*Ms. Robinson's 2006  
AP Government and Economic Class*

*Dear Ms. Robinson,*

*You have completed the BCHS experience for our Advance Placement class of 2006. You always pushed us farther than we knew we could go. The "elasticity" of our brains have reached a "surplus" of knowledge. We are going to tell you a few last things you don't know. We are going to miss you and your class, the discussions of current events, your sunglasses, "volunteering", the "hats", and participating in the Veteran's Day Assembly. You opened our eyes to a new perspective of the world. We feel honored to be your last AP class.*

*Love,  
Your AP Class of 2006*

*P.S. All politicians are crooked!!!*

All Our Love,  
Dad, Mom, and Mandy

Throughout the Years  
 There have been smiles and tears  
 We are all going our separate ways  
 But we wish we could stay ---

    Melissa is the kooky one  
 Her future has just begun,  
 She glows In the dark  
 And she has stolen our hearts.

    Hannah is the blonde  
 And of soccer she is fond.  
 She is the most blunt  
 But being with her is what we all want.

    Catherine is outgoing  
 Out of her mouth the words are flowing.  
 From her travels, she has much to tell.  
 But we know her as a southern bell.

    Mary-Kate drives the coolest car  
 We know she will go very far.  
 She loves to dance and cheer  
 And we always want her near.

    Caitlin is tall and thin  
 We are her biggest fan.  
 She is the youngest of us all.  
 We can depend on her and never fall.

    Congratulations class of 2006  
 Please enjoy all of our pics  
 We love every minute we've had  
 The good, the bad, the happy, and the sad  
 We love you and we'll miss you all.
