Coach Nathan McDaniel: "What an awesome year for BCHS football. Our football program continues to grow and accomplish things that have not been done in a very long time. The 2017 tigers finished 7-3, winning more games over their 4 years than the last 10 years combined and finished with the best record at BCHS since 2001. They also defeated a top 10 team for the first time in 16 years. I am very proud of this senior class for the foundation they have laid for the generations to come! GO TIGERS!"

The girls decided their senior quote as a team this year would be "Leave a Legacy". They fought a hard and long season making it to the first round of playoffs, truly expressing their quote by leaving a legacy. The girls bonded not just as a team but became a family. Coach Morrison did a fantastic job coaching the girls through the season finishing with a winning season and a playoff bid. Hayden Peacock

CLASS OF 2018

Hayden- We are so very proud of you. Your compassion for others, the way you make people laugh with your witty sense of humor, your enthusiasm when telling your hunting and fishing stories, and so many other qualities are all what make people love you. We never knew how determined one could be when they wanted something so bad until you. Your future holds many possibilities because of your stubbornness, determination, being strong-willed or whatever you want to call it. We thank God for giving you to us and are so blessed to have you. Love you unconditionally.
Dad & Mom

Hey Brat! I wanted to tell you how proud I am of you. You are an amazing brother and even better friend. I know I can't pick family but if I could, I would still choose you. I love you! - Sara
