Ashley Sprinkle gets ready to make a weld.

Riley Waltman demonstrates the proper way to secure the oxyacethlene cutting torch.

Kevin Jarman is in the dog house while Jarred Jackson and Lucas Rowell look on.

Mr. King says, "Do it this way Kaston!"

Kevin Jarman, Roger Howard, Lucas Rowell, and Logan Williams try to make it square.

Is it Niagara Falls? No, it's just Clay Shiver and Jacob Harville changing the water in the cooling tank.

Kaston Peavy, Nich Scarbrough, Clay Shiver layout and mark the armor door panels for the National Guard humvee project.

Look out—Blake Kennedy and Jopsh Bolar are getting ready to weld their plates.

Karis Stewart, Icey Brown, Joey Mason, and Tiffany Dechaine plan activities for the career-technical honor society.

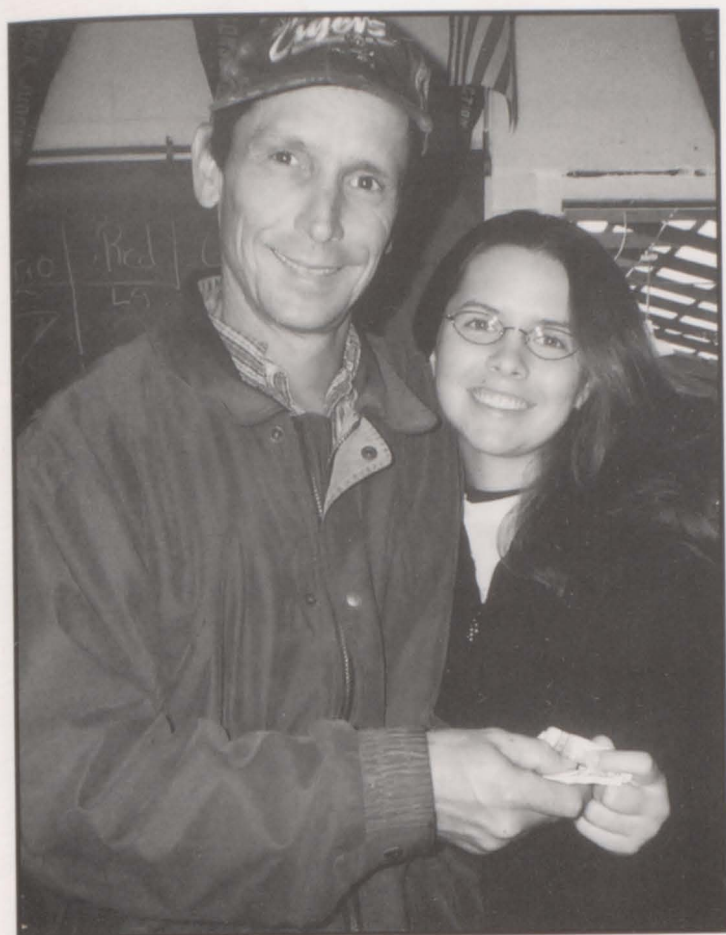

FCCLA members get their float ready for the BCHS Homecoming parade.

Who's got the beef? Clubs participated in the beef raffle fund raiser sponsored by the honor society. And the winner is...

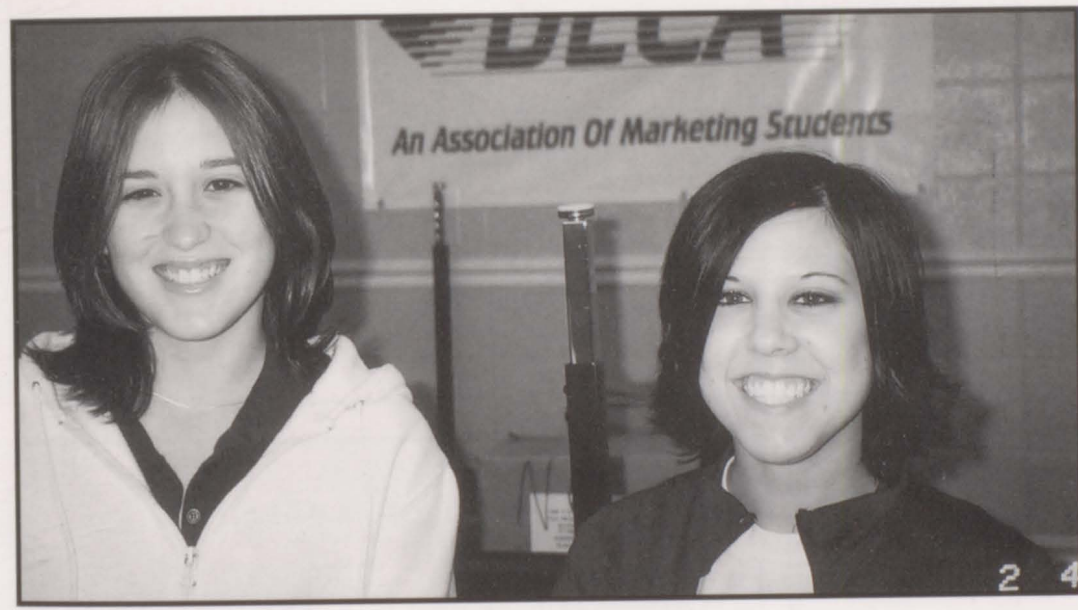

Karis Stewart and Ashley Stacks meet with Mrs. Bryant to plan the initiation ceremony second term for honor society.

The FFA annual citrus sale raised needed funds for the Agriscience program. Lara Brammann receives a cash prize for her outstanding sales effort.

Be a Star in a Career Technical Club!

Tana Johnson, Linden Abram, Shaina Byrd show off their HOSA spirit by wearing their club t-shirts.

DECA president Amalia Karagan and Heather Martin make plans to sell ads for the NBCT yearbook project.

We hear the
heartbeat
of Baldwin County.

For years, our mission at Thomas Hospital has been to provide exceptional healthcare for the whole person. Listening carefully to the needs of Baldwin County, we have worked tirelessly to expand and improve our services. Our new Heart Center is a state-of-the-art cardiology facility, with the area's leading cardiologists and cardiovascular surgeons working for you and your family. Of course, we've always put our heart into everything we do – this just makes it official.

The Heart Center at Thomas Hospital.
The newest reason people all over Baldwin County choose Thomas.

We are grateful for the opportunity
to care for those who defended us.

Associated Builders and Contractors

is proud to support

North Baldwin Center for Technology

for its efforts to recruit and train students for careers in the high tech, high wage, high demand field of construction.

Associated Builders and Contractors (ABC) is the largest commercial/industrial construction association in the gulf coast region, with more than 240 members in South Alabama, Pensacola (FL) and Pascagoula (MS). ABC has trained 10,000 workers in jobsite safety, donated \$220,000 to high school technical training programs, supports adult craft training, provides lobbying, business development, discounted insurance programs, industry information and other construction services. Contact us at (251)479-2441 or www.abcmidgulf.com.
